THE APARTMENT HARDWARE ADVANTAGE

Fair Prices. Excellent Service. More than 15,000 items in stock.

Hardware & Apartment Supply is your link to increasing profit in your business. We focus on your apartment maintenance needs, inventory, and daily deliveries while offering competitive prices on high-velocity items.

As your preferred apartment maintenance partner, we understand your unique maintenance needs while simultaneously improving your profitability.

Convenience:

Hardware & Apartment Supply makes purchasing easier for you and your management team through offering commercial charge accounts and updated billing options. We also offer free delivery to all our account holders residing in Los Angeles, Orange, and Ventura counties.

Image:

Hardware & Apartment Supply provides top-quality materials sourced through reputable national and international brands. Our main priority is to provide your maintenance professionals and managers with quality they can trust. In addition, Hardware & Apartment Supply is continuously adding new products to its inventory. Our diverse product line includes hard-to-find maintenance items ensuring a one-stop-shop purchasing experience that helps you save valuable time and money.

Cost Control:

Effectively managing costs is crucial to any business, especially in apartment maintenance and management. Hardware & Apartment Supply offers quality products, fair prices, dependable delivery, and efficient service solutions that ensure you are prepared for all repairs, improvements, and upgrades.

- An extensive product selection of Hardware, Plumbing, Electrical, Paint, Lighting, HVAC, Windows, Screen & Window Glass Repair, Closet & Shower Doors, and more
- Dedicated and knowledgeable salespersons and account representatives
- Creative business solutions customized to cater to your specific apartment maintenance needs
- Same day delivery on orders placed by 11 AM
- Exclusive, reliable, and quality brand products to help enhance your profitability

Free, Punctual Delivery to Los Angeles, Orange, and Ventura counties!

MITEMP AUTOMATIC PRESSURE-BALANCE VALVE

• Holds a selected water temperature to within one degree from any constant hot water supply regardless of pressure changes in the supply-lines • It ensures a blend of mixed hot and cold water at the showerhead and is fully automatic - only one moving part will equalize the hot and cold supply line pressures • As supply line pressures fluctuate, the brass piston will move enough to compensate for the change in pressure and release water only at the preselected temperature.

UNDERSINK WATER FILTRATION SYSTEM

• Safe drinking water with single-cartridge convenience • Filter housing assembly with built-in mounting bracket and quick-connect fittings • Includes O-ring, 3/8" tubing, quick-connect elbows, wrench, mounting screws, & silicone lubricant • Complete system easily installed often without cutting pipes • 2000-gallon or 1-year filter life • #131061 standard replacement cartridge or #106449 long-life replacement cartridge (sold separately)

ITEM #	MFG #	PKG.	QTY.			
106448	SMF2	BOX	1/4			

COUNTERTOP FILTER SYSTEM

• Outstanding solution for filtered drinking water where installing a complete system is cumbersome or not applicable • Great for apartments, townhomes, or for renters who are not approved to install anything permanent • Includes countertop housing with attached faucet, diverter valve, and wrench • Cartridge sold separately

ITEM #	MFG #	PKG.	QTY.			
106453	OCT2-S-05	BOX	1/6			

ENHANCED CARBON BLOCK CARTRIDGE

• Reduces chlorine, tast and odor, mercury, MTBE, Cryptosporidium and giardia, cysts, lead, VOC's and chloramine • 0.5 micron rating • 0.5 GPM flow rate • Filter life of up to 400 gallons or 6 months • Fits housing #131080, or undersink filter system

ITEM #	MFG #	PKG.	QTY.			
106449	CB3-SS6-05	BOX	1/6			

WATER FILTER HOUSING

• 10" housing - 1-year warranty • Max. pressure 90 psi - 3/4" inlet/outlet • Cartridge not included • Accepts most standard cartridges • #131007 removes sediment: 20 micron, 5 GPM • #131083 removes sediment: 20 micron, 5 GPM • #131008 removes sediment, reduces chlorine taste and odor: 2 micron, 5 GPM

COMMERCIAL STEAM & ICE FILTRATION SYSTEM

• For use on commercial ice makers and beverage machines • Perfect for restaurants and commercial kitchens • ½″ high flow ports • Includes one 5-micron sediment filter, two 5-micron carbon block filters, and one 24 oz. poly-phosphate cartridge (lime scale inhibitor) • Also includes pressure gauges and flush kit

ITEM #	MFG #	DESC.	QTY.		
131166	7100265	FILTRATION SYSTEM	1		

REVERSE OSMOSIS SYSTEM

• The 4-stage RO system begins with Stage 1, a 5-micron sediment filter that traps particulate matter like dirt, rust, sand, silt and sediment that will affect the taste and appearance of your water • Stage 2 is a 5-micron carbon block filter that provides a reduction of chlorine, chloramine and other materials that cause bad taste and odors • Stage 3 is the RO membrane and is 1/10,000 of a micron and will effectively reduce TDS, sodium and a wide range of contaminants such as arsenic, lead, perchlorate, chromium, copper and radium • It will also remove over 99.95% cysts such as giardia and cryptosporidium • Stage 4 is a high-quality GAC final filter • The filtered RO water passes through the membrane and enters the storage tank
1-YEAR WARRANTY

ITEM #	MFG #	DESC.	QTY.		
131050	7100103	4-STAGE RO SYSTEM	1		

ONE-PIECE MANIFOLD REVERSE OSMOSIS SYSTEM

• 5-stage RO system • One-piece manifold design reduces 17 leak points • Automatic shut-off device • Includes: (1) 5-micron sediment filter, (2) 5-micron carbon block filters, (1) 50 GPD TFC membrane, (1) GAC polishing filter, chrome long reach air gap faucet, 3-gallon storage tank, and complete hardware installation kit • Replacement membrane #131156 • Replacement filter #131152 pack includes (1) sediment and (2) carbon filters

131161	7100135	BOX	1		

SANI-SYSTEM LIQUID SANITIZER CONCENTRATE FOR WATER SOFTENERS

• Sani-System is the only NSF and EPA approved sanitizer for use in water softeners • Sani-System is proven to kill 99.9% of harmful bacteria without the use of chlorine, oxidizers, or acids that can harm water softener equipment parts and resin • Each premeasured packet is a concentrated formula that sanitizes the equipment in just 60 seconds • 24 0.5 fl. oz. packets per case

ITEM #	MFG #	QTY.		
124443	SS24WS	1		

SOFTENER MATE ALL-PURPOSE WATER SOFTENER CLEANER 1.5 LB.

• Uses a unique blend of chemicals formulated to remove limited iron, manganese, silt, metal particles and organic compounds that cause softener inefficiencies • Regular use of Softener Mate will restore the softener back to peak efficiency and maintain the life of the unit • For best results, layer Softener Mate between each bag of salt or manually add during regeneration to prevent mineral buildup

ITEM #	MFG #	QTY.		
124440	SM12N	1		

RUST-OUT WATER SOFTENER CLEANER/IRON REMOVER 1.5 LB.

• Chemically removes iron and rust buildup that coats the resin bed and fouls the water softener • Rust-Out changes rust and iron into a clear solution that easily rinses away and does not contain harsh or abrasive chemicals that damage fiberglass, porcelain, or acrylic finishes • The advanced formula contains more than five chemicals that are formulated to clean, restore, and maintain the life of water softeners • Rust-Out can also be used to clean tough rust stains from toilets, sinks, tubs, white clothes, and exterior surfaces

ITEM #	MFG #	QTY.		
124439	RO12N	1		

RES CARE LIQUID RESIN CLEANING SOLUTION 1 GALLON

• Res Care is a specially formulated liquid cleaner to remove limited iron, manganese, silt, metal particles, and organic compounds that cause softener inefficiencies • Regular use of Res Care will restore the softener back to peak efficiency and maintain the life of the unit • For best results, use a Res Care automatic feeder or manually add during regeneration to prevent mineral buildup

ITEM #	MFG #	QTY.		
124441	RK41N	1		

POT PERM GREENSAND IRON FILTER REGENERANT 2 LB.

• Pot Perm is a strong oxidizing agent that converts dissolved iron and/or manganese to insoluble oxides which can be easily removed through filtration • Pot Perm regenerates and oxidizes greensand iron filter media restoring the exchange capacity • The most common method of introducing Pot Perm to the filter involves making a solution and applying automatically or manually at regular intervals

BRADLEY SINGLE OR DUAL-ROLL TOILET TISSUE DISPENSERS

• Surface mount • Fabricated of heavy-duty, die-cast aluminum alloy, formed to provide maximum strength and has a satin matte finish • Spindles are molded from heavy-duty, high-impact ABS material, with stainless steel pins designed to retain spindles in dispenser • Each spindle is locked in place by means of a spring-loaded retaining pin which prevents removal of rolls until tissue is exhausted • Stainless steel pins located on dispenser bracket allow spindles to rotate ½ revolution, and maintain a controlled delivery to eliminate waste • Unit will dispense most standard toilet tissue rolls • Fasteners supplied with each unit are suitable for installation to wood grounds and sheet metal

STEALTH™ 0.8 GPF TOILET

• Ultra high-efficiency flush • Powerful flush delivered with a patented Stealth™ flush chamber and air transfer system • Uses just 0.8 gallons per flush (0.8 GPF) • One flush thoroughly evacuates the bowl every time
• Large water surface • As the tank fills, air is transferred to the trapway • A large water surface is created as this air pressure causes the water to fill at a higher level
• Stealth™ delivers a cleaner and more reliable flush with more water in the bowl
• Fully glazed trapway • White
3-YEAR LIMITED WARRANTY

MI700 SERIES GRAVITY FED TRAP SEAL PRIMER

• Engineered to prime one floor drain trap that is no further than twenty feet from the fixture supplying the prime • A ½″ (13) O.D. copper make-up water line connecting the trap seal primer to the floor drain trap is recommended

ITEM #	MFG.	DESC.	SIZE	QTY.		
151845	MI-700	BATHROOM	1-1/4″	1/12		

PRESSURE DROP ACTIVATED TRAP SEAL PRIMER

• Inlet opening of ½″ male N.P.T. and outlet opening of female ½″ N.PT • Complete with four view holes and removable filter screen • Requires no adjustments and no air precharge • Can be connected to any cold water line and will be automatically activated when a valve or faucet, that is on the line, is opened • A pressure drop of 3 p.s.i. will activate all of the trap seal primers • Their unique design permits filter replacement without affecting the performance of the primer • The ″O″ ring seals are tested for reliability at a temperature range of -40 degrees to 450 degrees F • Do not require adjustment • The operating range is 20 to 125 p.s.i • Serves up to 3 floor drain traps and requires no adjustments and no airpre-charge

ITEM #	MFG.	QTY.		
151841	M2-500	1/25

Special Orders:

Hardware & Apartment Supply Co., Inc. has partnerships with a wide range of suppliers giving us access to almost any apartment maintenance product you'll need.

Is there a product you need, but don't see it in this catalog? If you answered yes, then Hardware & Apartment Supply can help you find it quickly with no extra charge or delay.

Hardware & Apartment Supply's sales team will give you a written quote within 24 hours. Approve the quote and your special order will arrive to your door step.

Hardware & Apartment Supply Co.

LF THESE PRODUCTS MEET THE STRICT LEAD-FREE STANDARDS OF THE SAFE DRINKING WATER ACT.

MORE PRODUCTS

This Catalog Features:

- Color-coded categories for quick and easy product location
- Hardware solutions that help you maximize tenant satisfaction
- Cost-effective maintenance service
- An extensive array of new, unique, and quality apartment maintenance products that include, Plumbing, Janitorial, Electrical, Paint, Lighting, HVAC, Hardware, and more
- Information on easy ordering and purchasing options
- **Not in the catalog? Call us to find over 80,000 products available to ship from our respected suppliers.**

Safety Certification
A world leader in product safety testing and certification.

EcoSource
Products that are part of our green purchasing program. These products meet one or more of the following high-performance categories: Water Conservation, Energy Efficiancy, Indoor Air Quality, and/or Material Selection.

National Sanitation Foundation
Products which are certified under the NSF American safety and certification standard.

Hazardous Material
Products contain hazardous materials and may require special handling and are subject to additional charges.

Lead-Free
Products that meet the strict lead-free standards of S. 3874, The Safe Drinking Water Act.

Energy Saver
Products that have energy-saving features.

Mercury-Free
Products that do not contain mercury.

ADA-Approved
Products that are ADA-approved for use under the Americans with Disabilities Act.

Universal Product Code
Barcode mainly used for scanning of trade items at the point of sale

Water Saver
Products that have water-saving. features.

Made In the USA
Products that are made in the United States of America.

ALL-PURPOSE CLEAR CEMENT

• For ABS, PVC, CPVC and styrene all classes and schedules through 6″ diameter (except Sch. 80) • Clear medium bodied • Apply at 40°F to 100°F • Fast-setting • Exceeds ASTM D-2564, D-2235 and F493

MADE IN THE USA

M12 COPPER TUBING CUTTER

• Specifically designed for cutting copper with the speed and versatility that plumbers, mechanical contractors and remodelers require • With a 12V lithium-ion battery and ultra-efficient gearing, the 2471-22 performs up to 200 cuts on a single charge • A close quarter rotating head cuts installed copper tubing with as little as 1-½″ of clearance • At 500 RPM, the patent-pending cutting mechanism cuts copper tubing up to 10X faster than conventional cutters and automatically adjusts diameter to cut through ⅜″ - 1″ copper tubing (½″ - 1⅛″ OD, Type K, L, and M) • The inline design offers greater reach and reduced wrist strain in confined spaces • The metal cutting head is corrosion and rust-resistant and is sealed for protection from water • Electronic overload protection and uni-body construction provide exceptional durability • Additional features include a battery fuel gauge, which displays the remaining run-time, and a built-in LED light which illuminates the line of cut • Backed by Milwaukee's 5-year tool warranty, the 2471-22 comes with (1) 12V lithium-ion battery, a 30-minute charger, and a carrying case
5-YEAR WARRANTY

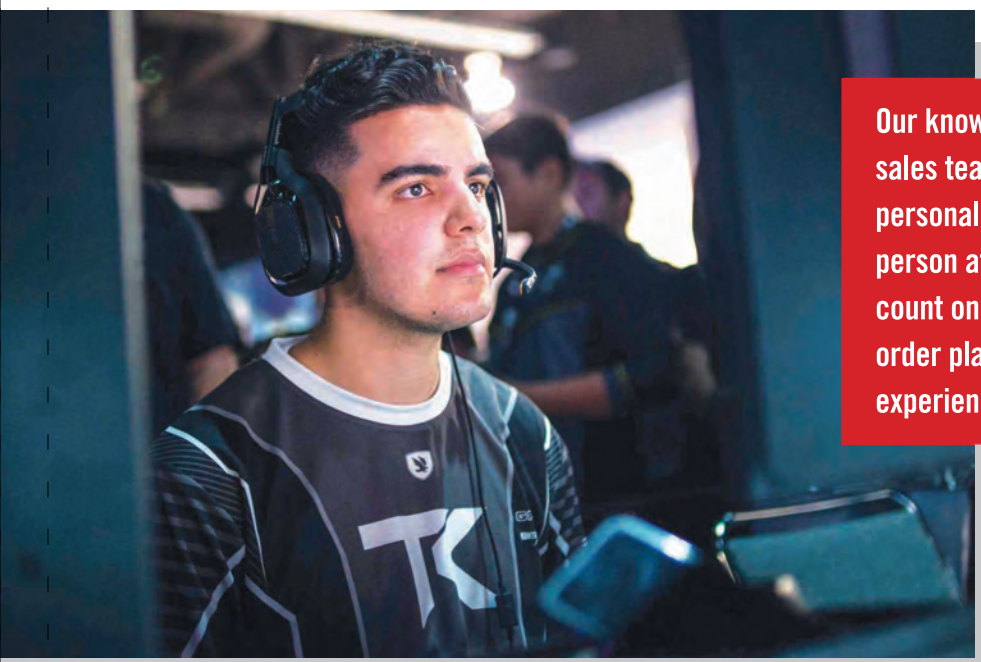
Easy Ordering and Payment Options



Our knowledgeable account representatives and sales team are available to provide one-on-one personal service over the phone, by e-mail, or in person at your convenience. You can always count on Hardware & Apartment Supply to make order placement, service, and delivery an easy experience.

Open a Commercial Charge Account

Opening a new account simply takes one day. Complete the credit application found at the back of this catalog and fax it to 818.347.7711.

Already know what your maintenance need is today? Orders can be made via fax, telephone, or email.

Fax Us at 818.347.7711

Fill out the order form located at the back of the catalog and e-mail it to ApartmentHardware@gmail.com or fax it to 818.347.7711.

Call Us at 1.888.98HASCO

Place your order over the phone and call us at 1.888.98HASCO. Orders can be taken over the phone between the hours of 8:00 AM to 5:30 PM Monday through Friday and 8:00 AM to 4:00 PM on Saturday.

Preferred Partner Agreement

Call Hardware & Apartment Supply's sales office for details about how you can benefit from this program.

For your payment convenience, we accept checks and all major credit cards.

MasterCard AMERICAN EXPRESS VISA

Special Orders:

Hardware & Apartment Supply Co., Inc. has partnerships with a wide range of suppliers giving us access to almost any apartment maintenance product you'll need.

Is there a product you need, but don't see it in this catalog? If you answered yes, then Hardware & Apartment Supply can help you find it quickly with no extra charge or delay.

Hardware & Apartment Supply's sales team will give you a written quote within 24 hours. Approve the quote and your special order will arrive to your door step.

THE APARTMENT HARDWARE ADVANTAGE

Fair Prices. Excellent Service. More than 15,000 items in stock.

Hardware & Apartment Supply is your link to increasing profit in your business. We focus on your apartment maintenance needs, inventory, and daily deliveries while offering competitive prices on high-velocity items.

As your preferred apartment maintenance partner, we understand your unique maintenance needs while simultaneously improving your profitability.

Convenience:

Hardware & Apartment Supply makes purchasing easier for you and your management team through offering commercial charge accounts and updated billing options. We also offer free delivery to all our account holders residing in Los Angeles, Orange, and Ventura counties.

Image:

Hardware & Apartment Supply provides top-quality materials sourced through reputable national and international brands. Our main priority is to provide your maintenance professionals and managers with quality they can trust. In addition, Hardware & Apartment Supply is continuously adding new products to its inventory. Our diverse product line includes hard-to-find maintenance items ensuring a one-stop-shop purchasing experience that helps you save valuable time and money.

Cost Control:

Effectively managing costs is crucial to any business, especially in apartment maintenance and management. Hardware & Apartment Supply offers quality products, fair prices, dependable delivery, and efficient service solutions that ensure you are prepared for all repairs, improvements, and upgrades.

- An extensive product selection of Hardware, Plumbing, Electrical, Paint, Lighting, HVAC, Windows, Screen & Window Glass Repair, Closet & Shower Doors, and more
- Dedicated and knowledgeable salespersons and account representatives
- Creative business solutions customized to cater to your specific apartment maintenance needs
- Same day delivery on orders placed by 11 AM
- Exclusive, reliable, and quality brand products to help enhance your profitability

Free, Punctual Delivery to Los Angeles, Orange, and Ventura counties!

95C REPAIR KIT FOR FROST PROOF SILCOCKS

• WARNING: DO NOT USE THIS PRODUCT WITH WATER SYSTEMS THAT CONVEY OR DISPENSE WATER FOR HUMAN CONSUMP- TION • For frostproof sillcock ½″, ¾″ and PEX all sizes

ITEM #	QTY.		
286069	1/10		

95C REPAIR KIT OF HARDWARE FOR FROST PROOF SILCOCKS

• WARNING: DO NOT USE THIS PRODUCT WITH WATER SYSTEMS THAT CONVEY OR DISPENSE WATER FOR HUMAN CONSUMP- TION • For frostproof sillcock screw, SID WED, and VAC breaker

ITEM #	QTY.		
286070	1/10		

SILLCOCK HANDLE

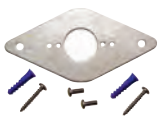
• Handle with square hole

ITEM #	QTY.		
8307	6/24		

SILLCOCK QUARTERTURN

• WARNING: DO NOT USE THIS PRODUCT WITH WATER SYSTEMS THAT CONVEY OR DISPENSE WATER FOR HUMAN CONSUMPTION • Easy quarter-turn operation • Maximum 125 psi • Chromeplated brass ball • Teflon seats • Rust-resistant handle • Patent pending valve body

ITEM #	MFG #	SIZE	QTY.		
124015	108-053HN	½″	1/15		



HOSE BIBB MOUNTING PLATE

• Reinforcing mounting plate for hose bibbs and sillcocks

ITEM #	MFG #	QTY.		
110067	7610	1/12		

BRASS BACKFLOW PREVENTER

• Fits hose bibbs and sillcocks, standard hose thread

ITEM #	SIZE	QTY.			
262100	¾″	1/20			

BRASS BACKFLOW PREVENTER

• Fits hose bibbs and sillcocks, standard hose thread • Break-off attachment screw

ITEM #	SIZE	QTY.		
157298	¾″	1/20		

BRASS BACKFLOW PREVENTER

• Anti-freeze • Fits standard hose thread • City of LA approved

ITEM #	SIZE	QTY.		
261011	¾″	1/24		

BACKFLOW PREVENTOR

• Double-check valve-type with atmospheric vent • Especially made for use on laboratory faucets with gooseneck spout • Size 3/8″ NPT

ITEM #	SIZE	QTY.		
290025	⅜″	1		

BACKFLOW PREVENTOR

• F x F • Continuous pressure type with atmos-pheric vent for exposed serviceable installations

ITEM #	SIZE	QTY.		
290026	⅜″	1

Look for these Symbols for quick information throughout the catalog

Safety Certification
A world leader in product safety testing and certification.

EcoSource
Products that are part of our green purchasing program. These products meet one or more of the following high-performance categories: Water Conservation, Energy Efficiancy, Indoor Air Quality, and/or Material Selection.

National Sanitation Foundation
Products which are certified under the NSF American safety and certification standard.

Hazardous Material
Products contain hazardous materials and may require special handling and are subject to additional charges.

Lead-Free
Products that meet the strict lead-free standards of S. 3874, The Safe Drinking Water Act.

Energy Saver
Products that have energy-saving features.

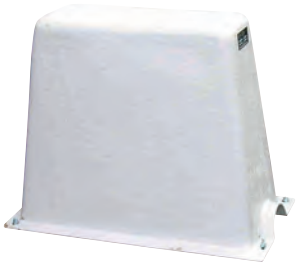
Mercury-Free
Products that do not contain mercury.

ADA-Approved
Products that are ADA-approved for use under the Americans with Disabilities Act.

Universal Product Code
Barcode mainly used for scanning of trade items at the point of sale

Water Saver
Products that have water-saving. features.

Made In the USA
Products that are made in the United States of America.



EZ BOX®

• The affordable insulated enclosure for backflow prevention devices - pumps, meters, valves, etc. • Testing/maintenance access • Drains sized for full port discharge • Vandal protection • Hot Box® is the industry leader in the rapidly expanding enclosure industry • Excellent add-on type product with the sale of a backflow preventer valve or small pump • Broad coverage of the product is recommended for all types of above ground installations, such as: backflow preventer valves, meters, backflow-meter combinations, pumps, related valve applications • Protection includes: freezing, vandalism-theft, confined spaces alternative (OSHA) • Improved aesthetics • Sizes available from .75″ thru 3.0″ valves and pump enclosures from 1/2 hp through 3 hp (Call your sales representative for details)

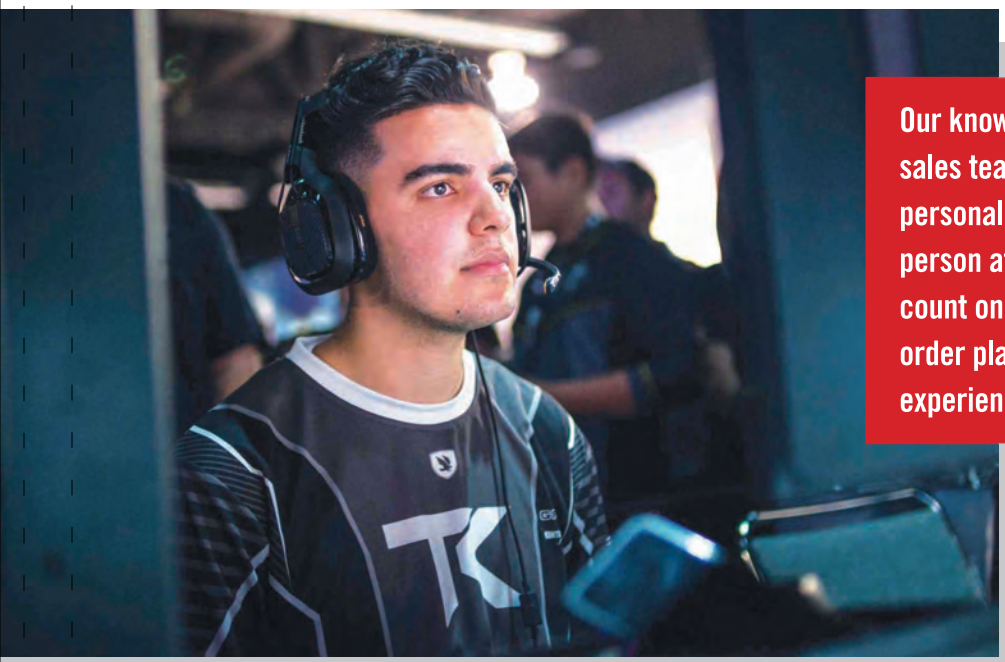
Easy Ordering and Payment Options



Our knowledgeable account representatives and sales team are available to provide one-on-one personal service over the phone, by e-mail, or in person at your convenience. You can always count on Hardware & Apartment Supply to make order placement, service, and delivery an easy experience.

Open a Commercial Charge Account

Opening a new account simply takes one day. Complete the credit application found at the back of this catalog and fax it to 818.347.7711.

Already know what your maintenance need is today? Orders can be made via fax, telephone, or email.

Fax Us at 818.347.7711

Fill out the order form located at the back of the catalog and e-mail it to ApartmentHardware@gmail.com or fax it to 818.347.7711.

Call Us at 1.888.98HASCO

Place your order over the phone and call us at 1.888.98HASCO. Orders can be taken over the phone between the hours of 8:00 AM to 5:30 PM Monday through Friday and 8:00 AM to 4:00 PM on Saturday.

Preferred Partner Agreement

Call Hardware & Apartment Supply's sales office for details about how you can benefit from this program.

For your payment convenience, we accept checks and all major credit cards.

MasterCard AMERICAN EXPRESS VISA

Special Orders:

Hardware & Apartment Supply Co., Inc. has partnerships with a wide range of suppliers giving us access to almost any apartment maintenance product you'll need.

Is there a product you need, but don't see it in this catalog? If you answered yes, then Hardware & Apartment Supply can help you find it quickly with no extra charge or delay.

Hardware & Apartment Supply's sales team will give you a written quote within 24 hours. Approve the quote and your special order will arrive to your door step.

GAS WATER HEATER

• Glass-lined tank • Non-CFC foam insulation, 1˝ minimum • Safety valve (T&P valve) included • Combination thermostat/ECO • All residential gas heaters have a recovery efficiency rating of 76% or higher • All models meet the Low NOx requirements of California and Texas • All 30, 40 and 50 gallon models meet the new Flame Vapor Ignition Resistance (F.V.I.R.) standard as mandated by ANSI Z21.10.1

PROPANE ATMOSPHERIC MOBILE HOME WATER HEATER

• Glass-lined tank • Single anode rod • Minimum 1″ foam insulation • Factory-installed safety valve (T&P valve) • Combination thermostat/ECO • Cast-iron burners • HUD approved for mobile home installations • Field convertible to natural gas • 31,000 BTU input • 30.4 GPH recover at 90° rise
6-YEAR WARRANTY ON TANK AND PARTS

HIGH-EFFICIENCY WATER HEATER

• Technology that combines water heating and residential space heating into a single, super high-efficient water heating system • High-grade 444 stainless steel tank with brass connections for years of trouble-free service - no anode rod required • Submerged combustion chamber with spiral flue for 95% thermal efficiency and ultra-low standby heat loss • Ultra-quiet blower and burner minimize noise • Direct vents up to 120' using PVC, CPVC, or ABS pipe • Self-diagnostic control system with easy to see external LED lights • Meets Low-NOx requirements of California and Texas
10-YEAR WARRANTY ON TANK, 1-YEAR WARRANTY ON PARTS

GAS POWER VENT WATER HEATER

• All models are Flammable Vapor Ignition Resistant (FVIR) approved - except 75 gallon • All models meet California and Texas Lo-NOx emissions requirements • Vents with either 2″ or 3″ PVC, ABS, or CPVC pipe • Electrical power required for quite modular blower • Self-diagnostic control system monitors eight critical functions and signals the status using a flash code sequence • Factory-installed safety valve (T&P valve) • 2″ non-CFC foam insulation • Propane models have cast-iron burners

ULTRA LO-NOX POWER VENT GAS WATER HEATER

• The PowerFlex® Ultra Low-NOx power vent water heaters utilize an innovative burner system, a combination of radiant heat and excess air to comply with the South Coast Air Quality Management District and other California Air Quality Management Districts with similar requirements of less than 10 ng/J for ultra Low-NOx emissions • The 0.68 Energy Factor qualifies these models for ENERGY STAR® • Power-venting made simple • Thruthe- wall or thru-the-roof power-venting using either 2″ or 3″ PVC, ABS or CPVC vent pipe • Energy Star® qualified • Meets Energy Star requirements for the .67 EF tier II efficiency increase that was initiated Sept. 1, 2010 and is eligible for most utility rebate programs based on Energy Factor (EF) ratings • Intelli-Vent™ gas control • Advanced electronics for more precise control of water temperature and easy-to-understand system diagnostics • Quiet and efficient blower • Factory-installed 6-foot power cord with standard 3-prong male connector provided • Electrical requirements: 110/120 VAC power source, less than 5-amp draw • Combination thermostat/ECO. utilizes an intermittent ignition gas valve (no standing pilot) with thermistor temperature sensor and built-in high-temperature cut off • LimeFighter® dip tube • Helps reduce lime and sediment buildup, maximizes hot water output • Made from long-lasting PEX cross-linked polymer • Durable, ultra Low-NOx burner construction • Components of the burner system are made of a strong inconel alloy and stainless steel that is designed to withstand high-temperature applications • All burner components have undergone rigorous reliability testing to ensure long life • Anode rod • Exclusive aluminum anode has a stainless steel core, protects tank against corrosion longer versus standard steel anodes • FVIR Compliant • Equipped with a flame arrestor that provides smooth ignition and ensures that in the event of accidental exposure to flammable vapors, that vapors are safely combusted inside the sealed chamber • Durable, tamper-resistant brass drain valve • Code compliance - design certified by CSA • Meets CEC codes • Meets the Federal Energy Efficiency standards effective January 20, 2004, according to the National Appliance Energy Conservation Act (NAECA) of 1992 and meets the thermal efficiency and standby loss requirements of the U.S. Department of Energy and current edition of ASHRAE/IESNA 90.1 • ¾″ male water connections • Factory-installed heat traps • Factoryinstalled, CSA Certified and ASME rated T&P relief valve • ½″ gas connections • Condensate coupler included • 2″ vent length up to 40 equivalent feet • 3″ vent length up to 120 equivalent feet

LIGHT-DUTY COMMERCIAL WATER HEATERS

• Specifically made for light-duty commercial applications • Non-dampered unit meets or exceeds the thermal efficiency and standby loss requirements of the U.S. Dept of Energy and current edition of ASHRAE/IESNA 90.1. FVIR/LDO compliant • Through-the-wall or through-the-roof venting • CSA certified and ASME rated side-mounted T&P reflief valve • Top water connections (and side space heating connections on 75-gallon models only)

We stock more than 15,000 products in our store.

Hardware & Apartment Supply is a leading provider of high-quality national and international brands that your professional maintenance team and managers use daily. We stock more than 15,000 products in our store. Hardware & Apartment Supply is committed to continuously adding new products to make sure we're always offering the latest technologies and materials.

Our priority is to offer products and services that have great value in keeping your apartment maintenance costs down while increasing your profitability. By offering reliable products, Hardware & Apartment Supply saves you money by preventing the need to repeatedly replace the same parts, which leads to higher tenant satisfaction and lighter maintenance workloads.

WAGS SAFETY SHUTOFF VALVE

• The WAGS valve was designed to protect consumers from a common problem: flooding and damage caused when their water heater fails • Most water heaters fail within 7 -10 years • WAGS prevents disastrous floods and untold damage to your property • WAGS stands for Water And Gas Safety • The WAGS valve is designed to shut off the water supply (plus gas supply for gas-fired heaters) in the event of a water-leak from a hot water heater, thus minimizing water damage and possible gas leakage • Easy installation on all styles of water heaters • Fully mechanical and requires no external power supply • The WAGS valve sits in a drip pan under the water heater and is activated when leaking water accumulates to a predetermined level in the pan • Once activated the valve shuts off the water and gas supply, indicated by a red pop-up tab • Features Include: Easily installed on new or existing water heaters, dependable, proven technology, taco-quality and reliability, $1,000 Lifetime Protection Policy • When the WAGS valve is installed on a gas or oil-fired water heater, part number GOKIT7200-1 (483163) must also be purchased and installed in order to simultaneously shut off either the gas or oil along with the water when the valve is activated

Special Orders:

Hardware & Apartment Supply Co., Inc. has partnerships with a wide range of suppliers giving us access to almost any apartment maintenance product you'll need.

Is there a product you need, but don't see it in this catalog? If you answered yes, then Hardware & Apartment Supply can help you find it quickly with no extra charge or delay.

Hardware & Apartment Supply's sales team will give you a written quote within 24 hours. Approve the quote and your special order will arrive to your door step.

Hardware & Apartment Supply Co.

THESE PRODUCTS MEET THE STRICT LEAD-FREE STANDARDS OF THE SAFE DRINKING WATER ACT.

CORRUGATED STAINLESS STEEL WATER HEATER CONNECTOR

• Full-flow and easy to install • Kink and crimp-free • Chrome pleated brass nuts • Will not corrode or rust • Highest quality EPDM washer • 100% leak tested • Copper sweat sleeve at one end

ITEM NO.	SIZE	QTY.		
104043	18"	1/25		

CORRUGATED STAINLESS STEEL WATER HEATER CONNECTORS

• All stainless steel corrugated tubing that's flexible, full-flow and easy to install • No plastic tubing - no inserts • The result is a fully flexible connector that will not crimp and will not blow out • For commercial or residential applications • Each connector pre-tested IAPMO certified • Grade SUS-304 stainless steel • Resistant to electrolysis - no dielectric union required • Chrome finish • 3/4"F X 3/4"F

LIGHT-DUTY GENERAL-PURPOSE DRAIN

• Fits over 2″ pipe, or inside 3″ pipe • Stainless steel strainer plate

ITEM #	DESC.	QTY.		
PGP300	PVC	1/20		

LF THESE PRODUCTS MEET THE STRICT LEAD-FREE STANDARDS OF THE SAFE DRINKING WATER ACT.

MEDIUM-DUTY GENERAL PURPOSE DRAIN

- Fits over 3″ pipe or inside 4″ pipe
- Stainless steel strainer

ITEM #	DESC.	QTY.		
PGP502	PVC	1/10		

HEAVY-DUTY GENERAL-PURPOSE DRAIN

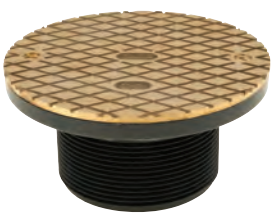
- Fits over 4″ pipe • Full-flow

ITEM #	DESC.	QTY.		
506	PVC	1/10		

ADJUSTABLE HEAVY-DUTY DRAIN ASSEMBLY

- 3″ or 4″ adjustable heavy-duty drain with 6″ grate • Fits over 3″ or inside 4″ Schedule 40 DWV pipe • 1-¾″ height adjustment
- Order base and grate separately

ITEM #	COLOR/FINISH	PKG.	QTY.		
BASE					
173232	PVC	BULK	1		
TOP GRATE					
173234	BRASS	BULK	1		



ADJUSTABLE HEAVY-DUTY CLEANOUT

- 3″ or 4″ adjustable heavy-duty cleanout with 6″ grate • Fits over 3″ or inside 4″ Schedule 40 DWV pipe • 1-¾″ height adjustment • Must order base #173232 separately

ITEM #	DESC.	PKG.	QTY.		
173236	BRASS	BULK	1		
173237	BRASS W-RING	BULK	1		

PVC BELL TRAP

- Installation: accommodates schedule 40 fitting socket over the hub or schedule 40 pipe inside the hub

ITEM #	SIZE	OUTLET	QTY.		
50066	6″ X 6″	2	1/20		
50088	9″ X 9″	4	1/10		
50099	9″ X 9″	3	1/10		

INTEGRAL TRAP FLOOR DRAIN

- One-piece molded drain body • Deep 3-¾″ sump bowl and a full 3″ trap seal
- 1-½″ concealed cleanout • 7-1/8″ diameter drain • 2″ hub connection
- Order optional backwater device (#173382) separately

ITEM #	DESC.	PKG.	QTY.		
173380	PVC	PVC	1/2		

BACKWATER DEVICE

- Prevents flooding due to back up • For use with integral trap floor drain #173380 (sold separately) • 2″ throat

ITEM #	PKG.	QTY.		
173382	BULK	1/10		

NO-CAULK BRASS SHOWER DRAIN

- Designed for molded shower stalls • The drain is installed on the shower unit before it is placed • Stainless steel snap-in strainer
- Compression gasket • Reference #140NC
- Fits 2″ Schedule 40 plastic or 2″ cast-iron pipe

ITEM #	SIZE	QTY.		
173216	173216	1/40		

PVC BOLT-DOWN SHOWER DRAIN

- Fits over 2″ and inside 3″ Schedule 40 DWV pipe • For use in showers or areas where strainer adjustments and clamping of a waterproofing membrane are required
- For synthetic or composition pan liners
- Tongue and groove clamping collar with beveled edge for recessed installation
- Finished with screw-on stainless steel strainer

ITEM #	SIZE	QTY.		
406	2″ X 3″	1/20		

LOW-PROFILE SQUARE STRAINER FLOOR AND SHOWER DRAIN

- Heavy-duty stainless steel square strainer
- Fits over 2″ and inside 3″ DWV pipe • 4-¼″ x 4-¼″ • For use in showers or areas where strainer adjustments and clamping of a waterproofing membrane are required
- For synthetic or composition pan liner

ITEM #	PKG.	QTY.		
173320	BULK	1/20		

PVC GASKETED BOLT DOWN SHOWER DRAIN

• With adjustable strainer • Gasketed (no caulk) for tile showers • Fits 2″ IPS, C.I., PVC, ABS or steel (or inside 4″ PVC pipe) • Furnished with snap-in stainless steel grate - will accommodate a screw-type grate • Finished with screw-on stainless steel strainer

ITEM #	SIZE	QTY.		
2071002	2″	1/20		

NO-CAULK PVC SHOWER DRAIN

• Designed for molded shower stalls • Stainless steel snap-in grid • Compression gasket • Fits 2″ Schedule 40 plastic or 2″ cast-iron pipe

ITEM #	SIZE	PKG.	QTY.		
173226	2″	BULK	1/40		

NO-CAULK/SOLVENT WELD SHOWER DRAIN

• Stainless steel strainer • Fits over 2″ PVC pipe • Combination no-caulk or solvent weld • No-caulk by using elastomeric seal

ITEM #	SIZE	PKG.	QTY.		
2071012	2″	DISPLAY BAG	1/6		

PLASTIC SHOWER DRAIN

• Drain fitting for fiberglass, acrylic or other pre-formed shower stalls and receptors • Tailpiece easily installs from inside shower • Finished with screw-on stainless steel strainer

ITEM #	DESC.	PKG.	QTY.		
600	PVC	2″	1/20		
601	ABS	2″	1/20		

PLASTIC SHOWER DRAIN

• Use on plastic, fiberglass or steel shower base • 4-½″ diameter • Solvent weld to 2″ DWV or Schedule 40 PVC pipe • Stainless steel grid

ITEM #	SIZE	PKG.	QTY.		
173228	4-½″	BOX	1/40		

SHOWER DRAIN

• Chrome plate on zinc body with stainless steel grid

ITEM #	SIZE	QTY.			CASE PRICE
7924	1-½″	1/10			
7922	2″	1/10			

SHOWER DRAIN

• Stainless steel strainer, brass-plated die cast zinc body, lead and oakum caulk-type • #500140 for 2″ IPS; #500180 connects direct to 2″ pipe

ITEM #	SIZE		
QUICK-CAULK ELASTOMERIC DRAIN SEAL TYPE

THERMOPLASTIC ROOF FLASHING

• No-caulk collar, one-piece construction • Lies perfectly flat, doesn't warp • SBC-UPC BOCA approved

ITEM #	SIZE	QTY.		
11914	3″	1/20		
11915	4″	1/20		

NEOPRENE FLEXIBLE ROOF FLASHING

ITEM #	SIZE	QTY.		
14014	2″	1/20		
14040	3″	1/20		
14041	4″	1/20		

GALVANIZED MULTI-SIZE ROOF FLASHING

• 3-in-1 flashing • Fits 1-¼″, 1-½″, 2″, 3″ vent pipes • 24-gauge galvanized base with elastomer collar • Fits any roof pitch from flat to 45° • Tested fully for ultraviolet, ozone and weather resistance

ITEM #	PKG.	QTY.		
301104	BULK	1/20		

GALVANIZED ROOF FLASHING

• Die-formed • Caulkless

ITEM #	SIZE	QTY.		
11842	1-¼″ X 1-½″	1/20		
11855	2″	1/20		
11868	3″	1/20		
11881	4″	1/20		

ALUMINUM ROOF FLASHING

• Aluminum base with elastomer collar

ITEM #	SIZE	QTY.		
301046	4″	1/20		

MULTI-SIZE ALUMINUM ROOF FLASHING

• 25 mil. aluminum base with elastomer collar • Fits any roof pitch from flat to 45°

ITEM #	SIZE	QTY.		
301012	3″ X 4″	1/20		
301013	1-¼″ - 3″	1/20		

MULTI-SIZE ROOF FLASHING

• Approved for type ″B″ installation • Collar tested for 180°F • Thermoplastic hard base with elastomer collar with variable vent sizes • Fits any roof pitch from flat to 45° • Tested for ultraviolet, ozone and weather resistance • Base size is 11-1/8″ x 15″

ITEM #	SIZE	QTY.		
301040	FITS 1-¼″, 1-½″, 2″, 3″	1/20		
301041	3″ - 4″	1/20		

REDI-VENT™ AIR ADMITTANCE VALVE

• Compact design for tight applications • Vents up to 6 DFUs • Unique patented ball valve sealing assembly • Solvent welds to 1-½″ or 2″ pipe size • Limited lifetime warranty for replacement of defective valves • Listed to NSF-14 and ASSE 1051 standards • Warnock Hershey listed

ITEM #	SIZE	QTY.		
301017	BOX	1/24		

STUDOR® VENT AIR ADMITTANCE VALVE

• The Mini-Vent® and Maxi-Vent® • Residential or commercial use • Vents up to 160 DFUs • Limited lifetime warranty • Listed to ASSE 1050, ASSE 1051, and NSF 14 standards • Warnock Hershey listed

ITEM #	QTY.			
MINI-VENT , 1″ - 1-½″ OR 2″ PIPE				
301050	1/40			
MAXI-VENT , 3″ OR 4″ PIPE				
301051	1/6			

SURE-VENT™ AIR ADMITTANCE VALVE

• Designed to eliminate the need for secondary vents through the roof • Solvent welds to 1-½″ or 2″ schedule 40 (with supplied adapter) or threads into a 2″ NPT • Tested to verify compliance with NSF-14, ASSE-1050 and ASSE-ANSI 1051 requirements • Vents up to 160 DFU • NSF, UPC, and NES listed

ITEM #	PKG.	QTY.		
301202	BOX	1/6		

1-½″ TRAP VENT

• Trap seal protection as with an extended vent line to the outside but without vent pipes to conceal the possibility of roof leaks • Vent does not eliminate the main vent stack

ITEM #	DESC.	PKG.	QTY.		
14018	TRAP VENT ONLY	BULK	1/50		
301055	WITH 5-½″ TAILPIECE	BAG	1/12		

ROOF FLASHING

• ¼″ to 4″ pipe sealing range • Numerous applications • Molds to metal, plastic, etc. • Non-fading EPDM collar - won't crack • Fits any roof pitch • UV and ozone-resistant

ITEM #	SIZE	PKG.	QTY.		
301105	¼″ - 4″	BULK	1/10		

ULTRA-ROOF DRIP DIVERTER

• Large, vinyl-coated fabric catches roof leaks and channels to standard hose hookup • Hose can then be directed to proper drainage point • Heavy-duty grommets in each corner make installation quick and easy

ITEM #	SIZE	QTY.		
801993	5' X 5'	1/12

301131	6″ X 4″	1/10		

DRAIN & TRAP CONNECTOR

• #301140 size connects 1-¼″ or 1-½″ tubular traps to all common 1-¼″ or 1-½″ drain piping • Stainless steel clamps • #301141 size connects 1-¼″ or 1-½″ tubular traps to all common 2″ drain piping, except copper • For 2″ copper, use #301140

ITEM #	QTY.		
301140	1/20		
301141	1/20		

DRAIN & TRAP CONNECTOR

• Stainless steel clamps

ITEM #	SIZE	QTY.			
49047	1-½″ X 1-½″ OR 1-¼″	1/100			
49048	2″ X 1-½″ OR 1-¼″	1/100			

TUBULAR CONNECTOR

• Repair any combination of 1-½″ or 1-¼″ brass or plastic drain pipe • Stainless steel clamps

ITEM #	MFG #	SIZE	QTY.		
301139	TC-150	1-½″ OR 1-¼″	1/20		

TUBING CONNECTOR

• Stainless steel clamps

ITEM #	SIZE	QTY.			
49050	1-½″ OR 1-¼″	1/100			

FLEXIBLE COUPLING

• Concrete to cast-iron or plastic

ITEM #	MFG #	SIZE	QTY.		
301133	1006-44	4″ X 4″	1/20		

HOSE GRIP CONNECTOR

• Holds washing machine hoses securely in stand pipe drains • Fits both 2″ and 1-½″ stand pipes and most washing machine hoses from 1″ to 1-7/16″ diameters

ITEM #	MFG #	QTY.		
301142	HG-1	1/20		

QUIK CAP

• With hose bibb • Designed for testing cast iron or Schedule 40 plastic pipe • Quick and easy way to fill and drain water used in testing sewer, drain and waste systems

ITEM #	MFG #	SIZE	QTY.		
301148	HBC-3	3″	1/20		
301149	HBC-4	4″	1/20		

COMPRESSION JOINT SEALER

• Seals sewer pipe joints • Eliminates cement, mastic or mortar • Connects any cast-iron, clay, concrete, plastic, fiber or steel hub to plain end pipe • CISV HUB x Schedule 40 (DWV) or Schedule 40 steel or CIXH

ITEM #	SIZE	QTY.		
301005	2″ X 2″	1/60		
301008	4″ X 4″	1/75		

SHOWER DRAIN CONNECTOR

• Connect 2″ DWV plastic Schedule 40 steel or X.H. (extra-heavy) cast-iron pipe to shower drain bodies • No special tools, gluing, threading or lead caulking required • Works with following shower drain bodies: American Brass & Aluminum, Armstrong, Casper-Mod. 101 BR, Garvin Mod. 475, Intercon & Kohler

ITEM #	MFG #	QTY.		
301134	SD-200	1/20		

4″ HOUSE TO 6″ SEWER CONNECTION O-RING

• 4″ cast-iron or 4″ plastic house pipe to clay, plastic, concrete or A/C sewer pipe

ITEM #	MFG #	SIZE	QTY.		
301135	BR-64	6″ X 4″	1/20		

CLEANOUT

• Use as test cap • Neoprene rubber

ITEM #	SIZE	QTY.		
301168	1-½″	1/100		
301169	2″	1/100		
301170	3″	1/50

GLENTRONICS PRO SERIES SUMP PUMP

• Cast iron/cast aluminum construction • Energy efficient permanent split capacitor motor • Continuous duty rated • Dual carbon/ceramic seals • 10' cord • Will fit in 10" diameter dump pit • Water cooled • No switch

18-MONTH WARRANTY

ITEM NO.	MFG #	HP	QTY.		
134651	ST1033-NS	1/3	1		

SUMP PUMP CAST/STAINLESS STEEL

• Cast iron/stainless steel construction • Energy efficient permanent split capacitor motor • Continuous duty rated • Stainless steel shaft • Dual carbon/ceramic seals • 10' pump cord • Water cooled • No switch • 3,000 GPH at 10' • Upper and lower bearings

3-YEAR WARRANTY

ITEM NO.	MFG #	HP	QTY.		
134652	S3033-NS	1/3	1		

SUMP PUMP CAST/STAINLESS STEEL

• Cast iron/stainless steel construction • Energy efficient permanent split capacitor motor • Continuous duty rated • Stainless steel shaft • Dual carbon/ceramic seals • 20' pump cord • Water cooled • No switch • 3,900 GPH at 10' • Upper and lower bearings

3-YEAR WARRANTY

ITEM NO.	MFG #	HP	QTY.		
134653	S3050-NS	1/2	1		

PRO SERIES SUMP PUMP

• Continuous duty construction • Cast iron housing • Energy efficient permanent split capacitor motor • Stainless steel shaft • Upper and lower ball bearings • Dual carbon ceramic seals plus (1) Buna-N-seal • Dynamically balanced cast iron impeller • Stainless steel fasteners • Stainless steel removable strainer • 20' cord length • Water cooled • No switch

5-YEAR WARRANTY

ITEM NO.	MFG #	HP	QTY.		
134654	S5033-NS	1/3	1		

SUMP PUMP CAST IRON

• Continuous duty construction • Cast iron housing • Energy efficient permanent split capacitor motor • Stainless steel shaft • Upper and lower ball bearings • Dual carbon ceramic seals plus (1) Buna-N-seal • Dynamically balanced cast iron impeller • Stainless steel fasteners • Stainless steel removable strainer • 20' cord length • Water cooled • No switch • 4,980 GPH at 10'

5-YEAR WARRANTY

ITEM NO.	MFG #	HP	QTY.		
134655	S5050-NS	1/2	1		

PRO SERIES SEWAGE PUMP, 1/2 HP, CI

• Handles 2" solids and 2" discharge • Cast iron construction • Energy efficient PSC motor • Continuous duty rated • Upper and lower ball bearings • Dual carbon ceramic seals plus (1) Buna-A-seal • Stainless steel fasteners • 10' power cord • No switch • 5,340 GPH at 10'

3-YEAR WARRANTY

ITEM NO.	MFG #	HP	QTY.		
134656	E7055-NS	1/2 HP	1		

PRO SERIES SEWAGE PUMP, 1 HP, CI/SS

• Handles 2" solids and 2" discharge • Cast iron construction • Energy efficient PSC motor • Continuous duty rated • Upper and lower ball bearings • Dual carbon ceramic seals plus (1) Buna-A-seal • Stainless steel fasteners • 10' power cord • No switch

3-YEAR WARRANTY

ITEM NO.	MFG #	HP	QTY.		
134657	E7100-NS	1 HP	1		

PHCC 1730 PRO SERIES BACKUP SYSTEM

• Continuous duty submersible pump • Pumps 1730 GPH at a 10-foot lift • Stainless steel shaft, rulon seal, and rustproof housing provide long-lasting, reliable operation • Computer programmed battery charging system • Export terminal for home security, auto dialer or other device • Use with wet cell or maintenance free batteries • Run pump weekly to test for proper operation • No switch

3-YEAR WARRANTY

ITEM NO.	MFG #	QTY.		
110609	PHCC-1730	1		

PHCC 2400 PRO SERIES BACK UP SYSTEM

• Automatically switches to battery power when AC fails • Recharges automatically • Monitors system conditions and alarms • Displays percentage of power remaining in the battery • Runs pump weekly to test for proper operation • Can run directly on AC power • Output termiXls for connection to a security system or auto-dialer • Accommodates up to two B2200 batteries for 16 hours of continuous pumping • Designed for use with maintenance or maintenance free batteries

3-YEAR WARRANTY

ITEM NO.	MFG #	QTY.		
110610	PHCC-2400	1		

PRO SERIES PAIR OF PUMPS

• Pre-assembled for quick and easy installation • Energy efficient permanent split capacitor motor • Continuous duty rated • Dual float switches on primary and backup pumps • Automatically switches to battery power when AC fails • Backup pump will assist primary pump if excessive amounts of water are entering the sump • Sounds alarm when problems occur • Maintains and recharges battery automatically • Water cooled • Export terminal for home security, auto dialer, or other device

3-YEAR WARRANTY

ITEM NO.	MFG #	QTY.		
110612	PS-C22	1		

We stock more than 15,000 products in our store.

Hardware & Apartment Supply is a leading provider of high-quality national and international brands that your professional maintenance team and managers use daily. We stock more than 15,000 products in our store. Hardware & Apartment Supply is committed to continuously adding new products to make sure we're always offering the latest technologies and materials.

Our priority is to offer products and services that have great value in keeping your apartment maintenance costs down while increasing your profitability. By offering reliable products, Hardware & Apartment Supply saves you money by preventing the need to repeatedly replace the same parts, which leads to higher tenant satisfaction and lighter maintenance workloads.

Hardware & Apartment Supply Co.

S3033 PRIMARY PUMP AND PHCC -2400 BACKUP

• Pre-assembled for quick and easy installation • Energy efficient permanent split capacitor motor • Continuous duty rated • Dual float switches on primary and backup pumps • Automatically switches to battery power when AC fails (battery not included) • Backup pump will assist primary pump if excessive amounts of water are entering the sump • Sounds alarm when problems occur • Maintains and recharges battery automatically • Output terminals for cinnection to a security system or auto-dialer • Can accommodate two B2200 batteries for 16 hours of continuous pumping • Water cooled

3-YEAR WARRANTY

ITEM NO.	MFG #	QTY.		
110613	PS-C33	1		

PRO SERIES BASIC CONTROLLER SWITCH

• Dual float switch with protective cage • Piggy-back plug

3-YEAR WARRANTY

ITEM NO.	MFG #	QTY.		
134658	DFC1	1		

DELUXE CONTROLLER WITH DUAL FLOAT SWITCH

• Dual float switch with protective cage • Activates pump weekly, extending pump life • Adjustable run time from 5-45 seconds after the water level falls below the sensor

ITEM NO.	MFG #	QTY.		
110607	DFC2	1		

USC3 ULTIMATE SENSOR WITH ULTIMATE CONTROLLER PUMP

• PHCC Pro Series USC3 Ultimate Sensor with Ultimate Controller Pump Activating System - USC3 "The Ultimate Solution for Activating a Pump" • 100% solid state circuitry has no moving parts to wear out or break • Industrial-grade construction with uncomplicated design • Designed for use in both sewage and sump applications • Senses water level regardless of how fast or slow the sump pit fills • Utilizes reliable, proven "Triac" electronic technology; the same technology used in microwaves and other appliances for years • Monitors pump and power conditions and sounds an alarm when problems are detected • Adjustable run time from 5-45 seconds after the water level falls below the sensor • Activates pump weekly to exercise and extend pump life

3-YEAR WARRANTY

ITEM NO.	MFG #	QTY.		
131437	USC3	1		

Special Orders:

Hardware & Apartment Supply Co., Inc. has partnerships with a wide range of suppliers giving us access to almost any apartment maintenance product you'll need.

Is there a product you need, but don't see it in this catalog? If you answered yes, then Hardware & Apartment Supply can help you find it quickly with no extra charge or delay.

Hardware & Apartment Supply's sales team will give you a written quote within 24 hours. Approve the quote and your special order will arrive to your door step.

VERTICAL FLOAT SWITCH

• Vertical Float Switch

ITEM NO.	MFG #	QTY.		
134659	VS	1		

KLUNKLESS CHECK VALVE

• PHCC Pro Series Klunkless Check Valve
• Universal fit for 1-1/4" and 1-1/2" pipe

ITEM NO.	MFG #	QTY.		
110606	CCV1	1		

PHCC WATER ALARM

• Can detect leaks before they become bigger problems by placing a Pro Series Alarm whereever there is a risk of water damage • Utility room • Kitchen • Bathroom

ITEM NO.	MFG #	QTY.		
110614	PWA	1		

STAND-BY BATTERY MAINTENANCE FREE

• Maintenance-free • Sealed, absorbed glass mat • Compatible with PS-C11, PS-C33, PHCC-2400, PHCC-1000, PHCC-1730, PS-C22
1-YEAR WARRANTY

ITEM NO.	MFG #	QTY.		
110604	B12-90	1		

STAND-BY BATTERY 2400, 2200, 1730

• Accommodates the fluid sensor for the Pro Series sump pump systems • Runs the pumps longer, for more hours per charge • Remain viable for more years in standby operation • Compatible with all PHCC Pro Series backup products • Dry battery
1-YEAR WARRANTY

ITEM NO.	MFG #	QTY.		
110605	B-2200	1		

BATTERY ACID QUART 6PK

• Acid used for filling the B1000 or B2200 batteries

ITEM NO.	MFG #	QTY.		
110619	Z-PACK	1/4		

PARALLEL JUMPER CABLES

• PHCC Pro Series Parallel Jumper Cable

ITEM NO.	MFG #	QTY.		
110611	PJC	1/4		

PEDESTAL SUMP PUMP

• Thermoplastic construction • 1-1/4" discharge • 115V air-cooled motor with 6 ft. power cord • 20 ft. max. total head • 3000 GPH max. output • On level 10" - 12", off level 2-1/2" of water • Handles solids up to 3/8" • 1/3 hp

ITEM NO.	MFG #	SIZE	QTY.		
521036	P13316V	1/3 HP	1		

CAST IRON PEDESTAL SUMP PUMP

• Cast iron base with stainless steel shaft • 1-1/2" discharge • 115V air-cooled motor with 6-ft. power cord • 20 ft. max. total head • 3000 GPH max. output • On level 10" - 12", off level 2-1/2" of water • 1/3 hp

ITEM NO.	MFG #	SIZE	QTY.		
521037	PC13316V	1/3 HP	1		

THERMOPLASTIC SUBMERSIBLE SUMP PUMP

• Rugged thermoplastic body resists corrosion, impact, stress and heat • Tethered float switch designed for minimum 14" diameter sump basin • 115V motor with built-in overload protection and automatic reset • 8' power cord • Max. lift - 28' • Max. discharge - 2880 GPH • 1/3 HP

1-YEAR WARRANTY

ITEM NO.	MFG #	SIZE	QTY.		
106422	12558	1/3 HP	1		

SUBMERSIBLE AUTOMATIC SUMP PUMP

• Corrosion-resistant thermoplastic housing • Vertical mechanical float switch • On level 8", off level 3-1/2"of water • Shut-off 18 ft. • Handles up to 1/8" solids • 1-1/4" discharge • 8-ft. power cord • 2280 GPH • 1/4 hp

ITEM NO.	MFG #	SIZE	QTY.		
521251	D12518V	1/4 HP	1		

SUBMERSIBLE AUTOMATIC SUMP PUMP

• Corrosion-resistant thermoplastic body • Vertical float switch • On level 8", off level 3" of water • 1-1/4" discharge with 1-1/2" adapter • 8-ft. power cord • Shut-off is 20 ft. • 2580 GPH • 1/3 hp

ITEM NO.	MFG #	SIZE	QTY.		
521252	2972	1/3 HP	1		

SUBMERSIBLE AUTOMATIC EFFLUENT SUMP PUMP

• Cast iron housing • 115 volt motor • Vertical float switch • Handles up to 1/2" solids • On level 6-1/2", off level 2" of water • Shut-off is 24 foot • 1-1/2" discharge • 10-ft. power cord • 2700 GPH • 1/3 hp

ITEM NO.	MFG #	SIZE	QTY.		
521253	DC233110V	1/3 HP	1		

SUBMERSIBLE AUTOMATIC EFFLUENT SUMP PUMP

• Cast iron housing • 115 volt motor • Tethered float switch • Handles up to 1/2" solids • On level 12-1/2", off level 3-1/2" of water • Shut-off is 24 foot • 1-1/2" discharge • 10-ft. power cord • 2700 GPH • 1/3 hp

ITEM NO.	MFG #	SIZE	QTY.		
521254	DC233110T	1/3 HP	1

QUICK INSTALL THERMOPLASTIC SUMP PUMP KIT

• Pre-assembled discharge pipe with 24' discharge hose kit included • Corrosion-resistant thermoplastic pump housing • Automatic vertical switch • 115V motor with overload protection • Fit in 10" and larger basins • Maximum lift: 25' • Maximum flow: 3630 GPH • Kit includes check valve

1-YEAR WARRANTY

ITEM NO.	MFG #	SIZE	QTY.		
107109	2944RP	1/2 HP	1		

STAINLESS STEEL SUBMERSIBLE SUMP PUMP

• Rugged stainless steel motor housing and cast iron base • Fits in 10" diameter sump basin • 115V heavy-duty high-efficiency motor • Overload protection • IntelliShield™ switch (non-mechanical) features an audile high water alarm, connects to most home security systems and is maintenance free • Max. Discharge - 5150 GPH • Max. Lift - 32' • On level: 9", Off level: 4" • 10' power cord • 3/4 HP

5-YEAR WARRANTY

ITEM NO.	MFG #	SIZE	QTY.		
106421	3989	3/4 HP	1		

SUBMERSIBLE SUMP PUMP

• Cast iron motor housing with thermoplastic base • SJE float switch • Semi-open impeller • Handles up to 1/2" solids • 1-1/2" discharge • 115 volt oil-cooled, shaded pole motor with 8' power cord • 1/3 hp - 2760 GPH max.; 1/2 hp - 3240 GPH max. • 1/3 hp - 20' max. total head; 1/2 hp - 24' max. total head

ITEM NO.	MFG #	SWITCH TYPE	HP	QTY.		
521033	DC13318V	VERTICAL	1/3 HP	1		
521034	1 DC15018T	TETHERED	1/2 HP	1		

SUBMERSIBLE CAST IRON SUMP PUMP

• Cast iron construction • 115V oil-cooled motor with 10-ft. power cord • Available with vertical or tethered SJE float switch • Handles up to 1/2" solids • 1-1/2" discharge • Shut-off is 32 foot • 3720 GPH max. discharge • 1/2 hp

ITEM NO.	MFG #	SIZE	SWITCH TYPE	QTY.		
521039	DC250110V	1/2 HP	VERTICAL	1		
521042	DC250110T	1/2 HP	TETHERED	1		

PIGGYBACK TETHERED SWITCH KIT

• For use with all brands of sump and sewage pumps up to 1/2 hp,115 volt, 13 amp • Includes 9-ft. cord

ITEM NO.	MFG #	QTY.		
521202	FP18-15BD-P2	1/4		

GEYSER® JR SUBMERSIBLE UTILITY PUMP

• Corrosion-resistant thermoplastic exterior • 115 volt, oil-cooled motor with 6-ft. cord • Pumps down to 5/8" • Shut-off is 10 ft. • Up to 390 GPH • Garden hose discharge connection • 1/10 hp

1-YEAR WARRANTY

ITEM NO.	MFG #	SIZE	QTY.		
521261	2110	1/10 HP	1		

BATTERY BACK-UP SUMP PUMP SYSTEM

• Fully automatic sump pump system will operate in the event of primary pump failure or power outage • Includes 12V pump, mounting tee, check valve, fittings and battery case • Battery not included • 1-1/4" discharge; 30 GPM max. discharge; 15 ft. max. total head

ITEM NO.	MFG #	QTY.		
521043	DB10018T	1		

UNIVERSAL SUMP PUMP DISCHARGE HOSE

• Kit contains 24 feet of corrugated tubing, one 1-1/4" and 1-1/2" plastic male adapters, for both 1-1/4" & 1-1/2" discharge purges

ITEM NO.	MFG #	QTY.		
521030	FP0012-6U-P2	1/8		

HOSE KIT

• #521029 suction hose kit contains: 2" x 15' hose with fittings and suction screen • #521031 discharge hose kit contains: 2" x 25' hose with fittings and fire hose nozzle

ITEM NO.	DESC.	QTY.		
521029	SUCTION HOSE KIT	1		
521031	DISCHARGE HOSE KIT	1		

GEYSER® SUBMERSIBLE UTILITY PUMP

• Rugged thermoplastic body • Removes water down to 1/8" • 1-1/4" discharge with garden hose adapter • Oil-cooled thermally protected motor • 8-ft. cord • Up to 1320 GPH • Shut-off 25 ft. • 1/4 hp

1-YEAR WARRANTY

ITEM NO.	MFG #	SIZE	QTY.		
521011	2305	1/4 HP	1		

SMART GEYSER® AUTOMATIC UTILITY PUMP

• Fully automatic operation, pumps only when you need it • One time installation, just plug and pump • 15', 115 volt power cord • Pumps down to 3/16" • 1800 GPH max • 1/4 hp

ITEM NO.	MFG #	SIZE	QTY.		
704001	2330	1/4 HP	1		

CAST IRON SUBMERSIBLE SEWAGE EJECTOR PUMP

• Ideal for basement installation, pumping below-grade toilets, laundry facilities and general dewatering • Rugged cast iron construction • Automatic operation • Handles up to 2" solids • Fits 18" diameter sewage basin • 115V motor with overload protection • Max lift is 18' • 5,450 GPH Max

1-YEAR WARRANTY

ITEM NO.	MFG #	DESC.	QTY.		
106423	3263	1/2 HP	1		

SUBMERSIBLE SEWAGE EJECTOR PUMP

• Durable, corrosion-resistant thermoplastic construction • Handles up to 2" solids • Thermoplastic impeller • 115V motor with 10-ft. power cord • 5250 GPH max discharge; 18 ft. max. total head • 1/2 hp

ITEM NO.	MFG #	SIZE	QTY.		
521038	S44018T	1/2 HP	1		

SUBMERSIBLE SEWAGE EJECTOR PUMP

• Cast iron • Tethered mechanical float switch • Handles up to 2" semi-solids • Shut-off is 18 foot • 2" discharge • 10-foot power cord • 110 GPM • 4/10 hp

ITEM NO.	MFG #	SIZE	QTY.		
521255	SC440110T	4/10 HP	1		

SUBMERSIBLE SEWAGE PUMP

• Class 30 cast iron construction • Handles up to 2" solids • Tethered mechanical float switch • Oil-filled motor, 115 volt, 13 amp max. load • Thermoplastic, vortex-type impeller • 2" discharge • Carbon/ceramic mechanical seal • 10-ft. power cord • Flow rates to 130 GPM, 18 ft. head • 1/2 hp

1-YEAR WARRANTY

ITEM NO.	MFG #	SIZE	QTY.		
704180	SC550110T	1/2 HP	1		

CAST IRON SUBMERSIBLE SEWAGE PUMP

• Class 30 cast iron construction • Tethered mechanical float switch • Non-clog semiopen vane fiberglass reinforced polypropylene oxide impeller handles up to 2" solids through a 2" discharge • 115-volt permanent split capacitor (PSC), oil-filled motor with 20-foot power cord and built-in thermal overload protection • Stainless steel exterior hardware and name plate • Heavy-duty lift out ring • Maximum temperature: 130°F • 9.5 amp max. load • UL and CSA listed • Max lift is 25' • 9,600 GPH Max

ITEM NO.	MFG #	SIZE	QTY.		
521316	SC650120T	1/2 HP	1		

PACKAGED SEWAGE SYSTEM

• Includes pump #521255 • 18" x 30" structural foam basin • Single piece cover with 2" discharge • Includes check valve • Snap-in 4" hub with stainless steel clamp • 80 GPM • Piping not included

ITEM NO.	MFG #	SIZE	QTY.		
521258	SP440120T	4/10 HP	1		

SHALLOW WELL JET PUMP

• Cast iron construction • Provides reliable performance to water levels down to 25 ft. • 115 volt motor • 30/50 psi pressure switch • Provides up to 5.1 GPM @ 40 psi • 1/2 HP

ITEM NO.	MFG #	SIZE	QTY.		
704002	2800-01	1/2 HP	1		

SHALLOW WELL JET PUMP

• Rugged cast iron housing construction • Provides excellent performance with good pressure for water levels down to 25 ft. • 30/50 psi pressure switch • Flow rates to 15 GPM, pressures to 70 psi • A.O. Smith 115/230 dual voltage motor

ITEM NO.	MFG #	SIZE	QTY.		
704006	FNC-L	1/2 HP	1		
704007	FND	3/4 HP	1		

CONVERTIBLE JET PUMP

• Shallow and deep well uses • One-piece stainless steel shaft • Cast iron casing • Lexan impeller • Pressures to 96 psi • Lifts to 90 feet • Flow rates to 20.6 GPM • 1-1/4" suction, 1" discharge, 1" drive • 30/50 psi pressure switch • A.O. Smith motor, 115/230 dual voltage

1-YEAR WARRANTY

ITEM NO.	MFG #	SIZE	QTY.		
704173	FLC-L	1/2 HP	1		
704175	FLD-L	3/4 HP	1		

4" SUBMERSIBLE WELL PUMP 2-WIRE

• For wells with water levels as deep as 300 ft. • Patented floating stack design for sand resistance and reduced sand locking • Corrosion-resistant stainless steel pump and motor housing • Heavy-duty 1-1/4" discharge connection • Precision-molded impellers and diffusers • Includes built-in check valve • Water filled submersible motor • 230V, 2-wire

3-YEAR WARRANTY

ITEM NO.	MFG #	SIZE	MAX. LIFT@ 40 P.S.I.	VOLTAGE	QTY.		
106424	2850G	1/2 HP	140 FT	230V	1		
106425	2855G	3/4 HP	200 FT	230V	1		
106426	2860G	1 HP	300 FT	230V	1		

WATER REMOVAL SYSTEM

• Removes waste water from laundry trays, wet bars, sinks, dehumidifiers and other applications not containing large quantities of solids • Includes 10-foot power cord • Includes cast iron sump pump #521253

ITEM NO.	MFG #	SIZE	QTY.		
521249	DP233110V	1/3 HP	1		

WATER PRESSURE BOOSTER SYSTEM

• Total home water pressure booster system • Fully automatic system increases and maintains household pressure • Factory assembled and ready to install with 6', 115 volt power cord • 3/4 hp motor with stainless steel pump housing • Boosts water pressure an additional 40 psi • 26 GPM maximum • 1" inlet and outlet

3-YEAR WARRANTY

ITEM NO.	MFG #	SIZE	QTY.		
704000	3075SS	3/4 HP	1		

TRANSFER PUMP

• Heavy-duty plated bronze volute for durability • Convenient transfer pump for household use • Portable and lightweight • Removes water down to 1/8" with water suction attachment (included) • 115 volt, 350 GPH

ITEM NO.	PKG.	QTY.		
521200	BOX	1		

SELF-PRIMING SPRINKLER PUMP

• Ideal for lawn sprinkling, garden irrigation, dewatering, and booster service • Corrosionresistant, fiberglass-reinforced, thermoplastic housing • Self-priming • 115/230V (factory set at 230V) • 1-1/2" suction and discharge connections • 1-1/2 HP

1-YEAR WARRANTY

ITEM NO.	MFG #	SIZE	QTY.		
106427	3415P	1-1/2 HP	1		

Free, Punctual Delivery to Los Angeles, Orange, and Ventura counties!

SUBMERSIBLE SUMP PUMP

• Integral IntelliSwitch™ with no moving parts for the most reliable automatic on/off operation • 1-1/2" center discharge allows for suspended installation from sump basin cover • 1/3 hp, 115 volts • Thermoplastic motor housing and base

ITEM NO.	MFG #	SIZE	QTY.		
521268	TSW-SP	1/3 HP	1		

SUMP PUMP PACKAGE

• Integral IntelliSwitch™ with no moving parts for the most reliable automatic on/off operation • 1-1/2" center discharge allows for suspended installation from sump basin cover • 22" basin included • 1/3 hp, 115 volts • Thermoplastic motor housing and base

ITEM NO.	MFG #	SIZE	QTY.		
521269	TSW-B22A	1/3 HP	1		

PACKAGED SEWAGE SYSTEM

• Large capacity roto-molded polyethylene 20" x 30" basin with ribs for added strength • 2" discharge w/check valve • Includes .4 hp 9S series sewage ejector pump

ITEM NO.	MFG #	SIZE	QTY.		
521270	9S-SMPX-LG	4/10 HP	1		

SUBMERSIBLE UTILITY PUMP

• Use fully or partially submerged • Durable polypropylene housing • High-quality sealed motor with overload protection • 1" NPT outlet with garden hose adapter • Removes water from any flat surface down to 1/8" • Fits in a 7" diameter opening

1-YEAR WARRANTY

SCALE REMOVAL SYSTEM

• Scale removal system removes line buildup in tankless water heating units • Features include internal reusable filter sock, preassembled - includes hoses, tank, pump and fittings • The pump is 1/6 HP, 115V, air filled, quiet running pump • The 5-gallon tank and lid are made of polyethylene with stainless steel hardware

ITEM NO.	MFG #	QTY.	
105722	109	1	

DRAIN PUMP

• 1/2 HP, preassembled drain pump in 115V, single phase has a 9' UL listed cord, and a non clogging vortex impeller • Optional top or side inlet, and there are no inlet filters or screens to clean

ITEM NO.	MFG #	QTY.	
105723	132-0001	1	

SEWAGE PUMP SYSTEM

• The 910 simplex package comes with a 115V, model 264 pump, 18" x 30" polyethylene basin, and 2" cast iron check valve • Comes unassembled

ITEM NO.	MFG #	QTY.	
105721	910-0023	1	

SEWAGE PUMP SYSTEM

• The 912 simplex packaged system consists of a BN2654, 4/10 hp, 115V, single phase pump, a 24" x 30" polystructural foam basin with fiberglass lid

ITEM NO.	MFG #	QTY.	
105720	912-0080	1	

BASEMENT SENTRY

• The Basement Sentry system is an emergency backup system for clear water when pumps fail or when power is lost • 115V, 12V DC battery backup pump, comes with all required fittings and a battery case that will house most all size 27 marine batteries

ITEM #	MFG #	QTY.		
105719	507-008	1		

SEWAGE REMOVAL SYSTEM

• System includes ½ HP mini grinder pump, preassembled pump and tank which can be used with a variety of rear outlet toilets • Designed to accomodate a toilet, lavatory, bathtub an/or shower

ITEM #	MFG #	QTY.		
105714	203 ULTIMA	1		

GRINDER PUMP

• The 820 grinder pump comes with a 2 HP, single-phase, oil-filled hermetically sealed motor • The case is made of durable heavy-duty finned cast iron construction, with hardened stainless steel cutter and disc • Also automatic with integral controls which means no control panel required

ITEM #	MFG #	QTY.		
105715	820-011	1		

ALL-IN-ONE HOME WATER SUPPLY SYSTEM PUMP

• Completely integrated system includes: pump, pressure tank, controller, dryrun protection and check valve • Designed for home water supply • Whisper quiet operation • Self-cooling design

DOUBLE EYE WASH AND FACE WASH STATION

• Plastic station with two 16-oz. bottles of saline solution • Wide mouth bottles provide initial flushing for alkali and acid splash • Safety sealed and dated to guard against contamination • Meets ANSI Z358.1-1998 (as a personal eye wash only)

ITEM #	MFG #	QTY.		
556061	7349	1/6		

EYESAVER® GOOSENECK FAUCET WITH EYEWASH

• This patented design incorporates two separate water channels in the faucet body one for the eyewash and the other for the faucet • A simple pull activates the eyewash and delivers a safe water temperature to the eyes each and every time • The faucet always remains functional • Independently operating eyewash & faucet • Pull activation eyewash • Gooseneck faucet is fully functional at all times • Meets ANSI Z 358.1

ITEM #	MFG #	QTY.		
194621	SEF-1800	1		

LF THESE PRODUCTS MEET THE STRICT LEAD-FREE STANDARDS OF THE SAFE DRINKING WATER ACT.

EYEWASH AND HANDHELD DRENCH SHOWER

• Valve: 3/8″ chrome-plated brass with automatic stay open feature when valve is activated • Spray Heads: Twin aerated spray heads with dust caps • Unit can be deck moun- ted on counter tops up to 2-½″ thick, or used as a hand-held drench hose • Hose: 6' of reinforced hose, 750 psi burst pressure • Supply: ½″ NPTF inlet • 45° swivel head • Deck 1″ Max thickness, 2-¼″ min from all

ITEM #	MFG #	QTY.		
SX-0280065	S19-465EFW	1		

EYESAVER SERVICE SINK FAUCET WITH DRENCH HOSE

• The eyewash is attached directly to the faucet's cold water integral stop cavity and permits both units to operate independently • As a result only one plumbing connection is required and there is never a worry about delivering scalding water to the eyes • The unique design is equally beneficial for new installations as well as retrofits • Indepen- dently operating eyewash/drench hose & service sink faucet • Eyewash/drench hose attaches to faucet cold water integral stop • Fully functional service sink faucet • Meets ANSI Z 358.1

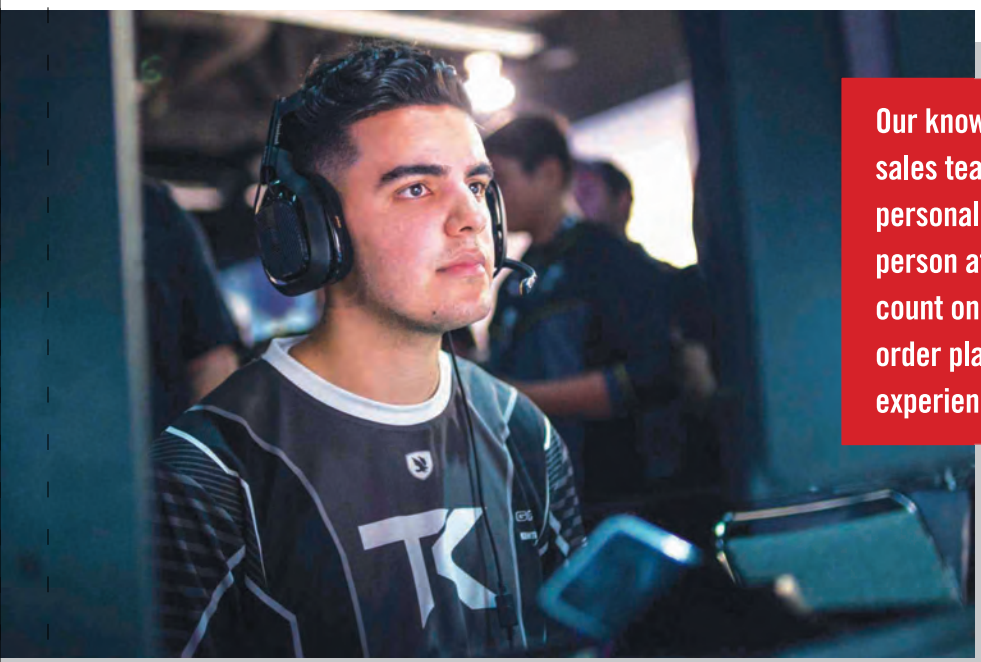
We stock more than 15,000 products in our store.

Hardware & Apartment Supply is a leading provider of high-quality national and international brands that your professional maintenance team and managers use daily. We stock more than 15,000 products in our store. Hardware & Apartment Supply is committed to continuously adding new products to make sure we're always offering the latest technologies and materials.

Our priority is to offer products and services that have great value in keeping your apartment maintenance costs down while increasing your profitability. By offering reliable products, Hardware & Apartment Supply saves you money by preventing the need to repeatedly replace the same parts, which leads to higher tenant satisfaction and lighter maintenance workloads.

Easy Ordering and Payment Options



Our knowledgeable account representatives and sales team are available to provide one-on-one personal service over the phone, by e-mail, or in person at your convenience. You can always count on Hardware & Apartment Supply to make order placement, service, and delivery an easy experience.

Open a Commercial Charge Account

Opening a new account simply takes one day. Complete the credit application found at the back of this catalog and fax it to 818.347.7711.

Already know what your maintenance need is today? Orders can be made via fax, telephone, or email.

Fax Us at 818.347.7711

Fill out the order form located at the back of the catalog and e-mail it to ApartmentHardware@gmail.com or fax it to 818.347.7711.

Call Us at 1.888.98HASCO

Place your order over the phone and call us at 1.888.98HASCO. Orders can be taken over the phone between the hours of 8:00 AM to 5:30 PM Monday through Friday and 8:00 AM to 4:00 PM on Saturday.

Preferred Partner Agreement

Call Hardware & Apartment Supply's sales office for details about how you can benefit from this program.

For your payment convenience, we accept checks and all major credit cards.

MasterCard AMERICAN EXPRESS VISA

Special Orders:

Hardware & Apartment Supply Co., Inc. has partnerships with a wide range of suppliers giving us access to almost any apartment maintenance product you'll need.

Is there a product you need, but don't see it in this catalog? If you answered yes, then Hardware & Apartment Supply can help you find it quickly with no extra charge or delay.

Hardware & Apartment Supply's sales team will give you a written quote within 24 hours. Approve the quote and your special order will arrive to your door step.

A world leader in product safety testing and certification.

EcoSource
Products that are part of our green purchasing program. These products meet one or more of the following high-performance categories: Water Conservation, Energy Efficiency, Indoor Air Quality, and/or Material Selection.

National Sanitation Foundation
Products which are certified under the NSF American safety and certification standard.

Hazardous Material
Products contain hazardous materials and may require special handling and are subject to additional charges.

Lead-Free
Products that meet the strict lead-free standards of S. 3874, The Safe Drinking Water Act.

Energy Saver
Products that have energy-saving features.

Mercury-Free
Products that do not contain mercury.

ADA-Approved
Products that are ADA-approved for use under the Americans with Disabilities Act.

Universal Product Code
Barcode mainly used for scanning of trade items at the point of sale

Water Saver
Products that have water-saving. features.

Made In the USA
Products that are made in the United States of America.

FOR WARRANTY SERVICE CONTACT GENERAL ELECTRIC AT 1-800-GECARES (800-432-2737). PLEASE HAVE THE MODEL AND SERIAL NUMBER AVAILABLE WHEN CALLING.

AMANA EXTERIOR GRILLE

• Stamped aluminum exterior grille for use with 497156 wall sleeve

ITEM #	MFG #	QTY.	
497157	SGK01B	1	

AMANA CONDENSATE DRAIN KIT

• Attaches to wall sleeve base pan for controlled internal or external disposal of condensate
• For use with C, D and E series sleeves

ITEM #	MFG #	QTY.	
497158	DK900D	1	

AMANA WIRELESS PTAC REMOTE THERMOSTAT

• The DigiSmart Wireless Remote Thermostat can mount on the wall anywhere in the guest room • Battery-powered with its own wireless ability to communicate with the PTAC via RF communications to maintain room temperature • The thermostat features a built-in infrared motion sensor for even better occupancy detection when used with the Amana DD01E • Best of all, no wires to run • The PTAC and thermostat connect at the press of a button and are permanently linked • The thermostat and PTAC work in-sync to display accurate temperature • Requires four AA batteries - included • Requires DT01A • The thermostat can also be hard wired to the PTAC unit for power instead of using batteries, as well as wired to an optional magnet door sensor via a low voltage terminal located in the thermostat

ITEM #	MFG #	QTY.	
497159	DS01C	1	

AMANA DIGISMART OCCUPANCY SENSOR

• The DigiSmart Occupancy Sensor completes the in-room equipment • This infrared sensor can determine if the room is occupied or empty and when empty, signal the PTAC to adjust the temperature to save energy based on programmable setbacks • Remote antenna required for operation Requires two AAA batteries - included • Requires DT01A • The occupancy sensor can be hard wired for power instead of using batteries

ITEM #	MFG #	QTY.	
497160	DD01C	1	

AMANA PTAC REMOTE ANTENNA

• The DigiSmart Wireless Radio Frequency (RF) Antenna installs inside the PTAC with a snap-in connector like a telephone jack • Installing the antenna allows the PTAC to communicate wirelessly with other devices in the room and to the DigiSmart network • Antenna is require for use with all Amana approved RF wireless accessories • One antenna is required for each PTAC

ITEM #	MFG #	QTY.	
497161	DT01A	1

We stock more than 15,000 products in our store.

Hardware & Apartment Supply is a leading provider of high-quality national and international brands that your professional maintenance team and managers use daily. We stock more than 15,000 products in our store. Hardware & Apartment Supply is committed to continuously adding new products to make sure we're always offering the latest technologies and materials.

Our priority is to offer products and services that have great value in keeping your apartment maintenance costs down while increasing your profitability. By offering reliable products, Hardware & Apartment Supply saves you money by preventing the need to repeatedly replace the same parts, which leads to higher tenant satisfaction and lighter maintenance workloads.

1,500-WATT WALL HEATER

• Field convertible to a choice of wattages/voltages • Heavy 20-gauge steel white grille • Built-in adjustable thermostat • Mounts between studs or on surface • Alloy heating element provides heat in seconds • Complete assembly removes from housing for easy cleaning • Factory wired to 2,000 watts

ITEM #	MFG #	QTY.		
653137	178	1		

ELECTRIC BASEBOARD HEATERS

• The electric baseboard heater is the number one choice for low-cost installation, and the quiet operation makes it the preferred heater for bedrooms • The electric baseboard heater uses convection to circulate air • By superior design and proper placement under a window area, the electric baseboard case causes air to flow naturally • The cold air falls from the window area as the warm air rises from the heater, causing the air to tumble gently throughout the room • It is recommended to use a wall-mounted thermostat for optimum performance, or you may prefer the convenience of an optional field-mount thermostat kit • Almond

RELAY/CAPACITOR HARD START KIT

• Increased compressor starting torque • Designed for use on permanent split capacitor single-phase A/C and heat pump systems • Multiple use includes: room air conditioner units, residential or commercial PSC AC units

ITEM #	MFG #	DESC.	BTU	HP	QTY.		
661390	SPP5	300% INCREASE STARTING TORQUE	4,000 - 120,000	1 1/2 - 10	1/10		
661389	SPP6	500% INCREASE STARTING TORQUE	4,000 - 120,000	1 1/2 - 10	1/10		

SPP7S SUPER BOOST STARTER

• Increases starting torque up to 600%
• Only slightly larger than original capacitor
• Easily installs across run capacitor terminals • For all PSC A/C units from 4,000 - 120,000 BTU

ITEM #	MFG #	DESC.	QTY.		
661396	SPP7S	1/2 HP - 10 HP	1/10		

SPP8 SUPER BOOST 8 STARTER

Increases starting torque up to 690% • Installs in seconds • Contains specially designed relay and larger start capacitor for severe hard start problems • For all PSC A/C units from 4,000 - 120,000 BTU • Can be used on 120 - 288VAC units • Replaces: Kickstart TO-5, Watsco WSX1, WSX2 • 1/2 HP-10 HP

ITEM #	MFG #	DESC.	QTY.		
661394	SPP8	1/2 HP - 10 HP	1/10		

SOLID STATE DELAY TIMER

• Used to prevent short cycling of compressor
• The delay on make is adjustable from 6 seconds to 5 minutes

ITEM #	DESC.	QTY.		
661424	DELAY ON MAKE; 6 SEC. - 8 MIN	1/12		
661425	DELAY ON BREAK; 6 SEC. - 5 MIN	1/20		

RBM TYPE 84 ENCLOSED FAN RELAY

• These relays have a multitude of uses, including: single and 2-speed fan motor, relay solenoids and other general switching applications

ITEM #	CONTACT ARRANGEMENT	REPLACEMENT FOR	COIL VOLTS	QTY.		
661361	SPNO	90-290Q	24	1/10

RBM TYPE 184 HEAVY-DUTY ENCLOSED FAN RELAY

• These relays have a multitude of uses, including: single and 2-speed fan motor, relay solenoids and other general switching applications

ITEM #	CONTACT ARRANGEMENT	REPLACEMENT FOR	COIL VOLTS	QTY.		
661370	SPDT	90-370	24	1/10		
661375	SPNO	90-380	24	1/25		

RBM TYPE 184 HEAVY-DUTY ENCLOSED FAN RELAY

• Single and double pole, compact-type C25 • Equipped with, 5/16″ hex washer head screws and ¼″ quickconnects on each terminal • Most commonly found in applications such as refrigeration, air conditioning and resistance heating (HVAC) • Suitable for a wide range of other low-cycle duty applications requiring low cost switching of single and three-phase loads • Universal mounting plate eliminates changing hole patterns when replacing competitive devices • Features: Universal mounting plate common through 75 amperes, variety of terminal styles for specific application needs, snapon accessories require no tools, simple coil change, convenient non-position sensitive mounting • Benefits: Low-cost contactor solution; hassle-free installation and maintenance

TIME DELAY FAN/HEAT SEQUENCER

• 240-volt • Will carry 1-5 KW heat element • 1 normally open switch • Mounted on metal plate • 24-volt control coil • Heat-up in 1 -24 seconds • Cool-down in 45-75 seconds

ITEM #	QTY.		
661341	1/50		

TIME DELAY FAN/HEAT SEQUENCER

• 240-volt • Will carry 2-5 KW heat element • 2 normally open switches • Mounted on metal plate • 24-volt control coil • Heat-up in 30 -70 seconds • Cool-down in 1-40 seconds

ITEM #	QTY.		
661343	1/50		

GS106 DOUBLE-TIMING FOUR-SWITCH SEQUENCER

• 240-volt • Will carry 2.5 - 5 KW heat element • 2 normally open switches • Mounted on metal plate • 24-volt control coil • Heat-up on in 1 - 24 seconds • Cooldown off in 45 -75 seconds

ITEM #	QTY.		
505008	1/50		

SINGLE-TIMING TWO-SWITCH SEQUENCER

• 240-volt • Will carry 2.5 KW heat element • 2 normally open switches • Mounted on metal plate • 24-volt control coil • Heat-up on in 1-24 seconds • Cool-down off in 45-75 seconds

ITEM #	QTY.		
661449	1/50		

SEQUENCER

• Time delay relay • 24-volt coil • On: 1-25 seconds • Off: 65-115 seconds • Replacement for Goodman B13707-38

ITEM #	QTY.		
594539	1/112		

GS105 DOUBLE-TIMING THREE-SWITCH SEQUENCER

• 240-volt • Will carry 3.5 KW heat element • 3 normally open switches • Mounted on metal plate • 24-volt control coil • Heat-up on in 1 - 110 seconds • Cool-down off in 1 - 110 seconds

ITEM #	QTY.		
661451	1/50		

ELECTRIC HEAT RECOIL KIT

• Each kit contains close wound coil (not stretched), 2 male, 2 female bushings, terminal screws, nuts and washers • Note: Coils should be stretched a minimum of 1-1/2, to a maximum of 5 times the close wound length • 506500 Includes fuse link

ITEM #	MFG #	DESC.	TYPE	QTY.			
506500	DH500	5 KW	5 KW, LESS FUSE LINK	5 KW			

MICROTEMP THERMAL CUTOFF

• For electric furnaces, heat pumps and duct heaters • Known as a ˝one shot˝ or TCO • Provides low-cost protection against over-heating • Saves labor and time, complete unit is easily replaced
• Max recommended operating current - 15 amp
• Max recommended operating voltage - 250-volt

STACK SWITCH

• Use with two or three-wire controller • Interrupted ignition, 550 VA • Cycles the burner on demand of the thermostat and shuts down burner upon flame loss • Includes manual trip safety lever to assure burner shut-down during servicing

ITEM #	MFG #	QTY.		
506612	RA117A1047	1/10		

OIL BURNER PROTECTORELAY INTERMITTENT CONTROL

• Provides automatic, nonrecycling control of an intermittent ignition oil burner system • Controls oil burner, oil valve (if desired) and the ignition transformer in response to a call for heat • Solid state flame-sensing circuit • LED on terminal strip indicates system lockout • Remote lockout indication available on some models • Enclosed safety switch with external reset button • Manual trip-lever opens safety switch for system maintenance • Mounts on standard 4 x 4 in. junction box, select models may be mounted directly on burner housing • C554A cadmium sulfide flame detector and 24VAC thermostat required

HASCO | EST. 1984

DIAL THERMOSTAT, 2-STAGE HEAT/COOL NON-PROGRAMMABLE

• Multi-stage thermostat that can be used with most 24 volt, 2-stage heat and/or 2-stage cool: gas, oil, or electric heating and air conditioning systems, or single-stage heat pumps or single-stage heat with auxiliary heat • Features: white finish • Dial thermostat, non-programmable • System powered only • Temperature range 50° F to 90° F • Easy to install • Gas/Electric blower fan option • 4-minute delay for compressor short-cycle protection • Functions: room temperature settings • Cool/Heat mode selection • Terminals: O/B, G, W2, Y2, Y1/A, W1, RH, RC, C
1-YEAR WARRANTY

ITEM #	MFG #	QTY.		
119084	119084	1/72		

DIGITAL THERMOSTAT, NON-PROGRAMMABLE

• Non-programmable single-stage Heat/Cool thermostat with large LCD display screen • The thermostats are designed to operate with most gas, oil, electric or 2-wire systems and air conditioning systems that have 24-volt or millivolt control • Features: 24-volt with battery backup • 1 AA battery (included) • Backlight • F/C temperature selectable indicator • Static Protection • High/Low temperature protection • Compressor short-cycle protection • Separate O&B terminals • Quick-connect wiring terminal • Gas, oil and electric systems • Heat pump systems • Millivolt system
1-YEAR WARRANTY

16. Water Pressure Regulator
17. Circulating Pump
18. Zone Valve

COMBINATION BOILERS - HIGH-EFFICIENCY SPACE AND WATER HEATING

• The EFT combination appliance represents the latest innovations in high-efficiency space heating and hot water • This advanced modulating gas condensing boiler has up to 93% AFUE • The EFT is made of a durable high-grade stainless steel fire tube heat exchanger and a stainless steel indirect storage tank which eliminates temperature fluctuation

ITEM #	MFG #	BTUH	AFUE (%)	HEIGHT/DIAMETER	QTY.

MC SERIES NAT/LP GAS BOILERS

• The HTP MC Series sets the standard for economy, ease of operation, and energy conservation • Modulating condensing technology and a compact wall-hung design ensure that the gas-fired MC Series Heater is not only highly efficient, but is easy to install and will provide years of low cost operation • The HTP MC Series (we can't call it a boiler) offers a variety of input options starting at 55,000 BTUs and has a turndown ratio of 3 to 1 and uses natural gas or liquid propane producing up to 93% efficiency • The HTP MC Series offers installation flexibility through easy to install PVC venting and a built in ULC S636 compliant CPVC adapter

THE HW/HV100 GAS-FIRED RESIDENTIAL BOILERS COMBINE APPLICATION FLEXIBILITY WITH HIGH EFFICIENCY. WHETHER VENTED THROUGH A CONVENTIONAL CHIMNEY OR THROUGH THE WALL (HV), THE HW/HV OFFER EFFICIENT, DEPENDABLE SERVICE.

PIONEER 55 GAL BOILERS

• The Pioneer heating appliance is the most innovative advancement in heating technology to appear in a decade, designed to compete directly with mid-efficiency atmospheric and power-vented boilers • With its sleek profile and appliance finish, this modulating condensing heater combines the advantages of thermal mass with the simple installation and maintenance of a cast iron boiler • The HTP Pioneer offers a variety of input options starting at 100,000 BTUs and has an outstanding turndown ratio of 5 to 1 and uses natural gas liquid propane producing up to 95% efficiency • The HTP Pioneer offers an impressive combined 200 feet vent length allowing incredible installation flexibility through easy to install PVC venting and a built in ULC S636 compliant CPVC adapter

ELITE NAT/LP GAS BOILERS

• Incorporating the latest advancements in low mass modulating condensing boiler technology, the Elite boiler has best in class features throughout the design making it the most efficient product in the market and at a competitive price • Its aesthetic appeal, versatility, and serviceability make it the right choice for residential or light commercial hydronic space heating • The HTP Elite Heating Boiler offers a variety of input options starting from 80,000 BTUs and has an outstanding turndown ratio above 5 to 1 and uses natural gas or liquid propane producing up to 98% efficiency • The HTP Elite Heating Boiler offers an impressive combined 200 feet vent length allowing for incredible installation flexibility through easy to install PVC venting and a built in ULC S636 compliant CPVC adapter

ELITE FIRE TUBE NAT/LP GAS BOILERS

• The Elite FT Heating Boiler from HTP features an exclusively designed stainless steel heat exchanger with superior heat transfer and less exposure to corrosion and scale buildup • Built with serviceability in mind; the sleek, robust design requires little to no maintenance and is offered as a space saving wall mount unit • Featuring a fully modulating combustion system and extreme efficiencies up to 97%, the HTP Elite FT Boiler is the best option for today's green market • The HTP Elite FT Heating Boiler offers a variety of input options starting from 55,000 BTUs and has an outstanding turndown ratio of 5 to 1 and uses natural gas or liquid propane • The HTP Elite FT Heating Boiler offers an impressive combined 200 feet vent length allowing incredible installation flexibility through easy to install PVC venting and a built in ULC S636 compliant CPVC adapter

ASTRO 2 WET ROTOR CIRCULATOR

• The Astro 2 is a hydronic circulator that conserves energy and eliminates maintenance • Armstrong's Astro Circulator is intended for circulating water or ethylene glycol solutions in closed hydronic or solar heating systems • It is designed with no mechanical seals or couplers to replace, and no lubrication is required • Armstrong 3-speed circulator provides unmatched performance over a wide range of head and flow requirements • The 3-speed design allows users to match the requirements of an installation exactly • Features: Efficient/Quiet operation • UL and CSA listed • Benefits: No mechanical seals to leak • No couplers to break • No lubrication • Noryl impeller • Vent plug for initial purging if required • Stainless steel shaft • Ethylene propylene gaskets • Impedance protected motor • Reduced installation costs • Includes a removable check valve that eliminates the need for additional check valves in the system • For replacement installations, the check valve can be removed as required • International code compliance • Astro 2 units are ETL listed for the US and Canada and conform to UL std. 778 and Canadian electrical safety standards CSA std C22.2 No 108-01. • Technical data: Flow range: 0 to 18 USgpm (0 to 1.14 L/s), Head range: 0 to 24 ft (0 to 7.32 m), Motor: 115V, 60Hz, single-phase, Max. fluid temperature: Closed system, 230°F (110°C)*, Max. working pressure: 150 psi (1034 kPa)

BELL & GOSSETT CIRCULATING PUMP

• The Bell & Gossett ecocirc circulating pumps are full featured pumps that consume as little power as a common night-light • This lead-free pump utilizes an electronically commuted/permanent magnet motor, which by design is more efficient than an induction motor • In addition to lower power consumption (less than 14 watts), the ECM technology allows for many built-in features to be incorporated that makes installation of the pump less labor intensive • This model is a multi-speed model without a plug, 115V/1pH, and has ½″ NPT connection

HEATER ASSEMBLY WITH THERMOSTAT AND GRILL

• UL safety standards require the heater to be placed a minimum distance of 6 inches (15.2 cm) from adjacent surfaces and 4-1/2 inches (11.4 cm) from the floor. Cadet recommends a 12-inch clearance from all surfaces for longer and cleaner performance. A 3-foot (91.44 cm) minimum clearance is required for furniture or other objects placed directly in front of the heater. • Install vertically. This heater is not approved for horizontal or ceiling installation. • Electric wall heaters and thermostats work best when installed on an inside wall. We recommend installing the heater assembly after walls are finished. Heater must be cleaned every six months minimum.

130019	EC2GB122	BOX	1		
20 POSITION #4-14AWG CU-AL - 1 POSITION #6-2/0 CU-AL					
130026	EC3GB212	BOX	1		

CIRCUIT BREAKER PADLOCKING DEVICE

• Padlocking device used to lock a breaker in the "ON" or "OFF" position • The breaker will still trip when locked in the "ON" position • For use on the following Siemens breaker types: single pole QP, duplex QT, BL, QAF or double-pole QP, triplex or quadplex

ITEM #	MFG #	PKG.	QTY.		
FOR SINGLE-POLE AND TWIN BREAKERS					
156254	ECPLD1	BOX	1		
FOR DOUBLE-POLE AND QUADPLEX BREAKERS					
156256	ECPLD2	BOX	1		

WHOLE HOUSE SURGE PROTECTION CIRCUIT BREAKER

• Siemens SPD device provides whole house surge protection • This device takes up the space of 2 standard single pole breakers, but also includes two single pole breakers so you do not lose any space in your load center • Once connected to the panel, the SPD deviceprotects the entire paneland all branch circuits from surges • Initial clamping level is 240 volt

ITEM #	MFG #	AMPS	POLE	VOLTAGE	QTY.		
2465682	QSA1515SPD	2 X 15	SINGLE	240V	1		
2465683	QSA2020SPD	2 X 20	SINGLE	240V	1		

SPD4HOME WHOLE HOUSE SURGE PROTECTION

• Siemens SPD4home stops power surges from entering your home when installed at the main incoming service load center connected via a 20A breaker • An additional power quality feature we include within this unit is Ground Integrity Monitoring circuit, which monitors the health of the electrical systems neutral to ground bond • UL 1449 3rd edition • Rated for single-phase panels up to 400 amps • LED indicators • Audible alarm 10-YEAR WARRANTY

ITEM #	MFG #	POLE	VOLTAGE	PKG.	QTY.		
130093	SPD4HOME	SINGLE	120/240V	BOX	1		

SPD4TEL TELEPHONE SERVICE ENTRANCE SURGE PROTECTION

• SPD4tel is a 2-pair hardwired telephone service entrance surge protector designed to stop surges from entering your home via your incoming telephone service • The SPD4tel is designed for indoor applications • When com- bined with the SPD4home and SPD4coax, all primary surge entry points into the home are protected providing comprehensive whole-house protection • UL and cUL listed • Hardwired Telephone/ Modem/ Fax/DSL protection • Excep- tionally fast res- ponse time • Low insertion loss • Catastrophic surge circuit • Spike capacity 200 amps 5-YEAR WARRANTY

ITEM #	MFG #	PKG.	QTY.		
130095	SPD4TEL	BOX	1		

SPD4COAX COAXIAL CABLE SERVICE ENTRANCE SURGE PROTECTION

• SPD4coax is a coaxial service entrance surge protector designed to stop surges from entering your home via your incoming coax TV service • SPD4coax includes a section of coaxial cable with female-to-female splice for line side application • When combined with the SPD4home and SPD4tel, all primary surge entry points into the home are protected providing comprehensive whole-house protection • UL and cUL listed • Rated for CATV, DSS, TV, VCR, and Cable Modem • Standard Female to Female F connector • Catastrophic surge circuit • Spike

ITEM #	MFG #	PKG.	QTY.		
130094	SPD4COAX	BOX	1		

LOAD CENTERS

- Invertible for bottom-feed applications
- Convertible from main lug to main breaker • Combo cover for indoor devices
- Metal base pan • 120/240 volt only

UNVERSAL GROUND ROD CLAMP

• For ⅜″ - ¾″ copper clad or galvanized ground rods

ITEM #	MFG #	PKG.	QTY.		
461521	JWR	BAG	1/25		

GROUND WIRE PIPE CLAMP

• For connecting #2 thru #10 ground wire to ½″ thru 1″ water pipe or copper tube (check local codes) • Made of die-cast zinc alloy with zinc-plated screws

ITEM #	MFG #	PKG.	QTY.		
624016	62 0Z.	BOX	1/25		

BRONZE GROUND WIRE PIPE CLAMP

• For connecting #2 thru #10 ground wire to ½″ thru 1″ water pipe or copper tube (check local codes)

ITEM #	MFG #	PKG.	QTY.		
624009	B626A	BOX	1/25		

GROUND ROD CLAMP

5/8″ copper • UL approved for direct burial • Cast of high-strength corrosion-resistant copper alloy • Fits over 5/8″ ground rod • Hex head bolt • Accommodates wire sizes from #2 stranded to #10 solid • Bulk

ITEM #	MFG #	PKG.	QTY.		
624023	B412	BOX	1/50		

ALUMINUM & COPPER WIRE SPLIT BOLT CONNECTOR

ITEM #	MFG #	SIZE	PKG.	QTY.		
461537	APS06	FOR #6-10 STRANDED ALUMINUM	BAG	1/100		
461538	APS04	FOR #4-10 STRANDED ALUMINUM	BAG	1/100

3M SUPER 33 BLACK ELECTRICAL TAPE

• 3M Super 33+ is premium-grade vinyl electrical insulating tape • Highly conformable, super stretchy in all weather applications • Resists UV rays, abrasion, corrosion, alkalis, and acids • Flame-retardant up to 220°F • 7 mil and can be used as primary insulation for splices up to 600V

ITEM #	MFG #	PKG.	QTY.		
462030	06132-B	ROLL	1/10		

VINYL ELECTRICAL TAPE

• 7 mil • 10/sleeve

ITEM #	MFG #	SIZE	QTY.			
3466	3466	¾ IN. X 60 FT.	1/10			

PLASTIC COLOR-CODING TAPE

• 600 volt • 7 mil thickness • High-quality vinyl • 0° to 176°F • Excellent for electrical connections • ¾″ X 66 ft. rolls

PROFESSIONAL PVC ALL-WEATHER ELECTRICAL TAPE

• Temp. range -10° to +176°F (80°C) • 600 volt • Excellent memory

ORDER IN MULTIPLES SHOWN

ITEM #	MFG #	SIZE	QTY.		
EL3466	60	¾ IN. X 66 FT.	10/100		

FRICTION TAPE

• Adhesive compound on both sides • Meets A.S.T.M.-D69 • Overwrap electrical connections • Black cloth friction tape • 1000V minimum dielectric strength

ITEM #	MFG #	SIZE	PKG.	QTY.		
461103	461103	3/4 IN. X 60 FT.	BOX	1/10		

RUBBER TAPE

• 30 mil semi-cured rubber • Self-vulcanizing, waterresistant

ITEM #	MFG #	SIZE	PKG.	QTY.		
461102	5517	3/4 IN. X 22 FT.	BOX	1/10		

DUCT SEAL COMPOUND

• Seals around J-Boxes, flashings, service entries and more • Resists cracking, drying, shrinking • Cuts and trims easily and can be painted immediately after application • 20°F to 212°F working temperature; -40°F to 250°F service temperature

MADE IN THE USA

ITEM #	MFG #	SIZE	PKG.	QTY.		
441016	DX-1	1 LB.	BOX	1/50		

WIRE PULLING LUBRICANT

• Wax base for rubber, plastic, vinyl • Non-toxic, nonstaining • High temperature stability to 200°F (93°C) • 1 quart

MADE IN THE USA

ITEM #	MFG #	QTY.		
823113	15-236	1/12		

ALUMINUM OXIDE INHIBITOR

• Seals out oxygen and moisture • Inhibits aluminum oxidation in electrical connections • Temperatures from 460°F down to 0°F • Non-toxic • 4 oz.

MADE IN THE USA

ITEM #	MFG #	QTY.		
823112	CTB	1/12		

ELECTRIC MOTOR CONTACT CLEANER

• Non-flammable • Non-conducting • Great for cleaning alternators, generators, starters, contact relays, electric components, brake linings and CV joints

MADE IN THE USA

We stock more than 15,000 products in our store.

Hardware & Apartment Supply is a leading provider of high-quality national and international brands that your professional maintenance team and managers use daily. We stock more than 15,000 products in our store. Hardware & Apartment Supply is committed to continuously adding new products to make sure we're always offering the latest technologies and materials.

Our priority is to offer products and services that have great value in keeping your apartment maintenance costs down while increasing your profitability. By offering reliable products, Hardware & Apartment Supply saves you money by preventing the need to repeatedly replace the same parts, which leads to higher tenant satisfaction and lighter maintenance workloads.

Hardware & Apartment Supply Co.

METALLIC LIQUID-TIGHT CONDUIT DIRECT BURI

• Steel-cored liquid tight offers maximum strength and flexibility • Sunlight, moisture, chemical and crush-resistant • Rated for direct burial

15-AMP TAMPER-RESISTANT GFCI

• Meets 2008 NEC requirement for tamper resistance & 2006 UL943 requirements • SmartLockPRO reduces possibility of end-user incorrectly assuming that reset GFCI outlet is providing ground fault protection • 4 sets of contacts for load terminals and face • Improved immunity to high-frequency noise reduces nuisance tripping • Design provides superior resistance to electrical surges and over-voltages • Silver alloy contacts • 15 amp - 125 volt with 20 amp feed thru • 9 back-wire holes

ITEM #	MFG #	COLOR/FINISH	PKG.	QTY.		
608154	T7599-W	WHITE	BOX	1/10		
608155	T7599-I	IVORY	BOX	1/10		
2472779	X7599-T	LIGHT ALMOND	BOX	1/10		

15-AMP WEATHER-RESISTANT SMARTLOCKPRO GFCI RECEPTACLE

• 2008 NEC Code-Compliant • Professional-grade lockout action, dead-face design and end-of-life indication offer superior ground fault protection • White TEST and RESET buttons w/ indicator light, stainless steel strap, terminal and mounting screws • Meets UL 498 requirements for weather-resistant receptacles

ITEM #	MFG #	COLOR/FINISH	VOLTAGE	CONFIGURATION	PKG.	QTY.		
606770	W7599-W	WHITE	125	NEMA 5-15R	BOX	1/10		

15-AMP GFCI

• Meets 2006 UL943 requirements • SmartLockPRO reduces the possibility of end-user incorrectly assuming that reset GFCI outlet is providing ground fault protection (when in fact it is not) • 4 sets of contacts for load terminals and face • Improved immunity to high-frequency noise reduces nuisance tripping • Design provides superior resistance to electrical surges and over-voltages • Silver alloy contacts • 15 amp-125 volt with 20 amp feed-thru • 9 back-wire holes

ITEM #	MFG #	COLOR/FINISH	PKG.	QTY.

606760

MULTI-TECHNOLOGY WALL SWITCH OCCUPANCY SENSOR

• Self-Adaptive Technology: callbacks for adjustment are eliminated • Time-delay and sensitivity settings are continually adjusted to occupant patterns of use in auto adapt mode • Exclusive Walk-through Feature: provides increased energy-savings by not leaving the lights ON for an extended period after only momentary occupancy • Convenient pushbutton: Provides manual ON/OFF light switch at any time • Adjustable Horizontal Field of View (PIR): May be adjusted between 180 degree and 32 degree of arc by using integral blinders located on either side of the lens • Optional Manual Adjustments for Delayed OFF Time Settings: Allows customized adjustments to maximize energy savings • Ambient Light Recognition: Integrated photocell prevents lights from turning ON when the room is adequately illuminated by natural light • 1200 sq. ft. Major Motion Coverage • 800W@120V INC, 1200VA@120V FL, 2700VA@277V FL, 1/4 HP@ 120V Motor • Commercial-grade • California Title 24 Compliant

We stock more than 15,000 products in our store.

Hardware & Apartment Supply is a leading provider of high-quality national and international brands that your professional maintenance team and managers use daily. We stock more than 15,000 products in our store. Hardware & Apartment Supply is committed to continuously adding new products to make sure we're always offering the latest technologies and materials.

Our priority is to offer products and services that have great value in keeping your apartment maintenance costs down while increasing your profitability. By offering reliable products, Hardware & Apartment Supply saves you money by preventing the need to repeatedly replace the same parts, which leads to higher tenant satisfaction and lighter maintenance workloads.

4-WAY TOGGLE SWITCH SELF-GROUNDING

• Standard toggle switches provide the basic ON/ OFF control for home lighting and appliances • Tough thermoplastic with ultrasonically welded cover and base • Elongated strap for easier wall box mounting • Hi-visibility yellow base for easy installation • Quiet snap-action mechanism • Multiple-drive Slot/Phillips/Robertson head screws • Side-wire terminations

We stock more than 15,000 products in our store.

Hardware & Apartment Supply is a leading provider of high-quality national and international brands that your professional maintenance team and managers use daily. We stock more than 15,000 products in our store. Hardware & Apartment Supply is committed to continuously adding new products to make sure we're always offering the latest technologies and materials.

Our priority is to offer products and services that have great value in keeping your apartment maintenance costs down while increasing your profitability. By offering reliable products, Hardware & Apartment Supply saves you money by preventing the need to repeatedly replace the same parts, which leads to higher tenant satisfaction and lighter maintenance workloads.

WORRY-FREE 10 YEAR IONIZATION WIRE-IN SMOKE ALARM WITH BATTERY BACKUP

• 10-year worry-free smoke alarms protect against tampering with a sealed in lithium battery • "End of Life" indicator • Interconnected

ITEM #	MFG #	QTY.		
2475141	21010407-A	41645		

AC/DC IONIZATION SENSOR DIRECT-WIRE BATTERY BACKUP SMOKE ALARM

• Ionization sensor • AC quick-connect wiring pigtail installs quickly with snap-on harness • Interconnects up to 24 units • Adjustable mounting bracket allows for fast installation and perfect alignment • Front-loading battery door allows battery change without removing alarm from bracket • Tamper-resistant features lock the unit to the base or battery door • Hush feature silences nuisance alarms
5-YEAR LIMITED WARRANTY

ITEM #	MFG #	PKG.	QTY.			
604027	1276E	BOX	1/6			

DC IONIZATION SMOKE ALARM

• Powered by one 9V battery (included) • Test button and low battery indicator • Flashing red light power indicator • Compact 3-7/8" size • Easy installation • Complies with FHA, HUD, NFPA and Cal. State Fire Marshal • Special twist-off mounting bracket included • 4" diameter • Ionization
3-YEAR LIMITED WARRANTY

ITEM #	MFG #	PKG.	QTY.			
610106	914	BOX	1/12			

DC IONIZATION SENSOR SMOKE ALARM WITH TEST BUTTON

• Solid state circuitry • 5" diamter • FHA, HUD, NFPA and Cal. State Fire Marshal approved • 9V battery included • Ceiling or wall mounting • Flashing red LED low battery indicator • Test button • UL217 listed
5-YEAR LIMITED WARRANTY

ITEM #	MFG #	PKG.	QTY.			
SS700A	915	CARD	1/12			

AC/DC IONIZATION SENSOR DIRECT-WIRE SMOKE ALARM

• 120V 9V • With battery backup in case of power failure • Single or multiple station capability up to 24 units • Low battery indicator • Fits all standard electrical box configurations • Quick-disconnect • Flashing red LED light indicates which unit in the multi-station is the originating alarm • Green light indicates 120VAC power • FHA, HUD, NFPA and California State Fire Marshal approved • AC/DC powered with battery backup included
5-YEAR WARRANTY

ITEM #	MFG #	PKG.	QTY.

610108	1275	BOX	1/6			

KIDDE DC PHOTOELECTRIC SMOKE ALARM

• The Kidde PE9E is a battery operated smoke alarm, equipped with a Photoelectric sensor, designed to alert you and your family to the dangers of smoke and fire • The PE9E includes a 9V battery, protecting you even during a power failure • UL listed
5-YEAR LIMITED WARRANTY

ITEM #	MFG #	PKG.	QTY.			
290567	PE9E	BOX	1/12			

APPROVALS: FHA (FEDERAL HOUSING AUTHORITY, HUD (HOUSING AND URBAN DEVELOPMENT), NFPA (NATIONAL FIRE PROTECTION ASSOCIATION), CSFM (CALIFORNIA STATE FIRE MARSHAL)

KIDDE AC/DC PHOTOELECTRIC SMOKE ALARM

• The Kidde PE120 is a 120VAC powered Photoelectric smoke alarm with 9V battery back up • This advanced smoke alarm has the ability to function as a stand-alone unit or in an inter-connected system • The Kidde PE120 includes a test button, quick-connect power harness • Photoelectric-sensing alarms may detect visible particles (associated with smoldering fires) sooner than ionization alarms • Ionization sensing alarms may detect invisible fire particles (associated with flaming fires) sooner that photoelectric alarms
10-YEAR LIMITED WARRANTY

ITEM #	MFG #	PKG.	QTY.		
290568	21006371	BOX	A1/6		

WORRY-FREE 10 YEAR PHOTOELECTRIC SMOKE ALARM FOR LIVING AREA

• Kidde battery operated smoke alarm is powered by sealed, long-life lithium batteries for ten years (the life of the alarm), meaning the alarm is always on • An end-of-life signal tells you when it is time to replace the alarm unit • Alarm is equipped with test - reset button, tests the circuitry and horn and resets memory after alarm has sounded • Alarm is UL listed and is equipped with a piezoelectric horn that is rated at 85 decibels at 10'
10-YEAR LIMITED WARRANTY

ITEM #	MFG #	PKG.	QTY.		
2464310	21010064	BOX	1/6		

IONIZATION AND PHOTOELECTRIC SMOKE ALARM AC/DC

• Direct wire smoke alarm with battery backup • Contains both photoelectric and ionization sensing technology to sense both fast flaming and smoldering fires • Every dwelling is recommended to have both sensing types in it, this smoke alarm features both sensors in one unit
10-YEAR LIMITED WARRANTY

ITEM #	MFG #	PKG.	QTY.		
604010	PI2000	BOX	1/3		

WIRELESS AC/DC IONIZATION SENSOR INTERCONNECTED SMOKE ALARM

• AC power with battery backup ability to expand a current interconnected system or use with existing hardwired-only smoke alarms to create an interconnected system • Uses radio frequency to transmit and receive azard-related messages - when one alarm sounds, all will sound • "End of life" warning alerts when units needs to be replaced, ten years after initial power up • "Low battery" warning • Smart touch button temporarily silences nuisance alarms activated by any alarm in the system - will hush a low battery chirp for up to 12 hours and test the operation of the alarm and interconnected system • 9V battery (included) protects during short-term power outages
10-YEAR LIMITED WARRANTY

ITEM #	MFG #	PKG.	QTY.			
604029	1279-9999	BOX	1/3			

WIRELESS DC IONIZATION SENSOR INTERCONNECTED SMOKE ALARM

• Battery powered, interconnected smoke alarm for existing homes • Uses radio frequency to transmit and receive hazard-related messages - when one alarm sounds, all will sound • "End of life" warning alerts when unit needs to be replaced, ten years after initial power up • "Low battery" warning • Smart touch button temporarily silences nuisance alarms activated by any alarm in the system - will hush a low battery chirp for up to 12 hours and test the operation of the alarm and interconnected system
10-YEAR LIMITED WARRANTY

ITEM #	MFG #	PKG.	QTY.			
604028	0919-9999	BOX	1/3			

AC DIRECT-WIRE IONIZATION SENSOR SMOKE ALARM

• Solid state reliability • Low cost value • FHA, HUD, NFPA and Cal. State Fire Marshal approved • 120VAC household current powered, with test button • Single or multiple station capability up to 24 units
5-YEAR LIMITED WARRANTY

ITEM #	MFG #	PKG.	QTY.			
201	1235	DISPLAY BOX	1/6			

NIGHTHAWK INTELLIGENT COMBO IONIZATION SENSOR SMOKE, FIRE, AND CO ALARM

• This Intelligent Alarm provides quick warning to most residential fires includingslow-smoldering and fast-flaming fires, and can detect carbon monoxide • The exclusive voice warning system eliminates confusion, by telling you if it has detected smoke or CO or if your batteries need replacing • The world's most accurate sensor reduces nuisance alarms • Unit is complete with tamper-resistant bracket, hush button, test/reset button • Two AA batteries included
7-YEAR LIMITED WARRANTY

ITEM #	MFG #	QTY.		
106869	21007450	1		

AC WORRY-FREE 10 YEAR COMBINATION SMOKE AND CARBON MONOXIDE ALARM

• 10-year worry-free combination smoke and carbon monoxide alarm with a 10-year lithium battery backup • Intelligent multi sensor to reduce nuisance alarms • Voice alarm that alerts you to either a smoke or carbon monoxide • Test and hush button • Interconnectable

ITEM #	MFG #	QTY.		
2475142	21010408	1/6		

AC/DC COMBINATION IONIZATION SENSOR SMOKE AND CARBON MONOXIDE ALARM

• 2-in-1 combo provides protection from two hazards • Interconnects with both smoke and CO alarms • Different smoke and CO alarm signals to sound the appropriate warning • Reduces wiring requirements • Single button tests smoke and CO sensor • Alarm announces "Fire, Fire" or "Warning, Carbon Monoxide" along with 85 dB alarm "Low battery" chirp • Contractor-friendly installation • Two AA batteries included
5-YEAR LIMITED WARRANTY

ITEM #	MFG #	PKG.	QTY.		
601040	900-0114E	BOX	1/6		

DC IONIZATION SENSOR SMOKE ALARM/ CARBON MONOXIDE DETECTOR

• Electrochemical sensor • Dual voice and loud alarm warns of smoke/fire, or carbon monoxide • Low battery indicator • Twist off easy mounting bracket • Test/reset button to test both smoke and CO sensors • FHA, HUD, NFPA approved • 2 "AA" batteries included
5-YEAR LIMITED WARRANTY

ITEM #	MFG #	PKG.	QTY.			
601018	900-0102	BOX	1/3			

AC/DC CARBON MONOXIDE ALARM

• AC/DC CO alarm • Electrochemical CO sensor • 9V battery backup with front pull tab • Interconnectable • Quick-connect harness • LED indicators for normal operation and alarm mode
5-YEAR LIMITED WARRANTY

ITEM #	MFG #	PKG.	QTY.		
604035	900900-0120-006	BOX	1/6		

A/C CARBON MONOXIDE ALARM

• Plugs directly into a standard wall outlet making installation quick and easy • The 9V battery backup provides protection, even during power outages when many CO incidents occur • The "tamper resist" feature deters tampering or theft of the unit alerting you if the unit has been unplugged or if it has come loose from the wall outlet • Uses Nighthawk™ electrochemical sensor, the world's most accurate carbon monoxide sensing technology • This alarm has a clean, low-profile design along with two LEDs • Green for normal operation and red for alarm mode
5-YEAR WARRANTY

ITEM #	MFG #	PKG.	QTY.		
604036	21006137	BOX	1		

NIGHTHAWK DIGITAL CARBON MONOXIDE DETECTOR

• Digital readout from 0-999 PPM • High-level memory display shows highest carbon monoxide reading since unit was last reset • Updated digital reading every 2-1/2 minutes • Powerful 85 decibel alarm • Test/retest button • No costly replacement parts • Never needs recalibration • With 8 ft. cord • Includes 9 volt battery
5-YEAR WARRANTY

ITEM #	MFG #	PKG.	QTY.		
513005	900-0076	BULK	1/2		

135°F HEAT DETECTOR WITH 9V BATTERY BACKUP

• Wire-in heat alarm that responds to temperature rather than smoke • The alarm will sound if temperatures rise above 135°F • The Kidde HD135F interconnects with up to 24 devices (of which 18 can be initiating) including smoke, CO and heat alarms
5-YEAR LIMITED WARRANTY

ITEM #	MFG #	PKG.	QTY.		
604034	HD135F	BOX	1/6		

WORRY-FREE 10-YEAR SEALED CARBON MONOXIDE ALARM

• The Kidde C3010 is a 10-year, sealed battery, carbon monoxide alarm that uses electro- chemical sensing technology to protect you and your family from the dangers of carbon monoxide • The C3010 alarm will automatically activate when it is attached to the mounting bracket • This easy-to-install alarm is suitable for all living areas and has a 10-year life and limited warranty • Sealed-in Lithium Battery • Test/Reset Button – Tests the unit for proper operation - Resets the Carbon Monoxide Alarm • Green LED – Flashes every 30 seconds to indicate the unit is operating properly • Red LED – When a dangerous level of carbon monoxide is detected the red LED will pulse and a loud alarm pattern will sound • Amber LED – Flashes every second to indicate the unit is in fault mode• Event Memory – Red LED flashes every 60 seconds to alert that a high level of carbon monoxide has been detected within the last 14 days
10-YEAR LIMITED WARRANTY

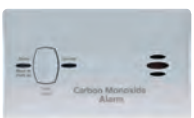
ITEM #	MFG #	PKG.	QTY.		
2464309	21010073	BOX	1/6		

WORRY-FREE PHOTOELECTRIC 10-YEAR SEALED COMBO SMOKE AND CARBON MONOXIDE ALARM

• Kidde worry-free 10-year smoke alarm is powered by sealed, long-life lithium ion batteries for ten years (the life of the alarm), meaning the alarm is always on • This 10- year alarm is a combination smoke and carbon monoxide • The alarm features a unique sensor algorithm that detects real fires faster and reduces nuisance alarms • Alarm is equipped with a test/reset button, tests the circuitry and horn and resets memory after alarm has sounded • Alarm is under listed and is equipped with a piezoelectric horn that is rated at 85 decibels at 10 ft..
10-YEAR LIMITED WARRANTY

ITEM #	MFG #	PKG.	QTY.		
2464311	21010071	BOX	1/6		

BATTERY-POWERED CARBON MONOXIDE DETECTOR



• New electrochemical sensor (no replacement required) • 85dB alarm alerts you to dangerous carbon monoxide levels • Battery operated to provide protection during power outage • Test/reset button • Snap-cover for easy access to batteries • 7-year end-of-life function • Uses 3 “AA” batteries (included)
5-YEAR WARRANTY

ITEM #	MFG #	PKG.	QTY.			
610140	9CO-5	BOX	1/3			

NIGHTHAWK CARBON MONOXIDE ALARMBATTERY OPERATED

• Battery operated (3AAs included) • Red LED illuminates when in alarm mode - Green LED illuminates when DC power is present, normal operation • Test/Reset Button tests the unit for proper operation, resets the Carbon Monoxide alarm • 7-year end-of-life warning alerts user to replace CO alarm after 7 years of operation (40% longer than other CO alarms)
7-YEAR LIMITED WARRANTY

ITEM #	MFG #	QTY.		
107540	21007268	1/4		

KIDDE PLUG-IN COMBINATION COMBUSTIBLE GAS AND CARBON MONOXIDE DETECTOR WITH 9-VOLT BATTERY BACKUP

• AC powered, plug-in CO and explosive gas alarm • Includes 9V battery back up that provides protection during a power outage • By pressing the Peak Level Button you can see the peak CO level recorded by the alarm since it was last reset or unplugged • The continuous digital display shows you the level of carbon monoxide (if any) the unit is sensing as well as if gas is present • The gas sensor is a metal oxide sensor designed to detect natural gas (methane) or propane • Sounder alarm - offers a loud 85-decibel pulsing alarm • Alarm condition • Carbon Monoxide - 4 quick beeps, followed by 5 seconds of silence, followed by 4 quick beeps • Repeat with a number showing in the display (CO concentration in ppm) • Gas - one second of alarm on, one second of alarm off, repeating with “GAS” shown in display
5-YEAR WARRANTY

129419	21009477	BOX	1/6		

DOUBLE PROTECTION SMOKE DETECTOR

• Dual ionization smoke detector for 120VAC wired-in applications with battery backup • Interconnects up to 18 units • Battery drawer will not close if battery is not installed • Compatible with old-style model no. 86RAC
10-YEAR LIMITED WARRANTY

ITEM #	MFG #	PKG.	QTY.		
601051	9120B	BOX	1/12		

BRK 9V SMOKE ALARM

• Features a fully insect-screened dual-ionization smokesensing chamber, an 85dB horn, test switch, and red LED light indicates DC power or alarm • Tamper-resistant locking pin that locks alarm cover to prevent removal of battery (9V battery included) • Compact, low-profile design
10-YEAR LIMITED WARRANTY

ITEM #	MFG #	DIAMETER	PKG.	QTY.		
604038	FG250B	4-1/4 IN.	BOX	1/6		

FIRST ALERT PHOTOELECTRIC 10 YEAR TAMPER PROOF SMOKE ALARM

• 10-year lithium power - 10 years of continuous protection • No battery change required • Tamper-proof Sealed Alarm - Powercell cannot be removed • Photoelectric smoke sensing technology • Silence feature • Tamper-resistant mounting bracket - Locks alarm to mounting bracket • Perfect for apartment and dormitory applications • Meets California Senate Bill #745 requirements
10-YEAR LIMITED WARRANTY

ITEM #	MFG #	PKG.	QTY.		
2473563	P910B	BOX	1/12		

FIRST ALERT ATOM SMOKE ALARM

• This photoelectric alarm is a fraction of the size of a standard alarm • Advanced micro technology • Maximum protection - fewer false alarms • Photoelectric sensor - detects slow smoldering fires • Long-life lithium CR2 battery included • Loud and powerful penetrating sound • Easy installation - Smart product clip system
10-YEAR LIMITED WARRANTY

ITEM #	MFG #	PKG.	QTY.		
2464006	P1000	BOX	1/6		

9V LITHIUM DC 10 YEAR IONIZATION SMOKE ALARM

• Dual ionization smoke sensing chamber with a single button for test/silence • Tamper-proof design • 85 dB horn • Sealed 10-year lithium power cell power supply, permanently installed upon activation of unit • Red LED blinks to indicate power • "Low power" warning indicator will cause the alarm to "chirp" when it reaches the end of its service life and needs to be replaced
10-YEAR LIMITED WARRANTY

COAX WALL JACK

• Allows 75 ohm “F” connector (from VCR/TV) to be neatly connected to wall • Plate mounts directly to recessed wall box or directly to wall using mounting brackets and screws (included)

ITEM #	COLOR/FINISH	QTY.		
852147	WHITE	1/200		
852146	IVORY	1/200		

DOUBLE CABLE TV WALL JACK

• Mounts flush with wall • Splitter not included

ITEM #	COLOR/FINISH	QTY.		
602006	WHITE	1/6		
602007	IVORY	1/6		

CRIMP TYPE "F" CONNECTOR

• Terminates 75 ohm coaxial cable (RG59U) in an "F" plug (crimp sleeve included)

PRICE PER CARD

ITEM #	PKG.	QTY.		
852108	2/CARD	1/12		
852078	10/CARD	1/12		

TWIST ON "F" CONNECTOR

• Terminates 75 ohm coaxial cable (RG59U) simply by twisting-on to prepared cable end

PRICE PER CARD

ITEM #	PKG.	QTY.		
852077	10/CARD	1/12		

CRIMP TYPE FOR RG6U "F" CONNECTOR

• Terminates 75 ohm RG6U coaxial cable (crimp sleeve included)

PRICE PER CARD/BOX

ITEM #	PKG.	QTY.		
852111	10/CARD	1/10		
852112	100/BOX	1/40		

TWIST ON FOR RG6U "F" CONNECTOR

• Terminates 75 ohm RG6U coaxial cable • Twist onto prepared cable end

PRICE PER CARD/BOX

ITEM #	PKG.	QTY.		
852135	10/CARD	1/10		
852137	100/BOX	1/40		
WEATHERPROOF				
852139	100/CARD	1/10		

"F" CONNECTOR QUICK PLUG

• Adapts standard screw on "F" connector into a slip-on "F" connector • For easy connection and disassembly of components

ITEM #	PKG.	QTY.			
852074	1/6	1/6			

COAXIAL CRIMPING TOOL

• Used to crimp "F" connectors onto coaxial RG59U and RG6U) cable

ITEM #	QTY.		
852073	1/6		

75 OHM SPLITTER

• Accepts coaxial "F" fittings • Allows two units (TV sets) to be operated from the signal source or three sets using #852105 • Handles UHF/VHF signals • 2 brass wood screws included

ITEM #	DESC.	QTY.		
852106	2 WAY	1/12		
852105	3 WAY	1/12		

SHIELDED COAX CABLE- RG6 CATV NON-PLENUM RATED DUAL SHIELD

• RG6 type • Dual shield • PE dielectric • PVC jacket • 3.0 GHZ • 18 CCS • 60% AL QTY.

Color Temperature

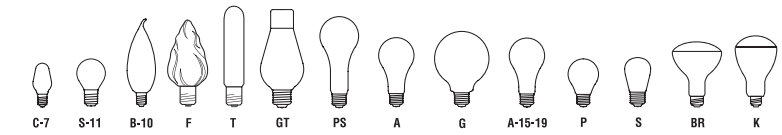
The correlated color temperature of a light source as expressed in Kelvins (K) and is a means of describing the appearance or chromaticity of the source itself. It describes the apparent whiteness of the lamp. Sources having a low correlated color temperature (2700K to 3400K) are said to be "warm" in color such as Warm White, Warm White Deluxe, and Designer 3000K (D30) and Designer "800" 3000K (D830). (Most incandescent lamps have a color temperature between 2700K and 3000K.) Fluorescent sources having higher correlated color temperature (4100K to 6300K) such as Cool White, Cool White Deluxe, Daylight Designer "800" 4100K (D841), or Designer 4100K (D41) are said to be "cool" in color. The Designer Series and Octron Lamps having a correlated temperature of 3500K are considered "mid-range" and provide excellent color rendition while not being either "warm" or "cool." The correlated color temperature of the light source contributed greatly to the visual appearance of the lighted space.

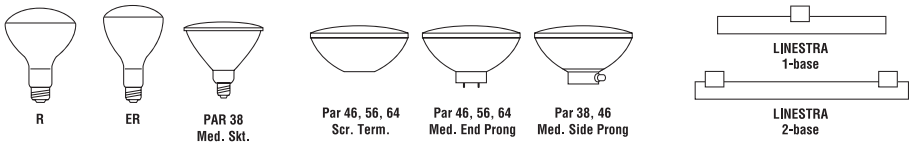
Color Rendering Index

Color Rendering Index (CRI) is an international numbering system from 0-100 which indicates the relative color rendering quality of a light source when compared to a standard reference source of the same correlated color temperature. It expresses the degree to which colors will appear "familiar" or "natural" under the light source being selected. In general, the higher the CRI number, the better the color rendering properties of the light source in question. The color rendering index of any two sources should only be compared if those sources have the same correlated color temperature.

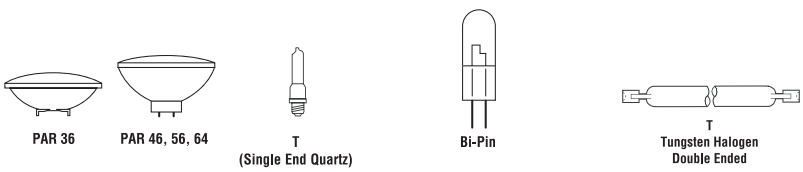
INCANDESCENT LAMPS

A bulb designation consists of a letter(s) to indicate the shape and a figure(s) to indicate the approximate major diameter in eights of an inch. Bulbs are measured through their greatest diameter in eighths of an inch. Thus, an F-15 bulb is a flame-shape, $1\frac{5}{8}$ of an inche or $1\text{-}\frac{7}{8}$ inches in diameter.

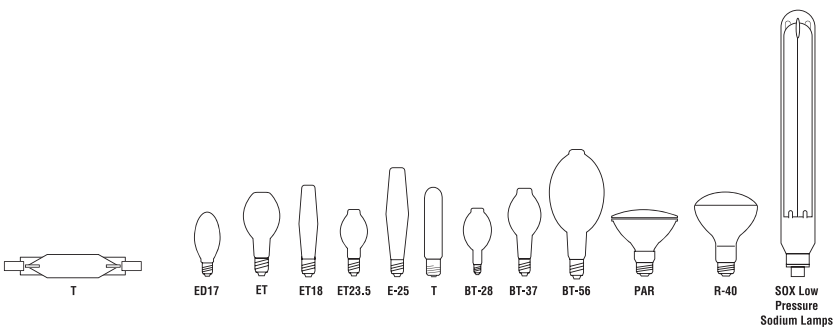




INCANDESCENT TUNGSTEN HALOGEN & QUARTZ LAMPS

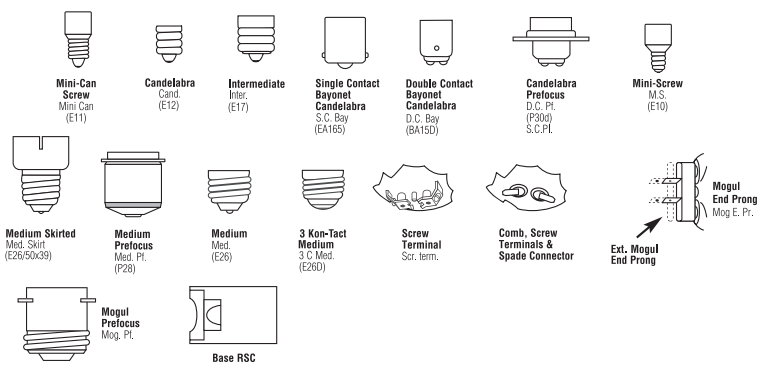


HID

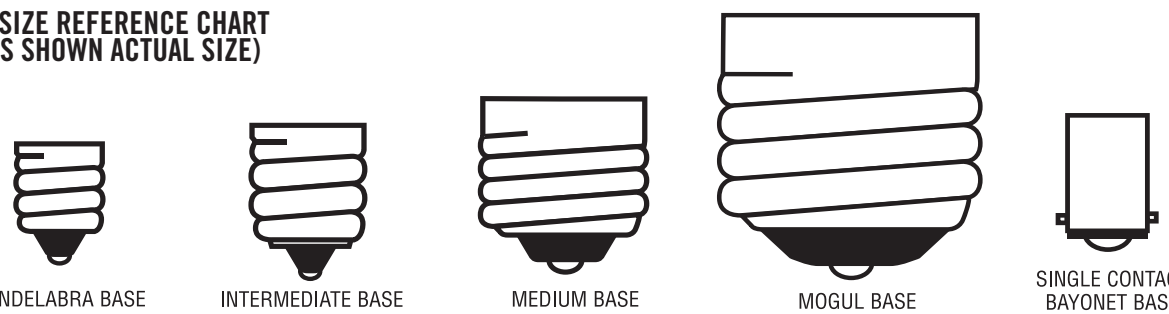


BASES

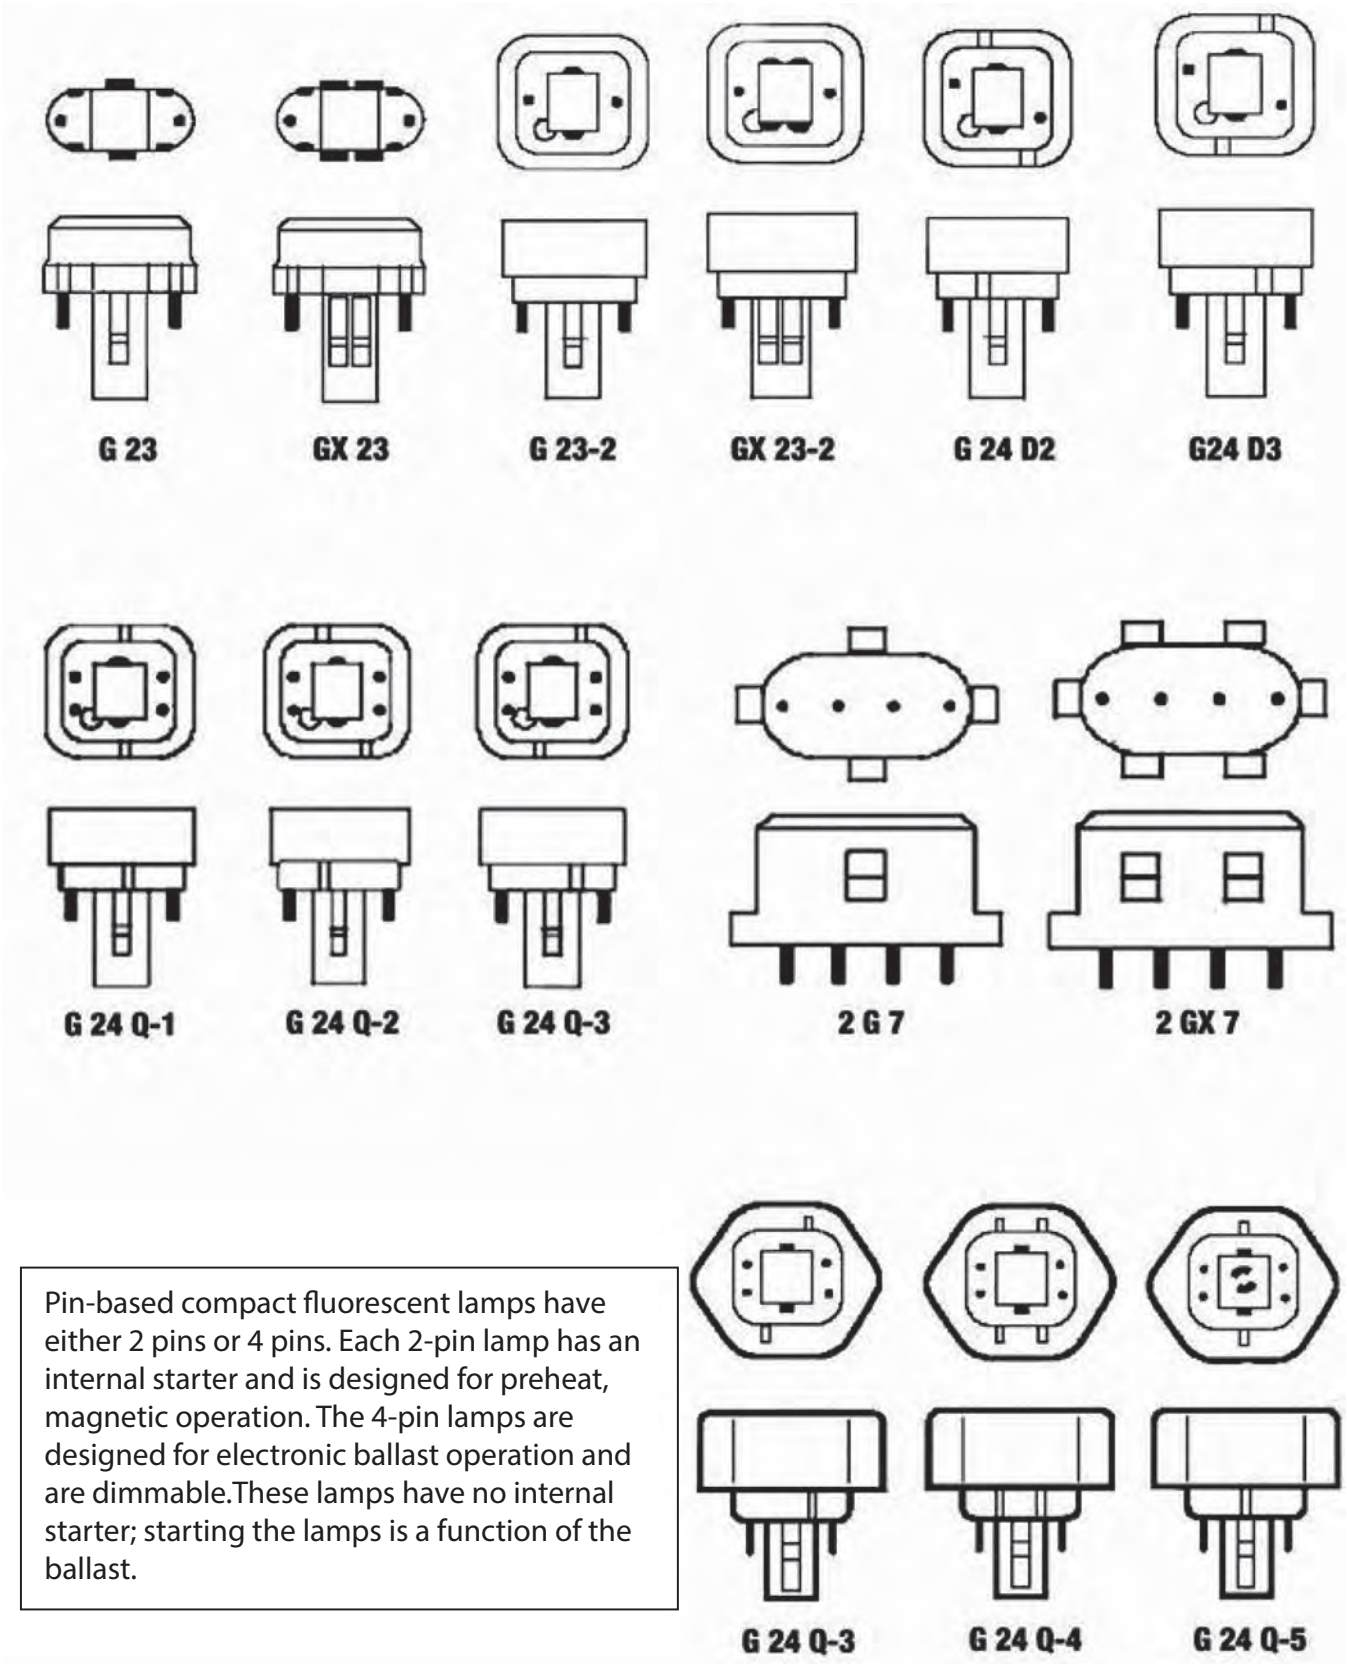
Typical screw base is shown. One leadin wire is soldered to the center contact and the other soldered or welded to the upper rim of the base shell. Base shells are typically made of brass or aluminum. ANSI designations are in parentheses.



BASE SIZE REFERENCE CHART (BASES SHOWN ACTUAL SIZE)



CFL BASE REFERENCE CHART



Pin-based compact fluorescent lamps have either 2 pins or 4 pins. Each 2-pin lamp has an internal starter and is designed for preheat, magnetic operation. The 4-pin lamps are designed for electronic ballast operation and are dimmable.These lamps have no internal starter; starting the lamps is a function of the ballast.

ROUGH SERVICE A19 BULBS

• Medium (E26) base • Sold in pack quantities only, 24 per pack • Priced per bulb

SUBSTITUBE® ULT RA LED T8 LINEAR LAMPS

• OSRAM SubstiTUBE IS LED T8 lamps are an energy saving alternative, designed to replace traditional fluorescent T8 lamps • These shatterproof LED T8 lamps contain no mercury, provide instant light and a uniform light distribution • Engineered to operate on existing instant start electronic T8 ballasts, these lamps minimize labor and recycling costs • Because the SubstiTUBE IS LED T8 is not affected by switching cycles, the use of occupancy or vacancy sensors can now be installed with the existing instant start ballasts for optimal energy savings • 120-277 olt • G13 base • 48 in. length • 9 bulbs per case

COMPACT FLUORESCENT LAMPS

• The savings advantage of fluorescent versus incandescent • LESS ENERGY - Fluorescent lamps save up to 80% in energy costs...in the same amount of light • LONGER LIFE- Fluorescent lamps last up to 10,000 hours versus approximately 750 hours for incandescent • LESS MAINTENANCE - Longer lamp life means less maintenance cost • You'll reduce labor cost by up to 90% • BURNS COOLER - You'll save on cooling costs: almost 1 watt for every 3 watts of lighting energy saved

• White acrylic cloud • Available in 34W T8 or 40W T12 (lamps not included) • Energy-saving ballast

ITEM #	SIZE	QTY.		
673775	2-4' LAMPS	1		
673776	4-4' LAMPS	1		
REPLACEMENT LENS				
671917	2-4' LAMPS	1		

FLUORESCENT WRAPS

• White fluorescent wraparound fixtures • Lexan diffuser • Instant-on 120v universal electronic ballast takes either T8 or T12 lamps • Lamps not included

ITEM #	SIZE	DESCRIPTION	WATTS	QTY.		
F002252	24″ L X 6-⅞″ W 2-½″ H	2-LIGHT	17W OR 20W	1/4		
F002256	49″ L X 6-⅞″ W X 2-½″ H	2-LIGHT	32W	1/2		
F002258	48-¾″ L X 12-¼″ W X 2-½″ H	4-LIGHT	32W OR 40W	1/4		

4' FLUORESCENT FIXTURE

• White acrylic lens with Brushed Nickel ends • Low-profile • Uses 2-4' 32W T8 lamps (not included) • 10-1/8″ W x 2-⅞″ H x 48″ L

ITEM #	QTY.		
563124	1		

LAY-IN FLUORESCENT TROFFER FIXTURE

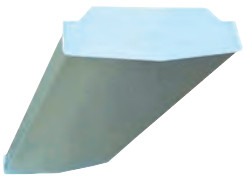
• Die-formed heavy-gauge steel with highgloss, baked white enamel finish over rust inhibiting phosphate coat • Flush white steel door frame with mitered corners that can be hinged from either side • Swing-action cam latches provide positive fit • Clear prismatic acrylic lens • 120/277 volt • Contains T8 electronic ballast • 673727 includes a 6', 3-wire fixture whip

ITEM #	SIZE	QTY.		
USES FOUR F32T8 LAMPS (INCLUDED)				
673727	2' x 4'	1		

4-LAMP - 4' FLUORESCENT WRAPAROUND FIXTURE

• Baked White enamel finish over rust inhibiting phosphate coat with Clear acrylic lens • Injected molded white plastic ends • Fully wired and UL listed • MPS electronic blast • Uses 4-4' F32T8 lamps (not included) • 14″ W x 48″ L x 3″ D

ITEM #	QTY.		
673010	1		



2-LAMP - 4' FLUORESCENT WRAPAROUND FIXTURE

• Clear styrene prismatic diffuser • 9″ wide

ITEM #	BALLAST	QTY.		
USES 2-25W, 34W OR 40W T-12 LAMPS (NOT INCLUDED)				
673702	RESIDENTIAL	1		
USES 2-F32T8 LAMPS (NOT INCLUDED)				
673000	MPF ELECTRONIC	1		

2-LAMP - 4' FLUORESCENT WRAPAROUND FIXTURE

• Attractive Oak ends • 9″ width, 48″ length • Uses 2-25W, 34W or 40W T12 bulbs (not included)

ITEM #	QTY.		
673716	1		

4' FLUORESCENT WORK LIGHT

• Uses 2-40W lamps (#683217) only (not included) • Not for use with energy-saving lamps • 4' fixture is unassembled, complete with chains for mounting, and cord with standard plug • Durable steel, white enamel finish • Efficient, economical ballast • For residential use • Do not mount flat to any surface • White finish

ITEM #	QTY.		
673807	1		

UNDER CABINET FLUORESCENT FIXTURE

• Steel housing, white snap-in lens, direct wire-in

ITEM #	SIZE	QTY.		
USES 1-F20 T12 LAMP (INCLUDED) WITH ON/OFF SWITCH				
673150	24˝ L	1/6		

1˚ SLIMFIT FLUORESCENT UNDERCOUNTER LIGHT WITH LAMP AND ROCKER SWITCH

• "Instant on" electronic ballast requires no starter • Metal housing with baked-on post powder coat finish • High-impact, nonyellowing acrylic lens • Fixtures are wired internally, and ready for installation • Romex connector provided • Lamps included

ITEM #	SIZE	QTY.			
USES 1-F8TB LAMP					
674480	1˝ D x 5˝ W x 12-¼˝ L	1/12			
USES 1-F13T5 LAMP					
674481	1˝ D x 5˝ W x 21-¼˝ L	1/4			
USES 2-F8TB LAMPS					
674482	1˝ D x 5˝ W x 24-¼˝ L	1/4			
USES 1F8TB LAMP & 1-F13T5 LAMP					
674483	1˝ D x 5˝ W x 33-½˝ L	1/4			
USES 2-F13T5 LAMPS					
674484	1˝ D x 5˝ W x 42-¼˝ L	1/4			

FLUORESCENT CLOSET LIGHT

• Meets NEC • requirements for closet lights • Steel body with acrylic lens • Pull chain with string included • 120 volts • Uses 1-F15T8/CW lamp (lamp included) • 1-¾˝ deep

ITEM #	QTY.		
673490	1/4		

FLUORESCENT CHANNEL LITE

• ˝Snap-up˝ socket feature makes assembly fast, eliminating the need for tools • Uses one T8 17W fluorescent lamp (not included) • Standard bi-pin

ITEM #	SIZE	QTY.		
673758	48˝ L	1/8		
673744	24˝ L	1/12		

FLUORESCENT CHANNEL LITE

• ˝Snap-up˝ socket feature makes assembly fast, eliminating the need for tools

ITEM #	SIZE	BALLAST	QTY.		
USES 2-F17 T8 LAMPS (NOT INCLUDED)					
673751	24˝ L	STANDARD, BI-PIN	1/12		
USES 2-F32 T8 OR 2-F40 T12 LAMPS (NOT INCLUDED)					
673011	48˝ L	MPF ELECTRONIC , BI-PIN	1/6		

8-FOOT TANDEM FLUORESCENT STRIP LIGHT

• Indoor double strip lights • 10° startup • Contains MPF electronic ballast, bi-pin • Uses 4-F32 T8 or 4-F40 T12 lamps (not included) • 4-3/16˝ W x 96˝ L x 3-¾˝ D • 120V, angle bracket design

ITEM #	QTY.		
673006	1		

LAY-IN RECESSED TROFFER LIGHT FIXTURE

With electronic T8 ballast • Available with 6 ' flex and lamps • 277V and flange troffers available - call for details

ITEM #	MFG #	LAMPS/WATTS	PKG.	QTY.		
24˝ X 48˝ GRID						
1614205	TY-244-432-B11	4T8/32W	BOX	1		

HI-BAY METAL HALIDE PULSE START WAREHOUSE LIGHT

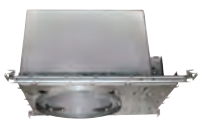
• Indoor area lighting where ceilings are 15' or higher • Lightweight, durable ballast housing with white enamel finish • 16˝ diameter reflector • Quick-slide mount junction box provides quick, simple installation • Starter and capacitor easily replaceable without having to take down the fixture • Adjustable optics and 5 volt CWA ballast (120, 208, 240, 277, and 480V) • Includes lamp • White finish • Uses 1-400W MH lamp (lamp included)

ITEM #	QTY.		
675007	1		

LOW BAY METAL HALIDE PULSE START WAREHOUSE LIGHT

• For use where ceilings are lower than 20 feet • Die-cast aluminum ballast housing allows flow through ventilation and cooling of all components • Ballast housing is a white enamel finish • 22˝ aluminum spun reflector is fixed for precise optical control • Hinged acrylic refractor is designed for optimum light dispersal • Includes ballast, reflector and lamp • 25˝ high • White finish • Uses 1-400W MH lamp (lamp included)

ITEM #	QTY.		
675011	1		



8˚ COMPACT FLUORESCENT CANS - HORIZONTAL SOCKET

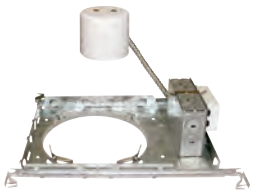
• 120 volt • 2-light IC rated • Thermal protected by fuse in electronic ballast • Captive bar hangers adjust 12˝-24˝ • 7-½˝ high • Listed for damp locations and feed-through wiring • IC is UL listed for direct insulation contact • 108FL951 uses 2-CF18DD

ITEM #	DESC.	WATTS	QTY.		
F000098	IC/NEW CONSTRUCTION	2-18W	1/4		
F000097	IC/NEW CONSTRUCTION	2-26W	1/4		

8˚ COMPACT FLUORESCENT CANS - HORIZONTAL SOCKET

• 120/277 volt • 2-light non-IC rated • Thermal protected by fuse in electronic ballast • Captive bar hangers adjust 12˝-24˝ • Listed for damp locations and feed-through wiring • Non-IC must be 3˝ from insulation • 108FL966 uses 2-CF18DD827 (18w), 108FL965

ITEM #	DESC.	WATTS	QTY.		
F000112	NON-IC/NEW CONSTRUCTION	2-26W	1/4		
F000113	NON-IC/NEW CONSTRUCTION	2-18W	1/4		



8˝ COMPACT FLUORESCENT CANS - VERTICAL SOCKET

• Vertical socket • One light, 26 watt maximum • 120/277 volt • Thermal protected by fuse in electronic ballast • Captive bar adjusts 12˝-24˝ • Non-IC, new construction

ITEM #	DESC.	WATTS	QTY.		
F000111	NON-IC/NEW CONSTRUCTION	1-26W	1/4		

6˝ RECESSED NEW CONSTRUCTION IC LINE VOLTAGE AIRTIGHT HOUSING

• 6˝ Line voltage IC new construction housing fits most standard trims • Uses up to 75W BR30/PAR30, 75W BR40/PAR38, or 40W A19 lamp (lamp not included) • 7-1/8˝W X 9-¼˝ L X 7-¼˝H

ITEM #	QTY.		
298939	1/6		

6˝ RECESSED NEW CONSTRUCTION IC LINE VOLTAGE HOUSING

• 6˝ Line voltage IC new construction housing fits most standard trims • Max 75W BR30/PAR30, 75W BR40/PAR38, or 40W A19 lamp (lamp not included) • 7-½˝W X 10-¾˝L X 7-¼˝H

ITEM #	QTY.		
298940	1/6		

6˝ RECESSED REMODEL NON-IC LINE VOLTAGE AIRTIGHT HOUSING

• 6˝ Line voltage non-IC remodel housing • Max 75W BR30/PAR30, 75W BR40/PAR38, or 40W A19 lamp (lamp not included) • 7-½˝H X 6-⅛˝W X 11-¾˝L

ITEM #	QTY.		
298941	1/6		

6″ RECESSED REMODEL IC LINE VOLTAGE HOUSING

• 6″, 120V IC housing fits most standard trims • Max 150W BR40/PAR38 or 100W A-19 lamp (lamp not included) • 6-3/8″W X 10″L X 7-¼″H

ITEM #	QTY.		
298946	1/6		

RECESSED NEW CONSTRUCTION HOUSING, 6″ IC/NON-IC

• 6″ IC/non-IC recessed housing • Rated for either IC (direct contact with insulation) or non-IC and AT for new construction • Hangers adjustable to 24″ • Injection molded frame with aluminum housing • 65BR30/75PAR30 lamps not included

ITEM #	MFG #	SIZE	PKG.	QTY.		
613617	LC6 AT	15.25″ L X 13.5″ W	BOX	1/6		

6″ REMODEL IC/NON-IC HOUSING

• 6″ IC/non-IC recessed housing • Rated for either IC (direct contact with insulation) or non-IC and AT for remodel applications • One-piece aluminum self-flanged can with remodel clips locks securely into place • 65BR30/75PAR30 lamps not included

ITEM #	MFG #	SIZE	PKG.	QTY.		
613618	L7XR AT	15″ L X 13.25″ W	BOX	1/6		

6″ SHALLOW IC-RATED REMODEL HOUSING

• 6″ IC shallow recessed housing • Rated IC (direct contact with insulation) or non-IC and AT for remodel applications • One-piece aluminum self-flanged can with remodel clips locks securely into place • Only 5-¾″ high • 65BR30/75PAR30 lamps not included

ITEM #	MFG #	SIZE	PKG.	QTY.		
613620	L7PR AT	12.38″ L X 7.25″ W	BOX	1/6		

6″ RECESSED IC 100W CAN

• Takes up to 100w bulb • 120 volt • Thermal protector protects from overheating • Captive bar hangers adjust 12″-24″ • Ground wire installed • Use in ceilings up to 1-3/8″ thick • Listed for damp locations and feed-through wiring • IC is UL listed for direct insulation contact

SOLD IN PACKS OF 4

ITEM #	MFG #	DESC.	QTY.		
617734	108RA8X-IC	IC RATED 100W	1/4		

6″ RECESSED SPEEDY CAN 2

• New construction • Hanger bar adjustable 12″-24″ • Ground wire attached • BR30/PAR30, BR40/PAR38 75 watt, max 40 watt A19 • Bulbs not included

SOLD IN PACKS OF 4

ITEM #	MFG #	DESC.	QTY.		
617735	108PE6-IC	IC RATED	1/6		
617736	108PE6-ICAT	IC/AT RATED	1/6		

6″ RECESSED SLOPE CANS - NEW CONSTRUCTION

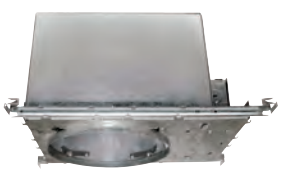
• 6″ sloped • Ceiling pitch 2/12-6/12 • 120 volt • Swivel socket • Captive hanger adjusts 12″-24″ • Non-IC rated • BR30/PAR30, BR40/PAR38 75 watt maximum, 40 watt A19 • Lamps not included

ITEM #	MFG #	QTY.		
F002932	NON-IC RATED	1/4		

6″ COMPACT FLUORESCENT CANS - VERTICAL SOCKET

• Fluorescent vertical socket • 120 volt, one 13 watt light • Electronic ballast • New construction hanger adjusts 12″-24″ • 7-½″ high

ITEM #	MFG #	WATTS	QTY.		
F005463	IC/AT-NEW CONSTRUCTION	1-26W	1/6		

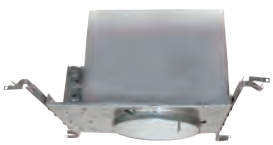


AT/IC FLUORESCENT 6″ NEW CONSTRUCTION HOUSING

• Airtight & IC rated for new construction • Thermally protected switch in the electronic ballast • UL listed for damp locations • Uses 2-CF13DDE827 lamps (not included) • 12″L x 7-¾″W x 7-¾″H

ITEM #	PKG.	WATTS	QTY.		
AT/IC LINE VOLTAGE					
617179	BOX	1-26W	1/6		

6″ COMPACT FLUORESCENT CANS - HORIZONTAL SOCKET



• 120 volt • 2-26w light • Thermal protector in electronic ballast protects from overheating • Captive bar hangers adjust 12″-24″ • 7-½″ high • Listed for damp locations and feed-through wiring • IC is UL listed for direct insulation contact • 2-CF26DDE

ITEM #	DESC.	WATTS	QTY.		
F000109	IC RATED - NEW CONSTRUCTION	2-26W	1/4		

6″ REMODEL RECESSED HOUSING

• 6″ Remodel housing for line voltage • Use with approved trims • 120V • 6-3/8″ W X 10″ L X 7-¼″ H

ITEM #	QTY.		
FOR NON-IC LINE VOLTAGE INSTALLATION			
617544	1/6		

6″ NEW CONSTRUCTION NON-IC SHALLOW RECESSED HOUSING

• For new construction shallow housing • Shallow design allows for tight spaces • Non-IC (non-insulation contact) • Use with approved trims • 120V • 6-1/8″ W X 11- ¾″ L X 5-½″ H

ITEM #	QTY.		
617548	1/6		

6″ SLOPED CEILING IC RECESSED HOUSING

• For new construction or remodel • Includes adjustable 24″ bar hangers • 2/12″ to 6/12° pitch ceiling • For IC line voltage installation

ITEM #	DESC.	QTY.			
617128	NEW OR REMODEL	1/4			
617129	AIRTIGHT	1/4			
561230	REMODEL	1/6			

6″ REMODEL HOUSING

• 120 volt • Fits most standard trims • For remodel • 6-3/8″ W x 10″ L x 7-¼″ H

ORDER IN MULTIPLES SHOWN

ITEM #	PKG.	QTY.		
NON-IC LINE VOLTAGE - WHITE				
672035	BOX	6		

AIR TIGHT AND IC RATED NEW CONSTRUCTION HOUSING 6 IN.

• Airtight and IC rated for new construction • Thermally protected switch in the electronic ballast • Approved for Washington State Energy Code • UL listed for damp locations • Uses 1-CF13DDE827 lamp (not included) • 10-¼″ L x 7″ W x 7-½″ H

ITEM #	QTY.		
617176	1/6		

6″ NEW CONSTRUCTION RECESSED UNIVERSAL HOUSING

• For new construction • Use with approved trims • 120 volt • 7-½″ W x 10-¾″ L x 7-¼″ H

ITEM #	QTY.		
FOR IC LINE VOLTAGE INSTALLAT ION			
617541	1/6		
FOR NON-IC LINE VOLTAGE INSTALLAT ION			
617543	1/6		

5” RECESSED REMODEL NON-IC LINE VOLTAGE HOUSING

• 5″ Line voltage non-IC remodel housing • Max 75W BR30/PAR30 or 50W R20/PAR20 (lamp not included)

ITEM #	QTY.		
298942	1/6		

5” RECESSED NEW CONSTRUCTION IC LINE VOLTAGE AIRTIGHT HOUSING

• 5″ Line voltage IC new construction airtight housing • Max 100W BR30/PAR30, BR40/PAR38, 40W A19 lamp (lamp not included)

ITEM #	QTY.		
298931	1/6		

4" RECESSED REMODEL NON-IC LINE VOLTAGE HOUSING

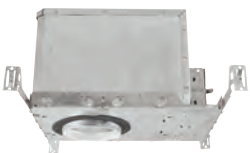
• 4˝ 120V remodel non-IC housing fits most standard trims • Max 100W lamp (lamp not included) • 4-¼˝ W X 10-¾˝ L X 5-⅝˝ H

ITEM #	QTY.		
298944	1/6		

4" RECESSED NEW CONSTRUCTION NON-IC LINE VOLTAGE HOUSING

• 4˝ Line voltage non-IC new construction housing fits most standard trims • Max 50W BR30/PAR30, R20/PAR20, or 40W A19 lamp (lamp not included) • 6˝ W X 9˝ L X 5-¾˝ H

ITEM #	QTY.		
298935	1/6		



4" RECESSED NEW CONSTRUCTION LOW-VOLTAGE IC AIRTIGHT HOUSING

• 4˝ Low-voltage IC new construction airtight housing with electronic transformer • Max 50W MR16 lamp (lamp not included

ITEM #	QTY.		
298932	1/4		

4" RECESSED SHALLOW NEW CONSTRUCTION IC LINE VOLTAGE AIRTIGHT HOUSING

• 4˝ Line voltage IC new construction housing • Shallow design for installation in tight spaces • Max 50W BR30/PAR30, R20/PAR20, or 40W A19 lamp (lamp not included) • 5-3/8˝ W X 8˝ L X 5-½˝ H

ITEM #	QTY.		
298936	1/6		

4" RECESSED CAN - LOW-VOLTAGE

• 12 volt 50w electronic ballast • New construction captive bar hangers adjust 12˝- 24˝ • Non-IC must be 3˝ from insulation • 12v 50w MR16 not included

ITEM #	MFG #	SIZE	QTY.		
617557	TJ-HTF10	NON-IC NEW CONSTRUCTION	1/6		

4˝ RECESSED SPEEDY 2 CAN - LOW-VOLTAGE

• New construction • Non-IC rated, must be 3˝ from insulation • 12 volt 50w magnetic ballast • Captive bar hangers adjust 12˝-24˝ • Ground wire installed • 12v 50w MR16 not included • Added features - installs in 45 seconds or less, solid aluminum construction

ITEM #	MFG #	SIZE	QTY.		
617705	108PE4-LV	NON-IC/AT NEW CONSTRUCTION	1/6		

4" RECESSED CAN - LOWVOLTAGE

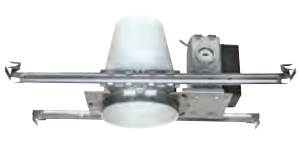
• New construction • 120 volt • Adjust-able captive bar hangers 12˝ - 24˝ • IC/AT new construction unit • MR16 50 watt lamp • Bulps not included

ITEM #	MFG #	SIZE	QTY.		
617706	TJ-HR-011C	IC/AT NEW CONSTRUCTION	1/4		

4" RECESSED SPEEDY 2

• New construction • 120 volt • Adjust-able captive bar hangers 12˝ - 24˝ • IC/AT new construction unit • BR30/ PAR30, R20/ PAR20 50 watt, max 40 watt A19 • Bulps not included

ITEM #	MFG #	SIZE	QTY.		
617704	TJ-HR-011C	IC/AT NEW CONSTRUCTION	1/4		



NON-IC FLUORESCENT 4" NEW CONSTRUCTION HOUSING

• Non-IC rated for new construction • Elec- tronic ballast • UL listed for damp locations • Uses 1-CF13DDE827 lamp (not included) • 7-⅞˝ L x 5-¼˝ W x 5-¾˝ H

ITEM #	PKG.	QTY.		
NON-IC LINE VOLTAGE				
617180	BOX	1/6		

8″ ANODIZED REFLECTOR TRIM

• Anodized reflector trim • White lexan ring
• 9-1/8″ OD x 7-7/8″ ID

ITEM #	COLOR/FINISH	QTY.		
VERTICAL SOCKET, 1 BULB				
F000048		1/6		
HORIZONTAL SOCKET, 2 BULB				
F000058	CLEAR FINISH	1/6		

6″ PREMIUM WIDE-FLANGE BAFFLE

• Listed for damp location • Rated for 40W A19, 65BR30, 75PAR30

ITEM #	MFG #	PKG.	QTY.		
613621	6B1	BOX	1/6		
613622	6B1W	BOX	1/6		

6″ RECESSED WHITE METAL BAFFLE AND TRIM RING

• Dimensions: 7-7/8″ outer diameter X 5-3/4″ inner diameter • Includes: 2-Spring clips, and 2 lexan rings (½″ & 7/8″)

ITEM #	QTY.		
USES BR30/PAR30 75W LAMPS (NOT INCLUDED)			
298890	1/72		
USES BR40/PAR38 150W LAMPS (NOT INCLUDED)			
298895	1/72		

6″ OPEN TRIM WITH WIDE FLANGE

• Listed for damp location • Rated for 65BR30, 75PAR30 and 60W A19

ITEM #	MFG #	PKG.	QTY.		
613623	601	BOX	1/6		

6″ PREMIUM OPEN WHITE EYEBALL

• Listed for damp location • Rated for 65BR30 and 75PAR30

ITEM #	MFG #	PKG.	QTY.		
613624	6E1	BOX	1/6		

FLUORESCENT 6″ CLEAR ALZAK TRIM

• Clear alzak reflector trim with Lexan ring
• OD: 7-3/8″, ID: 6-1/8″

ITEM #	PKG.	QTY.		
617183	BOX	1/6		

CLEAR ALZAK REFLECTOR WITH FREZNEL LENS 6″ TRIM

• Clear alzak reflector with recessed Fresnel lens
• White Lexan ring • OD: 7-3/4″, ID: 6-3/8″

ITEM #	QTY.		
617184	1/24		

6″ ALZAK TRIM

• Alzak reflector • UL classified for Halo, Juno and Capri cans • ½″ & 7/8″ lexan rings included to ensure proper fit • 7-3/4″ OD x 5-3/4″ ID
• Bulbs not included

SOLD IN PACKS OF 12

ITEM #	MFG #	DESC.	COLOR/FINISH	QTY.

• Black finish • Clear, beveled glass • 4-1/2" W x 8" H • Uses 1-60W max. medium (E26) base bulb (not included)

ITEM #	MFG #	FINISH	QTY.		
549016	104316-BK	BLACK	1/12		

OUTDOOR WALL FIXTURE

• Cast aluminum, White acrylic lens • Wet location • Open bottom for ease of re-lamping • 1-100W max. medium (E26) base bulb (not included) • 8" W x 10" H x 4-1/2" E

ITEM #	MFG #	FINISH	QTY.		
132629	V8879-5	BLACK	1		

"DUSK-TO-DAWN" OUTDOOR FLUORESCENT FIXTURE

• White acrylic • Wet location • 8" W x 10" H x 4-1/2" D • Includes photocell • One 13W G24q-1 • Rust color

ITEM #	MFG #	FINISH	QTY.		
1615032	V6877-30	RUST	1		

OUTDOOR WALL LANTERN

• White frame with frosted glass • Uses 1-60W max. medium (E26) base bulb (not included)
• 6" W x 8-1/2" H x 7" D extension

ITEM #	FINISH	QTY.			
617067	WHITE	1/12			

OUTDOOR CEILING FIXTURE

• Black, 1-light polyethylene ceiling fixture with textured clear plastic lens • White glass panels • 8-1/4" W x 4-1/2" H • Uses 1-60W max. medium (E26) base bulb (not included)

ITEM #	SIZE	QTY.			
671210	8-1/4" SQUARE	1/6			

OUTDOOR CEILING FIXTURE

• Black, 2-light, polyethylene ceiling fixture with textured clear plastic lens • White glass panels • 10-1/4" x 101/4", 5-1/4" high • Use 2-60W max. medium (E26) base bulbs (not included)

ITEM #	SIZE	QTY.			
671212	10-1/4" SQUARE	1/4			

OUTDOOR WALL LANTERN

• Die-cast aluminum wall lantern fixture with clear, beveled glass sides • 6" W x 16-3/4" H x 6-1/2" E • Uses 1-100W max. medium (E26) base bulb (not included)

ITEM #	FINISH	QTY.			
671215	WHITE	1/8			
671218	BLACK	1/8			

OUTDOOR WALL/CEILING FIXTURE

• Octagonal shape • Die-cast aluminum fixture with White glass • Uses 1-60W max. medium (E26) base bulb (not included) • 10-1/4" L x 5-1/4" H

ITEM #	FINISH	QTY.		
671220	BLACK	1/8		
617042	WHITE	1/8		

9W FLUORESCENT WALL FIXTURE

• Black polycarbonate housing and 6" ball • 1-9W G23 base CFL (included) • 7-1/2" H x 6" W

ITEM #	QTY.		
671936	1		

9W OR 13W FLUORESCENT WALL FIXTURE

• Black polyfitter • Clear prismatic threaded jar • Uses 1-GX23 base CFL (included)

ITEM #	JAR SIZE	LAMPS	QTY.		
671389	8-1/4"	1-13W	1/12		

13W FLUORESCENT CEILING FIXTURE

• Black polycarbonate cage • One-piece Frost molded acrylic lens • Uses 13W GX23 CFL (included) • 5-1/2" high • 10-1/4" square base • Mounting hardware included

ITEM #	FINISH	QTY.		
671824	BLACK	1		

HIGH-PRESSURE SODIUM POST FITTER

• For large area lighting • Post top light mounts to standard 3' light post, not included • UL listed ballast fits inside post • Black polycarbonate fitter includes mounting hardware • Polyethylene globe included • Wet and damp location listed • Minimum starting temp -40°F • 70-watt HPS lamp included

ITEM #	PKG.	QTY.		
671172	BOX	1		

POST TOP FITTER

• Black polycarbonate medium (E26) base lamp holder for 3" diameter post (sold separately) • Use with 5-1/4" opening globe

ITEM #	QTY.		
671828	1		

13W FLUORESCENT POST LANTERN

• Black polycarbonate fixture • Uses 1-13W CFL (included) • Clear crackle acrylic lens • 3" OD pole mount • Pole sold separately • 9-3/4" square, 13-1/2" height

ITEM #	QTY.		
671408	1		

DUAL 13W FLUORESCENT POST TOP FITTER

• Black polycarbonate • Mounts on a standard 3˝ OD pole (sold separately) • UL listed clamped core ballast • Uses two 13W CFLs (lamps included) • Globe not included • Use with 5-¼˝ opening globe

ITEM #	QTY.		
671940	1		

HIGH-PRESSURE SODIUM POST LANTERN

• Black polyethylene roof, cage and collar • Mounts on a standard 3˝ OD pole (sold separately) • Clear acrylic lens • 120V • 70W bulb included • 9-7/8˝ square

ITEM #	QTY.		
671407	1		

7' STEEL LAMP POST

• Black • 3˝ diameter

ITEM #	QTY.		
613252	1/6		

MOTION-ACTIVATED SECURITY FLOODLIGHT

• Sturdy resistant plastic material • Twin head floodlight with 170° passive infrared sensor (PIR) • Uses 2-150W max. PAR lamps (not included)

ITEM #	FINISH	QTY.		
671270	BRONZE	1/6

WAGNER PRO COAT MAX .25 GPM AIRLESS SPRAYER

• Paint like a Pro with no thinning required • Wagner's ProCoat Plus airless sprayer is a 2800 PSI electric airless paint sprayer capable of spraying today's thick latex paints without thinning • Its telescoping cart makes moving the sprayer around the job site easy and fast • With its built-in pail hook the ProCoat Max draws paint and stains directly from either a 1 or 5-gallon pail • The adjustable pressure control helps control overspray on thinner materials

ITEM #	MFG #	QTY.		
157919	515040	1		

ADVANTAGE 100 AIRLESS PAINT SPRAYER

• Piston airless paint sprayer • 25 GPM, 1/2 HP motor • Stand-mounted

ITEM #	MFG #	QTY.		
108850	552077	1		

WAGNER PROCOAT .25 GPM AIRLESS PAINT SPRAYER

• The Wagner ProCoat is a 2800 PSI electric piston pump paint sprayer capable of spraying today's thick latex paints without thinning at .25 GPM (gallons per minute) with a ½ HP motor • Draw paint, stain, or sealers directly from the can • It sets up in less than 5 minutes by simply snapping the inlet hose in place and attaching the pressure hose and gun to the outlet • A garden hose connects to the inlet for a quick-flush, cleaning the entire system in less than 10 minutes • Proven Piston Pump technology and contractor-grade siphon tube creates a reliable pump for spraying thick latex paints as well as thin stains and sealers in one sprayer • Includes 25' high-pressure spray hose, commercialgrade metal spray gun, and 515 spray tip

ITEM #	MFG #	QTY.		
157918	515034	1		

WAGNER CONTROL SPRAY MAX HVLP

• Sprays thin-bodied materials in patterns from ½ in. to 12 in. wide with more control than a brush, spray can or conventional high-pressure paint sprayer • Uses a high volume of air at low-pressure to break up or atomize material into fine particles • Use on cabinetry, chairs, trim, doors, decks, outdoor furniture, yard play sets, metal hobby toys, and difficult to paint surfaces • Includes composite bleeder HVLP gun with air control valve, 20 in. light weight flexible air hose, 2-stage high-speed turbine with variable air control, and 1.5-quart plastic cup for larger projects and 1-quart metal cup for smaller fine finish applications • Hand-tight connections simplify assembly and cleanup

ITEM #	MFG #	QTY.		
157920	518080	1		

WAGNER POWER PAINTER PLUS 6.6 GPH

• The Wagner EZ tilt power painter plus features Wagner's exclusive EZ Tilt flexible suction tube • The EZ Tilt suction tube stays in the paint even when the spray gun is turned up, down or sideways allowing for maximum mobility and versatility • Features Wagner's Optimus dual tip, which uses a dual orifice to create a wider core spray pattern, less overspray, and superior coverage • Twist lock 1 quart cup for easy filling • The Power painter plus sprays stains, sealers, oil paints, and latex paint

ITEM #	MFG #	QTY.		
157917	525027	1		

25' X ¼˝ SPRAY HOSE

• Wagner professional-grade spray hoses feature a tough, abrasion-resistant polyurethane cover and seamless thermoplastic inner tube, and are extremely flexible • Suitable for all common architectural paints and solvents

ITEM #	MFG #	QTY.

SUPER GLUE GEL

• Locking cap collar prevents leaks and drying out • Gel is best for vertical or overhead applications • No drip, no clog, precise nozzle

ITEM #	SIZE	QTY.		
441286	4 GRAMS	1/6		

GORILLA SUPER GLUE

• Thick formula flows better for improved control • Dries in just 30-60 seconds, with no clamping • Use on nearly anything, from wood, metal, ceramics, some plastics, rubber and a whole lot more!

ITEM #	SIZE	QTY.		
131696	15 GRAMS	1/24		
131700	2 - 3 GRAM TUBES	1/30		

GORILLA EPOXY 25 ML SYRINGE

• Gorilla Epoxy's gap-filling capabilities and all-purpose formula easily bond steel, wood, aluminum, ceramic and much more

ITEM #	QTY.		
131709	1/10		

FAST CURE EPOXY

• An easy-to-use, two-part putty you simply mix and mold like clay – no complicated weighing or measuring required • Easy 1:1 "cut-what-you-need mix ratio" • Form it into any shape • It hardens in one hour and makes a final, steel-hard cure in 12 hours and can be sanded, drilled, machined, sawed and painted • Use on metal, wood, brick, stone, concrete, fiberglass, porcelain, tile and mot plastics • Cures under water

ITEM #	MFG #	SIZE	COLOR/FINISH	QTY.		
129196	129196	1 LB.	WHITE	1/24		
129195		1 LB.	GRAY	1		

EPOXY FAST CURE

• 10 individually wrapped, pre-measured packages (1lb. packages, 9.6 lbs. overall) • Re-closable cylinder • Contains the exact A/B portion required for most small jobs • Easy peel-open containers

ITEM #	MFG #	QTY.		
SX-0463111	DEP056	1/10		

MASTER MEND METAL AND CONCRETE EPOXY

• Repair all metals, concrete and masonry surfaces
• Fast-setting and water-resistant

ITEM #	MFG #	SIZE	PKG.	QTY.		
441409	441409	SIZE	CARD	1/8		

MULTIPURPOSE EPOXY PUTTY

• Sets hard in 20 minutes, will not sag or run
• Sand, drill, grind, tap, paint and machine it
• Will work under water

MADE IN THE USA

ITEM #	MFG #	SIZE	QTY.			
441130	441130	2 OZ.	1/12			
441131	441131	4 OZ.	1/12			

TUB & TILE EPOXY ENAMEL

• Provides a hard, protective finish that remains beautiful for years • One part epoxy paint means no mixing, no mess and a longer shelf life • Self-leveling finish leaves a smooth high-gloss porcelain-like surface • Faster dry time • Advanced technology - superior adhesion • Color - white • Covers approximately 72 sq. ft.

ITEM #	MFG #	SIZE	COLOR/FINISH	QTY.		
441194	441194	QUART	WHITE	1/4		

EPOXY ALL-PURPOSE PUTTY SET #531

• A heavy-duty epoxy formulated for high build applications, such as repairing pipes and tanks or fixing loose fittings • Hand-moldable Plumber Seal cures to a steel-like substance and bonds steel, aluminum, copper, brass, plaster, concrete, wood and ceramics • Resists oils, grease, detergents, many alkalies and some weak acids • Adheres to damp surfaces - cures under water - will not shrink or sag

ITEM #	SIZE	QTY.		
SX-0137562	16 OZ.	1/12

556647	1/10		

GARDZ WATER-BASED SEALER

• High-performance water-based sealer for problem surfaces • Penetrates and seals down damaged drywall and eliminates bubbles • Seals builder's flat, skim coats and spackling • Protects new drywall
• Completely seals in residual wallpaper adhesive
• Easy to apply, fast-drying and dries clear
• Low odor

ITEM #	QTY.		
800484	1/4		

USG WALLBOARD JOINT COMPOUND

• Ready-to-use • Interior use • For smooth, high-quality finishing of gypsum panel joints • Applies easily, minimum shrinking, sands easily

ITEM #	SIZE	QTY.		
441125	1 GALLO N	1/4		

DRYDEX SPACKLING

• Interior/exterior use • Ready to use • Has a Dry Time Indicator causing the product to change color to white when optimum dry time is achieved and it is time to sand • Applies pink and dries white • When dry can be painted with finish coat of paint, will not "flash" paint

ITEM #	SIZE	QTY.		
441197	1 QUART	1/6		

FAST 'N FINAL SPACKLING

• One-step, lightweight spackling for repairing walls, ceilings, and woodwork in 1 fill • Delivers superior durability and performance • No sanding required • Dries quickly • Interior/exterior use • When dry can be painted with finish coat of paint, will not "flash" paint

ITEM #	SIZE	QTY.			
441127	1 PINT	1/12			
441128	1 QUART	1/6			

FIX 'N FINISH SPACKLING

• Interior/exterior • No shrinking or cracking • Excellent filling capacity • Silky smooth formula • One-coat application • No rust bleed-through • Mildew-resistant spackle • Sandable/paintable in as little as 30 minutes • Retains a permanent brilliant white color • Easy water cleanup

ITEM #	SIZE	QTY.			
800193	1 QUART	1/6			

VINYL SPACKLING

• Can be used for filling holes in frywall, plaster, brick and stone • Interior/Exterior use • Drys hard, resists crackign, sands easily

ITEM #	MFG #	SIZE	QTY.		
441235	12133	1 GALLO N	1/2		

INTERIOR/EXTERIOR VINYL SPACKLING

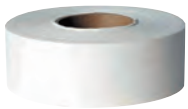
• Ready-mixed compound for easy application • Dries fast, sands easily, ready to paint • For use with plaster, drywall, wood and stucco surfaces

ITEM #	MFG #	SIZE	PKG.	QTY.			
800196	800196	1/2 PINT	TUB	1/12			

WALL PATCH

• Repairs holes, cracks and corners on drywall, plaster, wood and much more • Permanent • Easy-to-install • Cut to any size and any form, self-adhesive • Sold each

ITEM #	SIZE	QTY.	
801231	4″ x 4″	1/10	
801232	6″ x 6″	1/10	
801233	8″ x 8″	1/10	



DRYWALL FINISHING TAPE

• High strength, yet very thin for joining drywall panels • Resists tearing, creasing, and stretching

ITEM #	WIDTH	LENGTH	QTY.		
131413	2 - 1/16″	83 YARDS	1/20		

WALLBOARD JOINT TAPE

• Pressure-sensitive fiberglass joint tape • Use to repair cracks, seal joints and patch holes • Packed 24 per case, sold each

ITEM #	WIDTH	LENGTH	QTY.		
461400	2″	25 YARDS	1/24		

WINDOW & DOOR GLAZING COMPOUND

• Siliconized latex • Specially formulated ingredients for extra adhesion and flexibility • Seals watertight • Can be painted after 30 minutes • Easy water cleanup • Mildew and rust-resistant • Specially designed tip for trouble-free application • VOC compliant

LEGEND GROUT FLOAT

• High-impact styrene base with stiff density, molded rubber pad • Provides smooth, even grouting • Economical, lightweight and easy to use

ITEM #	MFG #	QTY.		
800324	3-1/4″ x 11″	1/12		

CRACK STOPPER BLACKTOP ELASTIC CRACK FILLER

• Formulated to provide a long-lasting rubberized repair which expands and contracts with driveway surface • Excellent flexibility and elongation in all temperatures • Won't crack in summer temperatures • Fills cracks up to ½″ - ¾″ wide

ITEM #	MFG #	QTY.		
441079	1 GALLO N	1/6		

TILE AND GROUT CLEANER

• Removes soap scum and hard water stains, nonacid, professional strength

ITEM #	MFG #	QTY.			
800318	22 OZ.	1/6			

TILE GROUT REPAIR

• White • Fast no-mess squeeze tube • Resists mildew, staining, shrinking and cracking • High water resistance

ITEM #	MFG #	QTY.		
451069	5.5 OZ.	1/12		

HASCO | EST. 1984

ONE-STEP GROUT SEALER

• Convenient with ready-to-use spray-on application • Won't dry out in can • Seamless repairs • Covers cracks, wall patches and joint tape

ITEM #	SIZE	QTY.		
800398	15 OZ.	1/12		

PRE-MIXED WALL TILE GROUT

• Evaporates and does not leave any hard-to-remove residue on tile • Seals out moisture • Protects against mildew and stains • Can be applied the day after grouting • Covers 500 linear feet

ITEM #	SIZE	QTY.			
441090	1 QUART	1/6			

PERMA-PATCH ASPHALT REPAIR

• All-season, all-weather, permanent asphalt patching material • Pressure-sensitive (cures faster with greater volumes of traffic) • No curing time needed after compaction • Bonds to steel, stone, wood, asphalt and concrete but does not stick to rubber tires

ITEM #	MFG #	SIZE	PKG.	QTY.		
800496	PP-30CP	30 LB.	PAIL	1		
800963	PP-60-C	60 LB.	BAG	1		

NOTCHED TROWEL

• 4-½˝ x 10˝, steel • Designed with two different notch sizes on each side for multipurpose uses

ITEM #	QTY.		
800589	1/12		

BOSTIK EASY MIX WHITE WALL TILE GROUT

• Use to grout most types of interior dry ceramic wall tile • Dries to a durable, nonshrink finish, unsanded

ITEM #	SIZE	QTY.		
441234	25 LB.	1		

MAPEI KERACOLORS 49 GROUT

ITEM #	DESC.	SIZE	QTY.		
106296	SANDED	25 LB.	1		
106301	UNSANDED	10 LB.	1		

CONCRETE PATCHING COMPOUND

• TurboKrete® Concrete Patching Compound is designed for patching repairs to concrete floors when down time is critical • It is a standalone material which does not require a sealer for exposure to moderate chemical spills • It can be applied in a single-step application with hand trowel finishing

ITEM #	SIZE	QTY.		
137054	2 GALLO N	1		
137055	3.5 GALLO N	1		

CONCRETE MORTAR REPAIR

• Repairs and seals cracks/joints in concrete and masonry

ITEM #	QTY.		
132373	1/12		

CONCRETE AND MASONRY FILLER & SEALANT

• High-performance latex sealant for repairing cracks in concrete, mortar, and masonry • Resists gas, oil, grease, and salt • Forms a durable, watertight seal when dry • Interior/exterior, water clean-up • Paintable

ITEM #	QTY.		
132660	1/12		

SEAL'N PEEL REMOVABLE WEATHERSTRIP CAULK

• 10 oz. cartridge • Provides a temporary watertight and waterproof seal • Peels away easily, will not damage painted surfaces • Interior/exterior use • Packed 24 per case, sold each

ITEM #	MFG #	COLOR/FINISH	QTY.		
441101	18324	CLEAR	1/24		

DRY MIX CONCRETE PATCH & RESURFACER

• Fast-setting, polymer-fortified Portland Cement patch • Repairs cracks, chips and breaks in concrete and masonry • Crack-resistant formula

ITEM #	MFG #	SIZE	COLOR/FINISH	QTY.			
441510	10466	5 LB.	GRAY	1/6			

NEVERWET MULTIPURPOSE SPRAY KIT

• NeverWet is a superhydrophobic treatment that dramatically repels water, mud, ice and other liquids • A revolutionary new class of coatings causes water to form nearly perfect spheres which roll off the surface keeping items dry and clean • Works best on wood, metal, concrete and masonry and dries to a milky haze • Kit contains an industrial-size 14 oz. fill and features a high velocity spray tip for fast and even application

ITEM #	MFG #	SIZE	QTY.		
299918	275185	14 OZ.	1/6		

PL POLYURETHANE ROOF AND FLASHING SEALANT

• Permanent, flexible seal • Black • Waterproof/ weatherproof • Seals cracks between wood and metal or flashing around chimney base, wells, etc • Excellent for shingle tabbing and sealing cracks in gutters

ITEM #	MFG #	SIZE	COLOR/FINISH	QTY.			
441110	10 OZ.	5 LB.	BLACK	1/12			

LEAK SEAL HIGH-PERFORMANCE LEAK SEALANT

• Easy to use, rubberized protective utility coating designed to fill and seal leaks and cracks • Provides a watertight, flexible seal that prevents moisture penetration, rust, and corrosion • Dries to a firm finish that will not sag or drip, and can be top-coated with latex or alkyd paints • Designed for use on metals, PVC, concrete, asphalt roofing, vinyl siding, fiberglass, and more

ITEM #	SIZE	QTY.		
151497	15 OZ.	1		

THERMACOTE® SEAMLINE TAPE APPLICATOR

• For use with Thermacote SeamLine tape

ITEM #	QTY.		
1030544	1		

THERMACOTE SEAMLINE ROOF REPAIR TAPE

• ThermaCote Seamline Tape is VOC free, single stage only needing a clean and dry surface to apply and no primers in most conditions • TPO backing; available in custom widths, lengths, and backings (foil, non-woven, double sided) • The patented power adhesive keeps our tapes stuck where others can sag or fall off • ThermaCote Seamline Tape is not a quick fix, it's a permanent repair; utilizes advanced cross linked butyl adhesive technology, a 100% solid formula of synthetic resins, thermoplastic cured butyl rubber with a built in primer, coated on a tough UV stable backing • Designed to stay and not sag even under extreme temperature

ITEM #	WIDTH	ROLL LENGTH	QTY.

FYi

PL Polyurethanes are premium quality, commercial grade sealants developed especially for forming permanent, water and weather proof seals in all exterior gaps and joints. These sealants are elastic and remain flexible to expand and contract with the construction material movement, to protect the original seal. They are high performance products which meet or exceed Federal Specifications TT-S-00230C, Type II Class A; ASTM C-920 Type S.

VOC COMPLIANT

We stock more than 15,000 products in our store.

Hardware & Apartment Supply is a leading provider of high-quality national and international brands that your professional maintenance team and managers use daily. We stock more than 15,000 products in our store. Hardware & Apartment Supply is committed to continuously adding new products to make sure we're always offering the latest technologies and materials.

Our priority is to offer products and services that have great value in keeping your apartment maintenance costs down while increasing your profitability. By offering reliable products, Hardware & Apartment Supply saves you money by preventing the need to repeatedly replace the same parts, which leads to higher tenant satisfaction and lighter maintenance workloads.

441049	5.5 OZ.	WHITE	1/12			
441261	6 OZ.	ALMO ND	1/12			

DAP TUB SURROUND & SHOWER WALL ADHESIVE

• 10.3 oz. • Bonds to a variety of substrates • Quick-grab • Strong steam, heat and water resistance • Will not harm plastic tub surrounds and shower walls

ITEM #	MFG #	DESC.	COLOR/FINISH	QTY.			
441202	27420	LO W VOC	CLEAR	1/12			

LIQUID NAILS® PROJECTS & CONSTRUCTION ADHESIVE

• 10.5 oz. cartridge • Waterproof, made of virgin rubber • All-purpose panel and construction adhesive • Will provide ultimate sheer strength exceeding 400 psi • Bonds plywood, hardboard, drywall, steel, plaster, concrete, foam board and most other common building materials • Packed 24 per case, sold each

ITEM #	DESC.	QTY.			
441022	STANDARD	1/24			
441301	VOC COM PLIANT	1/24			

LIQUID NAILS DRYWALL ADHESIVE

• 20 oz. • Fast grab for easy installation • Moisture-proof • Minimizes nail-popping • Reduces sound transmission • Contributes to LEED® certification • Greenguard certification

ITEM #	QTY.		
101565	1/12		

LOCTITE PL200 HOME PROJECT CONSTRUCTION ADHESIVE

• 10.2 oz. • Permanently bonds with drywall, wood paneling and other materials • Resistant to moisture, dampness and temperature fluctuations • Retains flexibility and will not become brittle • Not available in CA

ITEM #	COLOR/FINISH	QTY.		
441113	TAN	1/12		

LIQUID NAILS FOR CONSTRUCTION PROJECTS

• 10.5 oz. • Heavy-duty adhesive formulated for more demanding projects • Recommended for countertops, cabinets, brick veneer, decks, tile board, treated lumber, drywall, concrete, building material lumber, plywood, waterboard and foil insulation board • Not available in california

ITEM #	QTY.			
441390	1/24			

LIQUID NAILS® FOR TUB SURROUND

• This unique high-solids, low-solvent formula provides a strong waterproof bond to most bath surround products • Requires no bracing and will not harm most substrate materials • Lighter in color than most adhesives to help prevent show-through • Steam and heat-resistant • Recommended for most plastic tub and shower enclosures over structurally sound drywall, hard board and ceramic tile • Packed 24 per case, sold each 441072 is VOC Compliant

ITEM #	DESC.	SIZE	QTY.			
441391	STANDARD	10.5 OZ.	1/24			
441072	VOC COM PLIANT	10.5 OZ.	1/24			

LIQUID NAILS FOR MIRROR ADHESIVE

• Will not desilverize mirrors, and the flexible bond will not become brittle with age

ITEM #	SIZE	QTY.		
441300	10 OZ.	1/12		

LEXEL® CAULK

• New technology beyond silicone • Virtually disappears as it blends in with surrounding surfaces • Won't leave the milky residue of cloudy silicones or other "clear" caulks • Unlike silicones, lexel is paintable with latex or oil paints

POLYURETHANE ADHESIVE

• Works on a wide range of materials

ITEM #	SIZE	QTY.		
132369	10 OZ.	1/12		

POWER GRAB® CONSTRUCTION ADHESIVE

• 10.1 oz. cartridge • Power Grab® is an advanced construction adhesive technology for multi-surface usage • It eliminates the need for nails and screws in many DIY and repair jobs • Power Grab has the highest initial tack of any construction adhesive • Instant grab, no bracing - no flashing off • Latex based for easy water cleanup • Low odor, won't dry out • Packed 12 per case, sold each

ITEM #	QTY.			
441168	1/12			

POWER GRAB ADHESIVE, HEAVY-DUTY

• 10 oz. • Exterior heavy-duty Power Grab adhesive • Instant hold • Packed 12 per case, sold each

ITEM #	COLOR/FINISH	QTY.		
104823	WHITE	1/12		

POWER GRAB TUB SURROUND

• 10 oz. • Power Grab tub surround adhesive • Instant hold • Packed 12 per case, sold each

ITEM #	COLOR/FINISH	QTY.		
104824	LT. GRAY	1/12		

PRESSURE PACK POWER GRAB

• 6.7 oz. • No gun needed Power Grab pressure pack • Packed 9 per case, sold each

ITEM #	COLOR/FINISH	QTY.		
104825	WHITE	1/9		

COVE BASE ADHESIVE

• Bonds vinyl or rubber cove base and stair treads • Coverage: 4˝ cove base using two 1/4˝ beads: 10 fl. ft. cartridge covers 16 lineal ft.

ITEM #	QTY.		
132367	1		

WINDOW GLAZING

• GC-17 is an acrylic glazing compound with silicone

ITEM #	SIZE	QTY.		
132374	10.3 OZ.	1/12		

FIRE BARRIER SEALANT

• Fire barrier sealant FD150+, 10.1 ounce, blue, acrylic latex caulk used to firestop metal pipes and cables through concrete or gypsum and for use in dynamic head-of-wall systems

ITEM #	QTY.		
441378	1/12		

FIRE BARRIER SEALANT

• Fire barrier sealant CP25WB+, 10.1 ounce, red/ brown, intumenscent firestop, up to 4 hour fire rating, typically in mechanical and plumbing applica- tions, not for use with cpvc plastic pipe, water base foreasy cleanup and endothermic

ITEM #	COLOR/FINISH	QTY.		
441376	RED/BROWN	1/12		

GREAT STUFF FIREBLOCK

• 12 oz. • Insulating foam sealant • Expands to impede spread of fire • Seals spaces around pipes, cables, and ducts • Forms an airtight and water-resistant bond • Meets ICC-ES-ESR-1961, ASTM E84 and E814, UL 1715

ITEM #	QTY.		
132633	1/12		

DAP FIRE STOP SEALANT

• 10.1 oz. • Fire-rated silicone • Classified for sealing around plumbing and wiring penetrations through fire-rated walls and floors • DAP Fire Stop sealant is a professional quality neutral (Oxime) cure silicone sealant designed to seal fire-rated service penetrations

ITEM #	QTY.		
556932	1/12		

METACAULK 1000 FIRE STOPPING SEALANT

• General-purpose fire-rated sealant for thorough penetrations on vertical or horizontal surfaces • Designed for use in floors and concrete or gypsum walls • Can be used on PVC, polybutylene or insulated pipes • UL classified up to 4 hours • Flexible set, low odor, paintable • Meets ASTM E814, UL1479 and UL 2079 standards

ITEM #	MFG #	SIZE	PKG.	QTY.		
441346	441346	10.3 OZ.	TUBE	1/12		

FIRE BARRIER PACKING MATERIAL

• Approved for use in all 3M UL listed through penetration fire stop systems • Use around metallic, nonmetallic, insulated pipe, HVAC and power cable penetrates • May be used with gypsum and concrete assemblies • 0.5″ x 4″ x 20.5' • Light Gray

ITEM #	QTY.		
441380	1/5		

WHITE LIGHTNING CONCRETE DRIVEWAY REPAIR CAULK

• Latex caulk • Helps prevent damage caused by ice and water • Excellent flexibility and resistance to wear • Dries to a paintable surface • Matches concrete when dry • Easy water cleanup

ITEM #	COLOR/FINISH	QTY.		
800191	GRAY	1/12		

FIRE BARRIER SEALANT

• Fire barrier sealant IC15WB+, 10.1 ounce, yellow, intumescent firestop, up to 3 hour fire rating, typically in mechanical, electrical and plumbing applications to firestop openings created in firerated floors, ceilings and walls, metallic an pvc, cpvc pipe and insulated pipes.

ITEM #	COLOR/FINISH	QTY.		
441377	YELLO W	1/12		

WHITE LIGHTNING ROOF REPAIR CAULK

• 10 oz. • Suitable for waterproofing, repairing and sealing roofs • Provides a long-lasting watertight seal • Can withstand extreme temperatures, freeze/thaw stable • Can be applied to wet roofs, even in rain or snow • Meets or exceeds Fed • Spec • SS-C-153 Type I, ASTM D-2822 Type I

ITEM #	COLOR/FINISH	QTY.		
441154	BLACK	1/12		

MOR-FLEXX® ACRYLIC FLEXIBLE LATEX CAULK

• Its texture mimics the character of many different textured surfaces, including wood, stone, stucco, brick, mortar and composite panels and siding • Won't dry hard and crack like other repair products • Stretches and flexes with temperature changes and movement • Looks like mortar, stretches like rubber • Can be used indoors or outdoors • Spans gaps up to 3″ wide with no slump • Low VOC • Paintable • Freeze-thaw stable

ITEM #	MFG #	SIZE	COLOR/FINISH	QTY.		
1028329	15010	10.5 OZ.	BEIGE	1/12		
1028330	15020	10.5 OZ.	GRAY	1/12		

SLAB CONCRETE CRACK REPAIR SEALANT

• Extremely elastic in most temps – moves, won't crack, even when cold • Powerful adhesion • Spans gaps up to 3˝ wide with no slump • High durability – performs longterm in most climates • Water based – easy to tool and clean up • Ultra low VOC, no isocyanates – meets strictest VOC requirements; environmentally friendly, no harsh chemical smells • Freeze-thaw stable

ITEM #	MFG #	SIZE	COLOR/FINISH	QTY.		
1028331	16210	10.5 OZ.	GRAY	1/12		

CAULKSTRIP

• Silicone caulk with pre-shaped decorator trim, guarantees watertight seal • Molded in scoreline assures uniform first time positioning for fast installation • Longlasting, mildew-resistant, guaranteed to stick • Tub and floor caulk is 1-¼˝ x 5´

MADE IN THE USA

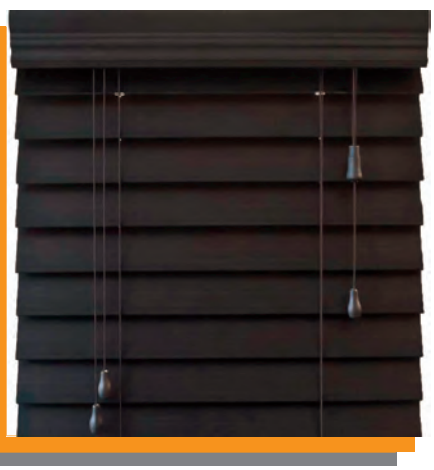
WINDOW COVERINGS, FLOORING & CEILING 1044-1085



Measurement Guide

Inside Mount

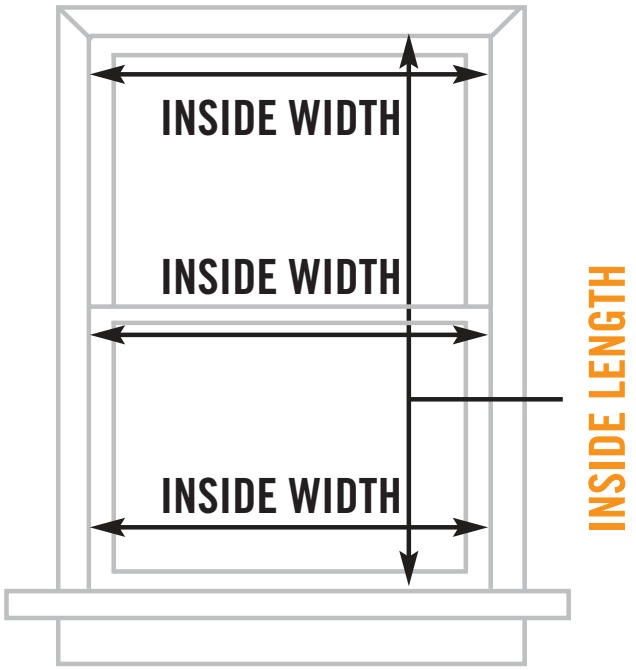
Blinds are mounted inside the window casing. Use a metal measuring tape (cloth tapes may stretch).

Measure the width in 3 different places and use the narrowest width.

Order blind width to the nearest 1/8" without ordering wider than your window width.

Measure the length from the top of the window opening to the top of the window sill.

Select the length (drop) closest to your window length. Do not order blinds shorter than your window opening.



Outside Mount

Blinds are mounted outside the window casing. Use a metal measuring tape (cloth tapes may stretch).

Measure the exact width and length of the entire area to be covered. For added light control and privacy, we recommend you add approximately 11/2" on each side and approximately 3" for overall length.

Order the blind width to the nearest 1/8" without ordering less than the area you want to cover.

Select the length (drop) closest to the area you want to cover.

Do not order blinds shorter than the area to be covered.

We stock more than 15,000 products in our store.

Hardware & Apartment Supply is a leading provider of high-quality national and international brands that your professional maintenance team and managers use daily. We stock more than 15,000 products in our store. Hardware & Apartment Supply is committed to continuously adding new products to make sure we're always offering the latest technologies and materials.

Our priority is to offer products and services that have great value in keeping your apartment maintenance costs down while increasing your profitability. By offering reliable products, Hardware & Apartment Supply saves you money by preventing the need to repeatedly replace the same parts, which leads to higher tenant satisfaction and lighter maintenance workloads.

SAFTEY LOCKOUT TAGS

• Heavy-duty tags comply with OSHA Lockout/Tagout standard • Durable polyester laminate resists water, grease • 7/16″ dia. brass grommet accepts all safety padlocks • Dimensions 5-¾″ X 3-1/8″ • 1 bag with 12 tags and 12 ties

ITEM #	MFG #	QTY.		
804489	497AX	1/6		

SAFETY LOCKOUT COMPLIANCE CENTER

• Wall mounted compliance center for MSDS, safety lockout or right to know information storage • Zippered 1-½″ blinder features clear front window so appropriate insert can be used • Wall mounting bracket included

ITEM #	MFG #	QTY.		
804472	S315	1		

PRESSURIZED GAS VALVE LOCKOUT

• Surrounds the gas valve handle to protect against accidental valve opening • Works on valves with or without guarding • Fits virtually all valves up to 3″ diameter

ITEM #	MFG #	QTY.		
804490	S3910	1/6		

STANDARD CIRCUIT BREAKER LOCKOUT

• Grip-tight design is secure and simple to mount for circuit breaker lockout • Grip-tight works with simple thumb turn and clamping handle for two-step fastening

ITEM #	MFG #	QTY.		
804493	493B	1/6		

VALVE AND ELECTRICAL SAFETY LOCKOUT KIT

• Portable safety organizer kit • Three red master 410 Xenoy safety padlocks, keyed different • Three lockout hasps • Three grip tight standard breaker lockouts • Two grip tight tall/wide breaker lockouts • One plug lockout • Ten padlock labels • Twelve warning tags • One lockout instruction manual

ITEM #	MFG #	QTY.		
897577	1457LKX	1		

VALVE AND ELECTRICAL GROUP LOCKOUT KIT

• 6 red safety padlocks • 2 circuit breaker switch padlock • 1 lockout hasp • 1 snap-on hasp • 1 adjustable cable lockout • Gate valve covers: 1″-3″, 2″-5″, 4″-6.5″ • 1 small electrical plug cover • 1 large electrical plug cover • 2 ball valve covers • 6 grip tight standard breaker lockouts • 2 universal wall switches • 2 bags of danger tags

ITEM #	MFG #	QTY.		
804479	1458VE410	1		

ELECTRICAL GROUP LOCKOUT KIT

• 6 red master 410 Xenoy padlocks, keyed different • 2 breaker switch padlocks • 1 standard lockout hasp • 1 snap-on labeled hasp • 1 adjustable cable lockout • 1 small electrical plug cover • 1 large electrical plug cover • 4 circuit breaker lockouts • 2 wall switch covers • 2 packs of danger tags

ITEM #	MFG #	QTY.		
804477	1458E410	1		

GROUP LOCKOUT KIT - VALVE

• Portable Safety Organizer Kit containing: Six red Master 410 Xenoy Safety padlocks, keyed different, one standard lockout hasp, one snap-on labeled hasp, one adjustable cable lockout, one gate valve cover fits 1″ to 3″ diameter, one gate valve cover fits 2″ to 5″ diameter, one gate valve cover fits 4″ to 6.5″ diameter, one gate valve cover fits 6″ to 10″ diameter, two ball valve covers, two packs of danger tags (12 per pack)

ITEM #	MFG #	QTY.		
804478	1458V410	1		

ELECTRICAL PERSONAL LOCKOUT KIT

• Three red Xenoy safety padlocks, keyed alike • 1 circuit breaker switch padlock • 1 lockout hasp • 1 snap-on lockout hasp • 2 grip-tight standard breaker lockouts • 3 grip-tight tall/wide breaker lockouts • 1 wall switch lockout • 1 bag of 12 danger tags • 15-½″ X 8-3/8″ x 5-¼″

ITEM #	MFG #	QTY.		
804475	1457E410KA	1		

VALVE PERSONAL LOCKOUT KIT

• 3 red master 410 Xenoy safety padlocks, keyed alike • 1 lockout hasp • 1 snapon hasp • 1 adjustable cable lockout • 1 gate valve cover 2″-5″ • 1 gate valve cover 4″ - 6.5″ • 2 ball valve and bag of 12 danger tags • Covers and one bag of 12 danger tags

ITEM #	MFG #	QTY.		
804476	1457V410KA	1		

BALL VALVE LOCKOUT

• Universal fit - effectively locks out all valves from 3/8″ to 4″ • Works in virtually all valve installations - metal and PVC valves, insulated pipes, pipes mounted close a wall of ceiling and valves with tight access due to close proximity to other valves or pipes • Remove and store the handle and conceal the valve stem for secure lockout • Constructed of durable PVC polyester fabric and HDPE plastic

ITEM #	MFG #	SIZE	QTY.		
804481	468L	3/8″ - 4″	1/6		

GATE VALVE LOCKOUTS

• Covers valve handle and prevents the accidental opening of a gate valve • Space-saving design rotates into place • Accommodates up to 4 locks • Tough, lightweight, dielectric Xenoy® thermoplastic bodies withstand chemicals • These products can function in temperatures ranging from -50 to 350°F.

ITEM #	MFG #	SIZE	QTY.		
804482	480	1″ - 3″	1/6		
804483	481	2″ - 5″	1/6

DRYER HEATER ELEMENT FITS WHIRLPOOL

• For Whirlpool

ITEM #	MFG #	QTY.		
132207	8182528	1		

DRYER HEATING ELEMENT ASSEMBLY, 220 VOLTS, FITS WHIRLPOOL

• This Whirlpool dryer element replaces part OEM part number 279838, 3398064, 3403585, and 8565582 • Dryer heating element used on many Whirlpool and Sears Kenmore brand dryers • 240V 5400W with 5/16″ terminals • The dimensions are approximately 10 inches by 6 inches • Fits Whirlpool, Admiral, Amana, Crosley, Estate, Kenmore, KitchenAid, Magic Chef, Maytag, Roper

ITEM #	MFG #	QTY.		
132208	279838	1		

DRYER HEATER ASSEMBLY

• Heating element assembly, with housing • Two coils with one common terminal and all wires come through one terminal block • 240 volts • Fits newer-style General Electric and Hotpoint dryers

ITEM #	MFG #	QTY.		
631911	WE11X103	1		

DRYER REPLACEMENT THERMOSTAT FITS WHIRLPOOL

• Opens at 155 and closes at 130 degrees
• Replaces model no. 3387134

ITEM #	MFG #	QTY.		
631507	L15525W	1/100		

DRYER LATCH AND STRIKE FIT WHIRLPOOL

• Replacement dryer latch and strike • For doors on gas and electric dryers • Molded plastic • Plated tension spring • Replaces Whirlpool, Frigidaire models • 279280; 279570; 83-280

ITEM #	MFG #	QTY.		
103128	DE902M	1		

CABLE TIES

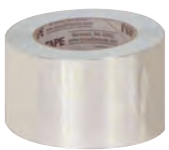
• Heavy-duty cable ties for flexible duct connections (175 lb. tensile strength) • 36″ length fits up to 10″ duct and 48″ length fits up to 14″ duct

ITEM #	SIZE	PKG.	QTY.		
461914	461914	50/PACK	1/10		
461915	461915	50/PACK	1/10		

ALUMINUM FOIL TAPE

• 2 mil • aluminum foil, UL and HUD approved • Used to patch or seal heating and air conditioning duct systems

ITEM #	MFG #	SIZE	QTY.		
461064	652338	2″ X 50 YDS	1/24		
461065	617003	3″ X 50 YDS	1/16		



FSK FOIL TAPE

• Foil scrim kraft tape • Meets requirements of UL STD. 723 • Used for patching fiberglass duct wrap

ITEM #	MFG #	SIZE	QTY.		
461062	652009	3″ X 50 YDS	1/16		

FOILMASTIC TAPE

• Foil tape with mastic sealer included • Used on flexible air ducts and sheet metal systems to seal and seam

ITEM #	MFG #	SIZE	QTY.		
461063	952113	2″X33 YDS	1/24		

FOIL TAPE

• 2 mil aluminum foil has easy release liner • For patching metal and HVAC duct systems

ITEM #	SIZE	QTY.

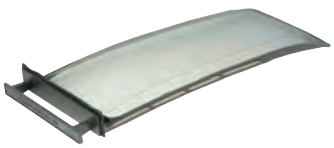
DRYER LINT FILTER FITS GE

• For gas and electric dryers 1957 to present • Replaces Mfg. #WE18X26

ITEM #	MFG #	QTY.		
560731	DE520	1/10		



DRYER LINT SCREEN FITS WHIRLPOOL

• For gas or electric dryers, 1964 to present • Replaces model no. 339392 and 690634

ITEM #	MFG #	QTY.		
53-9114	339392	1		

DRYER LINT FILTER

• Replaces GE WE18X55, Frigidaire 5303308071 and Whirlpool 348399

ITEM #	MFG #	QTY.		
53-9113	8531964	1		

INDOOR DRYER VENT LINT TRAP

• Includes aluminum duct and clamps

QTY.			
531116	1/12		

LINT GUARD

• Continually monitors the back pressure of the dryer vent • Visually provides the efficency of the operating range and when the dryer vent needs cleaning • Helps prevent dryer fires and reduces energy costs

ITEM #	MFG #	QTY.		
270650	LGM7	1/6		

DRYER VENT BRUSHES

• A clean dryer vent extends dryer life, lowers utility bills, and conserves energy • Designed with rounded brush block ends for no-snag cleaning • 4″ brush with 10' or 20' handle

ITEM #	MFG #	LENGTH	QTY.		
531741	37410	10 FT.	1/5		
531742	37420	20 FT.	1/5		

ANALOG MULTIMETER

• Tests AC voltage, DC voltage, DC current, resistance, continuity, and batteries • Manual range selection, 5-function, 12 ranges • Tester includes batteries, test leads, spare fuse, and operating instructions • Agency-approved and incorporates fuse overload protection circuitry • Tests voltage range 300V AC/DC, current range 250mA DC, resistance 1 meg • Decibels (on AC voltage ranges) -20 to +56dB • Fuse 250 mA • Accuracy ±5%

ITEM #	MFG #	QTY.		
823052	GMT-312	1/4		

DIGITAL MULTIMETER

• DC current 2mA/20mA/200mA/10A • DC voltage 200mV/2V/20V/200V/600V • AC voltage 200V/600V • Temperature • Diode and continuity • Resistance • Transistor test

ITEM #	MFG #	QTY.		
823793	UTL33T	1/10		

UL LISTED DIGITAL MULTIMETER

• Pocket-sized 3-½-digital multimeter used for measuring DC and AC voltage, DC current, resistance, continuity test, battery test, and diodes • Overload protection and low-battery indication • Includes battery and test leads • Backlit display • Function ranges 7/20 • AC voltage 200/600V • DC voltage 200mV/2/20/200/600V • Resistance 200/2k/20k/200k/2M

ITEM #	MFG #	QTY.		
823045	DMM20UL	1/80		

DIGITAL CLAMP-ON MULTIMETER/THERMOMETER

• 5-function - 24 ranges • An all-purpose clamp-on multimeter • Auto and manual ranging • Min/max • With time-stamping • Audible continuity beeper • Data hold and range hold • Microamp (DC) ranges for flame safeguard measurement • High-voltage protection • Easy-to-read LCD display • Includes: test leads, 9V battery, temperature module and clip-on holster

ITEM #	MFG #	QTY.		
823781	DL279	1/12		

CIRCUIT ALERT™ NON-CONTACT VOLTAGE DETECTOR

• Indicates the presence of AC voltage from 50 - 600V • Built-in "safe test" feature assures batteries are operating properly • Visual (flashing) and audible (beeping) indicators signal presence of voltage • Compact design fits in shirt pocket • Operates from 1-AAA battery (included)

ITEM #	MFG #	QTY.		
823051	GVD-3504	1/5		

LIVE-WIRE™ NON-CONTACT VOLTAGE TESTER

• Adjustable sensitivity detects the presence of AC voltage from 12 - 600 V without contacting wires • Visual (flashing) and audible (beeping) indicators signal presence of voltage • Adjustable sensing levels • Built-in ˝safe test˝ feature assures batteries are operating properly • Operates from 2-LR44 1.5-volt batteries (included)

HANDS-FREE SYSTEM A ROLL TOWEL DISPENSER

• The Renown 8-inch hands-free dispenser only requires you to touch your personal towel, thereby reducing the chance for crosscontamination from touching commonly used surfaces such as levers or buttons • This high-capacity dispenser accommodates up to an 800-foot roll along with a 4-inch stub roll to optimize dispenser capacity and save maintenance time • With each pull of the slightly exposed towel, the Renown handsfree dispenses and cuts a pre-measured 11- inch towel for maxi- mum usage control • Uses REN06133-WB, REN06130-WB, REN06131- WB, REN06146-WB roll towels

ITEM #	COLOR/FINISH	QTY.		
REN05157-WB	BLACK TRANSLUCENT	1		

BUTTON LEVER ROLL TOWEL DISPENSER

• Controls costs by reducing towel consumption 20% over uncontrolled roll towels • A fully-loaded dispenser holds enough toweling for more than 900 handdries which is twice the capacity of the average folded towel dispenser • Holds up to 800' roll plus one 4″ diameter stub roll • Uses REN06133-WB, REN06130-WB, REN06131-WB, REN06146-WB roll towels

ITEM #	COLOR/FINISH	QTY.		
REN05159-WB	BLACK TRANSLUCENT	1		

ELECTRONIC TOUCH-FREE ROLL TOWEL DISPENSER

• The Renown 8-inch electronic touch-free dispenser pioneered the touch-free towel dispensing market • This dispenser is the first electronic roll towel system to offer totally touch-free dispensing • The only thing you touch is your personal towel • The towel is stored fully protected inside the dispenser until you request service by passing your hand or arm underneath the sensor • There are no levers, buttons or cranks to touch • Uses REN06133-WB, REN06130-WB, REN06131-WB, REN06146-WB roll towels

ITEM #	COLOR/FINISH	QTY.		
REN05163-WB	BLACK TRANSLUCENT	1/6

880253	19 OZ.	1/12		

MOLDSTAT™

Innovative Solutions For Mold Remediation & Decontamination

While mold, fungi, yeast and bacteria are crucial for many environmental functions, these microbes can create havoc and damage to building surfaces and potentially create fatal health problems. Simple signs of mold presence may include rotting lumber, moldy bathroom tiles, shower curtains and offensive odors with some health reactions like sore throats, aggravated allergies or respiratory problems. However, in certain cases, these microbes and biofilms (the food source, breeding ground & hiding place for mold & bacteria) can also climb to carcinogenic levels creating diseases ranging from cystic fibrosis to Legionnaire's disease.

Moldstat™ 3-Step Mold Removal Process

1. Moldstat™ *Peroxy Kling* — Cleaning
2. Moldstat™ *Plus* — Kill mold
3. Moldstat™ *Mold Resistant Coating & Encapsulator* — Prevention

MOLDSTAT™ PEROXY KLING

• Concentrated multi-surface cleaner/degreaser specifically formulated for the mold remediation, decontamination, housekeeping and facility maintenance industry • Highly fortified hydrogen peroxide formulation and color-safe bleaching action, this product oxidizes any soils, stains and bacteria while eliminating all associated odors and leaves a fresh, pleasant fragrance • Peroxy Kling meets or exceeds Green Seal and DFE compliance standards and contains a unique clinging property, which allows active ingredients to adhere to treated areas resulting in longer saturation periods and increased effectiveness

ITEM #	SIZE	QTY.		
880344	QUART	1/6		

MOLDSTAT™ PLUS

• Concentrated, EPA-registered fungicide, mildewstat, disinfectant and sanitizer, which effectively eliminates a broad spectrum of bacteria including mold and mildew • Specifically formulated for the mold remediation and restoration professional and can be used on both porous and nonporous surfaces, including finished and unfinished wood, drywall, paneling, concrete, brick, stucco, plastic, metals and carpets • Highly effective for water damage, sewer-backup and flooding mitigation, plus extremely cost effective

ITEM #	SIZE	QTY.		
880346	GALLON	1/4		

MOLDSTAT™ MOLD-RESISTANT COATING & ENCAPSULATOR

• Extremely durable protective coating contains EPA-registered broad-spectrum fungicides and withstands moist, humid conditions that provide the ideal environment for fungal growth • Use in numerous locations

ITEM #	SIZE	QTY.		
880342	GALLON	1/4		

MOLDSTAT™ AIREZE FOGGER

• Contains EPA-registered broad-spectrum fungicides that neutralize all airborne odors associated with microbes & bacteria while inhibiting the future growth of mold & mildew

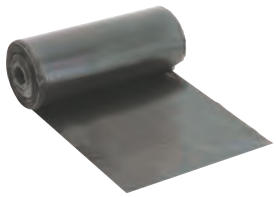
Special Orders:

Hardware & Apartment Supply Co., Inc. has partnerships with a wide range of suppliers giving us access to almost any apartment maintenance product you'll need.

Is there a product you need, but don't see it in this catalog? If you answered yes, then Hardware & Apartment Supply can help you find it quickly with no extra charge or delay.

Hardware & Apartment Supply's sales team will give you a written quote within 24 hours. Approve the quote and your special order will arrive to your door step.

Hardware & Apartment Supply Co.



INSTITUTIONAL LOW-DENSITY CAN LINERS

• The can liner of choice for high-performance liners at lower gauges • A blend of advanced Linear Low-Density Polyethylene (LLDPE) resins that provides superior puncture and tear resistance - this means thinner gauge bags with better performance and strength • Linear low-density linersare recommended for sharper objects under tougher transport conditions • Coreless roll • Star bottom seal eliminates leakage and odors • Price per case

Choose the Right Plastic for the Right Application

Plastic Type	Linear Low Desnsity is recommended for sharper objects under tougher transport conditions. Liner low Density bags have excellent resistance to puncture and tearing.	High Density is recommended for paper and non-sharp objects under moderate transport condtions. Uses less plastic than Linear Low Density. Has excellent resistance to puncture and resistance to tearing.

WASTE BASKETS

• Rectangular soft-sided plastic waste-basket with bag pinch to secure poly liners • Molded of high-quality polye-thylene for strength and durability • Seamless soft-sided construction will not dent, leak or rust • Rolled rim for easy pick-up and delivery

Special Orders:

Hardware & Apartment Supply Co., Inc. has partnerships with a wide range of suppliers giving us access to almost any apartment maintenance product you'll need.

Is there a product you need, but don't see it in this catalog? If you answered yes, then Hardware & Apartment Supply can help you find it quickly with no extra charge or delay.

Hardware & Apartment Supply's sales team will give you a written quote within 24 hours. Approve the quote and your special order will arrive to your door step.

Hardware & Apartment Supply Co.

NOTES

NOTES

NOTES

General Terms and Conditions

Payment Terms
Payment terms are 30 days (with approved credit). Accounts that are 30 days late will be put on credit hold until past due invoices are paid in full.

Freight and Delivery Charges
All deliveries in Los Angeles, Orange, and Ventura counties of the state of California are FREE of charge unless less than $50.00. All orders outside of the above three counties are subject to freight charges regardless of the dollar amount.

Store and Warehouse Stock
Certain items are not stocked in store; therefore, additional shipping time and charges may be required regardless of order size.

Backorders
Unshipped merchandise from original orders will be shipped when available free of charge.

Returned Goods Policy
Returns are accepted within 10 days from the date of invoice if goods are not used, installed, damaged and are in their original packaging.

Return on Special Orders
NO returns are allowed on special orders.

Claims
Buyer shall examine material upon receipt and prior to installation. All claims for damaged or defective items must be made within 24 hours of delivery. Claims not received within 24 hours are waived by Buyer. Delivery to job site constitutes delivery to Buyer regardless of whether Buyer or his/her agent is at the site at the time of delivery or signs a delivery receipt. In those rare instances when a package is lost or an item is damaged in transit, we assume full responsibility for filling claims. For accuracy of your order and damaged goods follow these simple steps:

A. Count quantity of items and ensure that it matches amount on invoice. If not, sign invoice short before the driver leaves. Any visible signs of packaging being torn should be noted on invoice.

B. Check in shipment and repot discrepancies immediately. Shortages will not be allowed if not reported within 24 hours of receipt of goods.

C. If a shortage has been filed, but later received, please notify us immediately so paperwork could be corrected.

Limitation on Liability
In no event shall Hardware & Apartment Supply Co., Inc. or its respective affiliates have any liability for consequential damages, including lost profits, or lost good will, incidental damages, special damages, more damages, indirect damages, punitive damages, liquidated damages, exemplary damages, or any other form of damages arising out of the product or goods sold in this catalog, even if advised of the possibility of these types of damages, whether such damages are alleged in tort, contract or otherwise.

Governing Law and Venue
With regard to any claim, suit or action related to the purchase of the products or goods in this catalog, the rights and obligations of the parties shall be governed by and interpreted in accordance with the laws of the state of California, without regard to its conflicts of laws principles. Any and all disputes arising hereunder or otherwise relating to the products or goods in this catalog shall be brought exclusively before the state of federal courts of Los Angeles County, California.

Limited Warranty
Goods or products not manufactured by Seller are warranted and guaranteed only to the extent and in the manner warranted and guaranteed to purchaser by the original manufacturer of such goods or products.

To Our Valued Vustomers in California:
Products that comply with the strict lead-free standards of California are designated by an “LF” at the end of the item number or by the word “Lead-Free” in the table or description. Since we are continually adding more lead-free products, please call our Customer Service team if you do not see what you need.

Limited Lifetime Warranty

ROC®, Premier®, and Proplus® brand items are warranted against defects in materials or workmanship, for the lifetime of the original purchaser (excluding commercial faucets, non-metallic faucets, all ROC® Proplus® faucets, Premier and Today’s Design House ® vanities and vessel sinks. Defective products will be repaired or (at the option of manufacturer and as its sale warranty option) replaced free of charge when returned with proof of purchase to the manufacturer.
Hardware & Apartment Supply Co., Inc. will in no event be responsible for any damages for loss of use of defective products, for damages caused to other tangible property by defective products, or for other consequential or incidental damages. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusion may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from state to state. For more information on the ROC and Premier faucets warranty, please visit www.rocindustries.com and www.premierfaucets.com.

Credit Application *Page 2*

CREDIT TERMS

Invoices are due by the 10th of the following month. Any requests for credits or corrections on invoices should be made by the 10th or cannot be used as a reason for non-payment. Invoices become delinquent on the 20th of the month following purchase. 1.5% per month charged on all past due invoices. If any unpaid invoices reach 60 days old, the account changes to C.O.D. and is no longer in good standing. Accounts not in good standing are subject to regular re-evaluation and change. Hardware & Apartment Supply reserves the right to refuse sale at any time.

REQUIREMENTS

All businesses established with less than 5 years in business must sign a Personal Guarantee. Financial documentation may be required including the past two most recent years' business and personal tax returns. Please sign the Personal Guarantee below if this applies to you. Please attach your financial documentation if you want it considered as part of this application.

PERSONAL GUARANTEE

In consideration of Hardware & Apartment Supply extending credit to the business identified below for any materials and/or services after this date at the request of the applicant(s) or its agent(s), the undersigned individual hereby personally guarantees, unconditionally and irrevocably, the prompt payment of all sums now or hereafter owed to Hardware & Apartment Supply by the business identified below whether said sums are due under open account, contract or otherwise.

It is understood and agreed that credit, if extended, is to be on a continuing basis and may exceed estimated maximum credit limit required as stated in the credit agreement between Hardware & Apartment Supply and the business. Hardware & Apartment Supply shall not be obligated to notify the undersigned of the dates or amounts of any such credit and the undersigned waives demand, notice of default and any extension of or any other forbearance which may be extended by Hardware & Apartment Supply.

This guarantee shall continue in force until notice in writing, sent by registered or certified mail, return receipt requested is received by Hardware & Apartment Supply. Said notice shall specify the date on which this guarantee is to be terminated. Said date is not to be less than ten days after such notice is received. Such termination shall in no way release the undersigned as to any sum or debt incurred prior to such termination.

Terms and Conditions of Credit

Our normal terms are net 30 days, 1% ten days.

1. All references in this document to "Seller" shall include each subsidiary or division of Hardware & Apartment Supply Co., Inc. whether or not specifically identified herein. Transmission by facsimile, e-mail, or an executed copy of this agreement shall be deemed to constitute acceptance and delivery of this Agreement and a facsimile copy may be relied upon by Hardware & Apartment Supply Co., Inc. or its affiliates and deemed to be an original for all purposes hereunder. All sales made by the Seller are subject to the Terms and Conditions of Sales in effect at the time of the sale, which shall prevail over any inconsistent terms or Purchaser's purchase order or other documents. No terms and conditions in any way altering or modifying these provisions shall be binding upon Seller, unless they are specifically authorized in writing by Seller's authorized representative.
2. Quotation prices made by the Seller are subject to change without notice, and all quotations expire and become invalid if not accepted within 20 days from the date of issue, unless otherwise specified by Seller in writing. Quotations on products driven by market commodities expire after 24 hours.
3. Delivery date given by Seller is estimated. Seller shall not be liable for delay or default in delivery. Freight charges may apply dependent upon order size, fuel prices, or other factors at Seller's discretion. Buyer waives any claims for damages arising from delays in delivery, regardless of the cause. In those rare instances in which a package is lost or an item is damaged in transit, we assume full responsibility for filing claims, sparing you the paperwork and inconvenience associated with such. Please do the following: 1) provide number of quantity (must be the same as the invoice), 2) make all claims for shortages or concealed damages within 72 hours of receipt of goods, 3) make sure number of quantity shown on packing slip has been received before claiming shortages, and 4) if a shortage has been claimed but later received, please notify us immediately so paperwork can be corrected.
4. Goods or products not manufactured by Seller are warranted and guaranteed only to the extent and in the manner warranted and guaranteed to purchaser by the original manufacturer of such goods or products.
5. Buyer shall make all claims for billing errors or adjustments in writing within seven (7) days from the invoice date. Claims not received in writing within the time specified are waived by Buyer.
6. Buyer shall examine material upon receipt and prior to installation. All claims for shortages or improper delivery must be made within 72 hours of receipt of goods. Claims not received in writing within the time specified are waived by Buyer. Delivery to job site constitutes delivery to Buyer regardless of whether Buyer or his/her agent is at the site at time of delivery or signs a delivery receipt.
7. Seller will accept the return for credit of regularly stocked items of the current model in clean, unused, and undamaged condition with original packaging and with all original parts. ["Returns"]. Returns are subject to 15% restocking fee, unless specified otherwise, with the exception of defective goods or shipping errors, which are not subject to a restocking fee. No other material may be returned for credit, including special orders, unless specifically agreed to by Seller in writing and the restocking fee from those items is subject to Seller's/supplier's restocking fee.
8. In no event shall Hardware & Apartment Supply Co., Inc. or its respective affiliates have any liability for consequential damages including lost profits or lost goodwill, indirect damages, special damages or any other form of damages arising out of the products or goods sold in this catalog, even if advised in advance of the possibility of these types of damages, whether such damages are alleged in tort, contract, or otherwise.
9. Unless otherwise stated, payment terms are net 30 days, 1% ten days. Payment is due in the form of cash, check, major credit cards, or money order. Seller may apply Purchaser's payment against any open charges within Seller's sole discretion. Past due balances are assessed a late charge of 1-1/2% per month. Purchaser agrees to pay Seller the assessed late charge. The Seller has the right to exercise setoff or recoupment when needed to satisfy any outstanding debt. In the event an account is not paid when due, the Purchaser shall be liable for any and all fees and costs incurred in connection with a referral of this account to any third party or parties, including but not limited to all attorney's fees. If a legal proceeding is commenced, Hardware & Apartment Supply Co., Inc. shall be entitled to its reasonable attorney fees and court costs, including any costs and fees of appeal. Purchaser waives any and all privileges and rights that Purchaser may have relating to venue. If any suit or action is brought to enforce any part of this agreement, venue shall at the sole option of Hardware & Apartment Supply Co., Inc. be in Los Angeles County of California.
10. With regard to any claim, suit or action related to purchase of the products or goods in this catalog, the rights and obligations of the parties shall be governed by the interpreted in accordance with the laws of the State of California, without regard to its conflicts of laws principles. Any and all disputes arising hereunder or otherwise relating to the products or goods sold in this catalog shall be brought exclusively before the state federal courts of Los Angeles, California.
11. If Purchaser fails to comply with these Terms and Conditions of Sale, or Purchaser's credit becomes unsatisfactory, in Seller's sole discretion, Seller reserves the right to terminate or restrict any order upon notice to Purchaser. Purchaser certifies that it is solvent and that it will immediately advise the Corporate Credit Department of Seller if it becomes insolvent. Purchaser agrees to send Seller written notice of any changes in the form of ownership of purchaser's business within three (3) days of such changes.

Guarantee

The undersigned, jointly and severally, if more than one, hereby guarantee the full and prompt payment, without offset, of all existing and future indebtedness of Purchaser to Seller, including any costs, expenses, and reasonable attorney's fees payable as a consequence of Seller's collection efforts. This personal guarantee is absolute, complete, irrevocable, and continuing. Notice of acceptance of this guarantee, extension of credit, modification in terms of payment, and any right or demand to proceed against the principal debtor is hereby waived. This guarantee may only be revoked by written notice, which shall be sent to the creditor's credit office by certified mail. Any revocation does not revoke the obligation of the guarantor(s) to provide payment for indebtedness incurred prior to the revocation. Guarantor agrees to provide financial information as reasonably requested by Seller.
